The Land Of Cotton

*Depew will follow Jaden Cotton into the
biggest game of the year against Alden*

This Week's Lineup:

7 Devil of a Record

Kenmore West took control of the AA North Division when the Blue Devils beat Niagara Falls 49-31 last weekend. Martin Bailey rushed for 219 yards and 4 TDs in the win. He also returned the opening kickoff 88 yards for a TD.

8 Returning Star Shines

Clarence ground out a 20-0 victory over Lancaster in front of 2,000 rain-soaked fans at Clarence. One of the many bright spots was senior running back Nikolay Mohan, a key returner from last season's sectional championship team.

10 Johnson Stars at East

Seneca East defeated Bennett 22-0 in a rain-soaked contest Friday. Ryan Johnson was a force for the Trojans as led the team in tackles. Johnson also broke away for an 83-yard TD run.

16 Riding A Colt

Portville lost another tough game to Randolph 46-12 Friday Night. The loss dropped Portville to 0-4 on the season. A bright spot this season has been senior quarterback Colt Lowe, who has passed for 864 yards this season.

Marsh honored after Upset

Salamanca coach Jason Marsh has been named the Buffalo Bills Coach of the Week after his Warriors beat Southwestern 21-10 last week.

It was the first regular-season loss for Southwestern since the 2007 season. Southwestern had won New York State championships in 2008 and 2009 and their winning streak had reached 39 games before the Trojans lost in the Section 6 title game last fall.

Despite the enormity of the win, Marsh said that his players were not overly excited in the week leading up to the game.

"We just approached it like we would any other game," he said. "It was a real close game until the fourth quarter."

Salamanca led 6-3 at the half.

"We had scored on our opening drive but we hadn't done much after that," Marsh said. "We had the lead so we knew we had to play good defense."

Marsh said that he did not notice any sense of excitement in the locker room at halftime.

"The kids were super excited that they were ahead," he said, "but they just went out and kept playing. They just had fun. They weren't nervous and that helped the coaching staff."

Salamanca QB Tanner John rushed for 159

yards and ran for 2 TDs and passed for another TD.

The Warriors stretched their lead to 13-3 in the third quarter and then 21-3 in the final frame before Southwestern scored a late TD.

Marsh says that this week will be harder for his coaching staff than getting ready for Southwestern was.

"We really have to focus on not having a letdown," he said. "We have to play with same intensity and focus. It was a great win but it was one league win."

Marsh started at TE and LB for three years under legendary coach George Whitcher.

He played in two Section 6 championship games.

Salamanca lost to Cleve Hill 16-14 in 1989 and returned to Rich Stadium the following season and beat Wilson 23-0 for the Class C crown.

Marsh was named a 1st-team all-league player and was also selected to play in the Big 30 game against the team from Pennsylvania.

After high school, Marsh played defensive end and LB at Hamilton College, where he earned his degree in Physical Therapy.

"That's what I wanted right out of high school," he said. "It just seemed like something I wanted to do."

In 2001, then head coach Rich Morton hired Marsh to coach the JV team at Salamanca.

Marsh was named the varsity coach in 2005.

He is the K-12 Physical Therapist for the Salamanca School District.

"I work with a lot of Special Needs kids," he said. "A lot of kids with Autism, Cerebral Palsy, Fetal Alcohol Syndrome. It's really a wide variety of things that we have to work with."

Marsh said that his work with Special Needs children and with football players is similar.

"Some days there isn't a lot of difference," he said. "You have to do a lot of motivating with each group. You have to

be creative with them and do different things to motivate them to want to do well."

He still talks often with Whitcher.

"We talk about Xs and Os a lot," Marsh said. "We talk about different ways to motivate the kids. This week we talked about guarding against a letdown."

Marsh says that he still uses the same stuff he learned from Whitcher when he was a player.

"Our terminology is the same," he said. "We are still running a lot of the same defenses that we had when he was the coach. Some things we do differently but we haven't changed much."

Action Jackson

Cheektowaga took control of the B West Division when they beat Tonawanda 43-6 last weekend. The Warriors are now 3-1 overall and 3-0 in division game. They are in first place will clinch the division with a win over Maryvale.

"We're elated," coach Scott Zipp said. "We have a good group of kids. Our athletes are superb. Our guys that play

Marquel Jackson.

Against Tonawanda, Marquel Jackson ran absolutely wild. He rushed for 201 yards and 3 TDs on just nine carries. He scored on runs of 36, 80 and 25 yards.

"He also had three long runs called by a penalty," Zipp said. "He's pretty much done that all season. In every game he has had a 50-plus-yard run. He's the real deal."

After four games Jackson has rushed for 626 yards and 7 TDs.

"The only full game he has played was against Depew," Zipp said. "He didn't play in the second half of two games and he didn't play in the 4th quarter against Tonawanda."

Zipp says that he is frustrated that Jackson has been unable to play more than one full game.

"Marquel is as good as any running back they talk about right now," he said. "I want him to get the notice that he deserves but I refuse to leave him in a game and ring up 60 or 70 points on someone. I would love to leave him in to rush for 600 yards some night but we can't do that."

Zipp said that Jackson should be mentioned when it comes to awards like the Connolly Cup.

"This kid is up there with the best of them," he said. "His speed is off the chart."

Jackson, a 6-0, 185-pound junior, has never been officially timed. When asked about his time in the 40-yard dash, Zipp had an answer.

"Fast," he said. "He can move. Kids have angles on him and he runs right by them."

in the trenches are hard-working kids that work together. We have athletes all over the field that have the capability of scoring on any play."

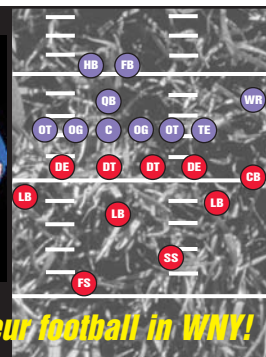

Cheektowaga has won three straight after losing the season-opener to Depew.

"We struggled against Depew in the second half," Zipp said. "Depew is a great program and we ran out of gas. It gave us a reality check. We lost a game but we gained a lot of insight about our team."

Against Tonawanda, Marquel Jackson ran

PLAYERS  SPORTS

Players of the Week

Offense

Justin Patterson - Alden

Justin Patterson led Alden to a 40-14 win over Albion last weekend as he rushed for a new school-record 310 yards on 25 carries. Patterson also ran for 3 TDs, scoring on runs of 70, 11 and 79 yards. Alden is now 4-0 and ranked 3rd in new York State Class B.

Defense

Ben Whitney - Jamestown

Ben Whitney had a huge night as he made 12 tackles, recorded a QB sack and recovered a fumble in Jamestown's 40-7 win over West Seneca West. Whitney also ran for 48 yards and a TD on just 3 carries and caught 6 passes for 67 yards.

Special Teams

Tyler Wiedemann - Pioneer

Senior kicker Tyler Wiedemann kicked field goals of 27 and 31 yards to provide the margin of victory in Pioneer's 13-7 win over Dunkirk last weekend. All four of Wiedemann's kickoffs were kept inside the 20 and he also had 1 touchback.

Sweet Home's Mr. Reliable

Sweet Home survived a stiff test when they beat Starpoint 22-14 last weekend. The Panthers trailed 8-6 at the half and the teams were tied at 14-14 after three quarters.

"Starpoint has definitely improved," Sweet Home coach John Faller said. "They won the Bowl Series in Class A last year and they are looking to get to the playoffs and make it to the next round."

Sweet Home has survived three straight tense games and has 44 straight wins against Section 6 competition.

"We've really been pushed to the limit," Faller said. "The last three games have been tough."

Faller says that the closeness of the games can help his team get ready for the playoffs.

"It helps when you win these games," he said. "I don't think it helps when you have close games and lose. But we are 4-0 and we had to overcome adversity in each game."

Faller said that his team still needed to improve.

"My kids have to realize that they have to be focused all the time, even in practice," he said. "Our penalties are hurting us. We make a bad decision or don't use proper technique and are out of position. It's got to start in practice and we need to carry it over to the games. In a game, you don't get a third chance to try something like you do in practice."

Sweet Home QB Jordan Johnson is the Panthers marquee player. Johnson was a finalist for the Connolly Cup last season and has already given a verbal commitment to play at the University at Buffalo after graduating.

And Johnson did not disappoint in the win over Starpoint. He completed 8 of 13 passes for 92 yards, including a 42-yard TD pass. He also rushed for 70 yards and scored TDs on runs of 39 and 14 yards.

But if the Panthers are going to win a fifth straight Section 6 championship, they will need contributions

from elsewhere on the field.

Senior running back Juwan Douglas, one of the Panthers four team captains, has been a solid player all season.

In the win over Starpoint, Douglas rushed for 62 yards on 14 carries and caught 3 passes for 14 yards.

"If we had 20 kids like Juwan we would be a lot better off," Faller said.

"He's quiet, he's hard-working and respectful. He's a focused kid and he always gives 100 percent."

Douglas also starts at LB for the Panthers.

"He started there last year too," Faller said, "but we spell him on defense. He's a full-time player on offense."

Faller has known Douglas since he was a kindergarten student at Maplemere Elementary.

"He was the same way back then," Faller said. "Even when he was a little kid, he was quiet and hard working. No matter what activity we did you could never get two words out of him."

And, Faller said, it was always apparent that Douglas would be a very good player some day.

"He was always one of our better athletes," Faller said. "He's played Little

League football since he was 6 or 7 years old. He's been around the game a long time. He knows football, both offense and defense."

Faller says that Douglas is a reliable player.

"You can count on him no matter what the situation," he said. "He always brings his best to the game and gives you his best."

Douglas (5-11, 180) has a chance to play football after high school.

"He has a future to play somewhere in college," Faller said. "That's a tremendous accomplishment, to play in college and get your degree. Kids should try and play the best football they can but they should come out of there with a degree."

Bailey Sets Ken West Record

Kenmore West took control of the AA North Division when the Blue Devils beat Niagara Falls 49-31 last weekend.

If the Devils beat Lockport this weekend, they will clinch the AA North title.

In 2010, Ken West finished in a 3-way tie with Williamsville North and Riverside.

"That's not what we wanted last year," Ken West coach Rich Harris said. "We lost a heartbreaker to Riverside and it cost us."

Harris said that his kids were disappointed with sharing the championship.

"How many years did we finish second to North Tonawanda," he said. "Last year, we finally beat NT and then we have to split the title."

Harris also said that he has not hidden the fact that this week's game will

be for a division championship.

"We went over it in the team meetings this week," Harris said. "Our kids know what's on the line."

Martin Bailey rushed for 219 yards

and 4 TDs in the win over Niagara Falls. He also returned the opening kickoff 88 yards for a TD. The 5 TDs in one game are a new school record.

"He's always seen the field well," Harris said, "especially when he gets through the hole. He gets into the open field and knows where to cut."

of the Year in 2010.

"His biggest improvement was strength," Harris said. "He started to carry some kids at the end of last year but this year he's just hammering people. He finishes his runs."

Mohan Solid for Clarence

By Sean Bruso

Clarence ground out an impressive 20-0 victory over Lancaster Friday night in front of 2,000 rain-soaked people at Clarence.

Clarence improved to 4-0 on the season despite the fact that the game was played on a sloppy field due to the weather.

"It was difficult to get going," Clarence coach Mark Layer said. "Early on, Lancaster did a great job defending the double wing. It's the kind of offense that can wear you down though. We did a nice job on the opening drive in the second half

and our defense played outstanding."

One of the many bright spots on the wet night was senior running back Nikolay Mohan, who is a key returner from last season's sectional championship team.

"His best asset is his speed," Layer said, "and it was a little difficult getting his speed going. He hits the hole at 100 MPH and that gives him the ability to break it open. He is a strong kid with explosive speed."

Clarence used the double wing for the majority of the game, so senior Mike Gelz carried most of the workload. Layer said that Mohan's lead blocking opened big holes for Gelz.

"He does a great job in the double wing," Layer said. "He is an excellent blocker. He knows Michael is going to block for him and he takes great pride in blocking back for him. They feed off each other

and have great respect for each other."

Layer said Mohan is a big piece to the Red Devils' roster.

"He's a very respectful kid," he said. "He comes from a nice family and he's a hard worker."

Senior LB Leads NT Defense

By Sean Bruso

North Tonawanda improved their record under new head coach Rick Tomm to 3-1 after a resounding 42-7 win over Kenmore East Saturday.

NT held Kenmore East to only five first downs while the offense averaged 8.89 yards per play.

"We are striving for consistency," Tomm said. "The kids were real focused on the goal and on getting better. We were able to get a lot of kids in.

One of the key factors for the Lumberjacks defensive effort was senior LB Jed Jasztremski, who had eight tackles, six initial hits, and a quarterback sack.

"He is a great leader," Tomm said. "His fundamentals are very good and he has a great feel for what the offense is trying to do. We use those strengths and it allows us to be creative."

Old-time fans will recognize the Jasztremski name. Jed's father, Frank, was a Connolly Cup finalist in 1979 and was a first team All-Western New York player.

Photo by Mark Adair

North Tonawanda LB Jed Jasztremski.

Jasztremski, who is 5-8 and 176 pounds, has been a standout despite his lack of size.

"Jed is not a big guy," Tomm said, "but he makes up for it with his toughness and smarts."

Jasztremski leads NT's defense in tackles.

He opened the season with 16 tackles against Williamsville North, and has recorded double digit tackles in three of the Jacks four games.

With the playoffs coming up, Jasztremski will be even more important to the Lumberjacks.

"His leadership has been exceptional," Tomm said. "That's something we'll need to build on in the weeks to come."

Trojans LB Leads Defense

By Sean Bruso

West Seneca East defeated Bennett 22-0 in a rain-soaked contest Friday.

"It went really well for us," coach

Jim Maurino said.

"We were able to do the things we planned on, playing good on defense and tackling. Bennett has some explosive athletes and we were able to get some pressure on the quarterback."

The Trojans improved their record to 3-1 in Class A South games and are hoping to clinch a playoff spot soon.

Ryan Johnson was a force for the Trojans as he broke away for an 83-yard TD run.

"He's the unsung hero of the offense," Maurino said. "In the single wing, he's kind of a glorified guard. It shows what a great athlete he is. It was a simple wedge play."

Johnson has shown steady play on

the offense, but it has been on defense where he has shined.

"Defensively, he's a captain,"

Maurino said. "Even as a junior, he's

the emotional leader and gets us fired up. He takes control. He is our middle linebacker and has good size. Ryan is a very sure tackler."

Johnson was one of several sophs that Maurino called up to the varsity to start the 2010 season.

"He played nose tackle as a sophomore," Maurino said. "He is still learning a lot and he is a very coachable athlete. He's picking it up well."

Maurino says

that Johnson has a chance to play football after high school.

"He has college aspirations," he said. "His goal to play at the next level. He's a gentleman in school and starting to take care of his grades."

Fits Like a 'Glover' at East

By Sean Bruso

East High School suffered a tough 35-14 loss to Depew, WNY's 2nd-ranked small school, last weekend.

"It was a game where we had some miscues," East coach Starling Bryant said. "They're a great team, and we needed a perfect game. One play they threw a touchdown, our guy was in position to pick it off but slipped."

Bryant noted he was pleased with his teams' effort.

One player who has been a standout this season for East has been sophomore Jevante Glover.

Glover led the Panthers with 117 yards on the ground, and added 35 yards passing.

"He has really calmed down quite a bit since his freshman year," Bryant said. "He has matured and the kids follow him."

Glover does it all for East. He plays quarterback, lines up in the defensive backfield, and is their primary return man on special teams.

"He does a pretty good job," Bryant

said, "and he did a pretty good job on Saturday. We try to get him back into the pocket to open things up down-field for him."

Bryant also praised Glover's no-quit attitude.

"He is a young man growing up," Bryant said. "He is basically our leader. Down 14-0, he single-handedly put the team on his back and played great. He has the attitude where he wants the ball in his hands."

Glover hopes to

play college football once he graduates from East.

"I think if he sticks on his pace, he will be able to play somewhere," Bryant said. "He is improving and we think we can get him out of Buffalo."

Another Smith at Lackawanna

By Sean Bruso

Lackawanna rebounded from a loss to Cheektowaga by defeating Maryvale 33-14 Friday night. The win improved the Steelers to 3-1 on the season as they moved into second place in the B West Division.

"Maryvale has a pretty solid football team," first-year coach Adam Tardiff said. "Their offense has been scoring a lot of points, and they were high scoring. We played well defensively."

In the 4th quarter, Lackawanna executed a fake punt to keep a drive alive.

Cameren Smith later scored on a 27 yard run to finish the drive. He added a 40 yard score to put the game out of reach.

"He plays well for a sophomore," Tardiff said. "He scored some big TDs for us. He can play anywhere on the field; tailback, receiver and defensively

he has had a pretty good nose for the ball."

Smith intercepted three passes in the first half in the loss to Cheektowaga.

If the name and number appears

familiar, Smith is the younger brother of previous Lackawanna standouts Capone, and Christian.

"He has a pretty good pedigree," Tardiff said. "He is kind of a combination of the two. He can hit like Capone and has the finesse that Christian had too. He is a bit taller and he is doing so well."

Smith began the year at quarterback but moved to tailback and has added a new

dimension to the Steelers offense.

He is also thriving under the responsibility Tardiff has given him.

"He gets along well with all the kids," Tardiff said. "He is not quite the leader yet, but he has the potential."

Corey Vail Stars at Pioneer

By Sean Bruso

Pioneer improved their record to 4-0, winning a defensive struggle against Dunkirk 13-7 last weekend. Pioneer is now in first place in Class B South.

"It was a tough, defensive battle like we thought it would be," Pioneer coach Jim Dupree said. Corey Vail, along with Tony Lock, were really, really good. They helped to carry us along."

The Panthers used a steady ground game, rushing for over 200 yards for the fourth time this season.

Vail rushed for 151 yards on 27 carries to pace the ground attack.

"Corey does what Corey always does," Dupree said. "He runs hard and has amazing feet."

Vail has now rushed for 684 yards and 6 TDs this season. In the win over Dunkirk, he broke away for a 67-yard run to set up his TD.

"He runs incredibly tough," Dupree said. "You may have him but he can break it."

Vail was one of several sophomores that Dupree called up to the varsity two

seasons ago. The Panthers have made steady work in the division over those two seasons and advanced to the Class B semifinals in 2010.

"I think it helps them in close games," Dupree said. "We have had a couple and they don't panic."

Vail is also one of the top wrestlers for his weight-class in WNY.

"He came in 3rd or 4th in the section," Dupree said. "They are

expecting him to do really great things there, too."

Dupree said that Vail had the ability to play football after high school.

"We'll continue to help push him to a higher level," he said.

4-year starter Helps JFK

By Sean Bruso

The JFK Bears defeated Akron Saturday 27-6 to improve to 3-1.

The victory placed JFK right in the middle of the Class C North playoff hunt. The Bears will clinch a spot if they beat Gowanda in two weeks.

JFK scored twice in the first quarter and led 21-0 at the half.

"We started off with a great first series," coach Mark

Ostempkowski said, "We held the ball for eight-and-a-half minutes and scored. The offense was just clicking early."

JFK used a power running attack rushing the ball 43 times for 161 yards and 3 TDs.

Senior RB Ryan Ball was a key contributor, rushing 18 times for 59 yards and a touchdown that gave the Bears a 14-0 lead.

Ball is a four-year senior starter on the Bears defense, and is averaging eight tackles a contest.

During the off-season, Ostempkowski expanded Ball's role on the offensive side of the ball.

"He decided he wanted to do both and he has done well there," said Ostempkowski. "He didn't have a big day statistically but he is one of our best leaders. If you have played for four years, you have seen a lot."

Ostempkowski says that Ball is outstanding in the classroom.

"He is a 90s student," he said, "and he's among the top ten in his

class."

Ostempkowski says that Ball will be looking to attend some high-level colleges.

"He is looking at attending some Ivy league schools," he said.

Haas Leads Salamanca

By Sean Bruso

Salamanca stunned fans across Western New York by beating Southwestern 21-10 last weekend.

With the win, the Warriors (3-1)

moved into first place in the C South Division.

The loss was Southwestern's first regular-season loss since 2007, and the first league loss since the Trojans moved down to Class C.

"It was defiantly a big night for our team,"

Salamanca coach Jason Marsh said.

"This is something the kids have had their sights on all year.

We knew if we were going to have a chance, this is a

team we were going to have to beat."

Marsh said that the win meant the most to his seniors, who have watched the Trojans recent dominance of Class C.

"We haven't ever come close to beating them," Marsh said. "The

seniors did not want to go out without a win against Southwestern."

Salamanca led 6-3 at the half but forced three turnovers in the second half to take control of the game.

A key contributor to the Warriors fortunes this season has been senior Ben Haas, who was quiet on the stat sheet but his presence was felt.

"It was not a huge game statistically for him," Marsh said. "They were keying on him. Ben is a team player and he knew the things we were doing were working."

Haas, who leads the team in rushing with 457 yards and 5 TDs,

is also a state champion wrestler.

"He is a real good team player for us," Marsh said. "He is very dedicated and hard working. He puts in a lot of time over the summer to improve his game and improve himself."

Portville Riding A Colt

By Sean Bruso

Portville lost another tough game to Randolph 46-12 Friday Night. The loss dropped Portville to 0-4 on the season.

"Randolph, is clearly one of the top 5 teams in the state," coach Gary Swetland said. "We have a young team. We have scored some points, we just have some trouble stopping the run."

Portville's first four opponents included the last three sectional champions in class D; Maple Grove, Silver Creek, and Randolph.

"The first four opponents have to be in the top ten of the state," Swetland said, "It's a real tough division."

A bright spot this season has been senior quarterback Colt Lowe.

"Colt and our receivers have kept us alive," Swetland said. "Whatever

degree we have been in the games they have kept us in. We have to grow up fast in this division."

Lowe threw two TD passes in the

loss to Randolph last weekend. He passed for over 100 yards and has now passed for 864 yards this fall.

"He is a quality passing quarterback," Swetland said, "and he is improving with his feet all the time. He has ability to throw the ball accurately. He's a pure passer."

Swetland also noted that Lowe is a smart player.

"He's very well-liked by his teammates," he said.

Swetland said

that Lowe was still improving.

"There is no telling how well he can do," he said. "He can make plays. If he can put everything together there's no telling how good he can be."

Sherman QB Leading Cats

By Sean Bruso

Sherman overcame an early deficit to beat Forestville on Saturday 28-6. The win improved the Wildcats to 2-2 on the season.

"Forestville was putting a lot of people in the box forcing us to throw the ball," Sherman coach Bob Krenzer said. "Offensive Coordinator Ty Harper did a nice job of taking what they gave us."

Sophomore quarterback Andrew Graham put on a strong showing, throwing for three touchdowns while adding 90 yards rushing.

"He's just a young sophomore who's still learning," Krenzer said. "He has a relatively accurate arm, but he is also a threat with his legs. He forces teams to defend both."

Graham has been steady over the course of the season for the young

Sherman team. He has passed for 327 yards and 4 touchdowns this season. Graham has also rushed for 114 yards. "We are a very young team,"

Krenzer said. "We only return three starters from last season. We probably have more sophomores starting than juniors and seniors combined, so the team doesn't really look at him as a young guy."

Krenzer knows the real challenge for his squad lies ahead in the next several weeks.

"The important part of the season is coming up," he said. "We play Clymer on Saturday, then finish the regular sea-

son with Pine Valley, and Chautauqua Lake. Our quarterback has to continue to improve as does the running game. We're a long ways away from being good at this point."

St Mary's Breaks Streak

By Sean Bruso

St. Mary's led 21-0 at the half and went on to beat Cardinal O'Hara 28-6 Saturday, snapping a 12-game losing streak against the Hawks, a string that spanned seven years.

"It is kind of funny," St. Mary's coach Dave Hersey said. "The same weekend the Bills end their streak against New England, we do the same thing. It took us both seven years."

Sophomore tailback Nicc Vallone scored the games first two touchdowns and rushed for 150 yards on the day.

"We decided to play him just on offense this week," Hersey said. "I feel it made a big difference. He set the pace for us."

Hersey's relationship with Vallone stems several years back when Hersey coached Vallone in Little League.

"He was the best kid in the league,

and we won a championship," he said. "He is a great young man and he comes from a good family."

Vallone who weighs just 155 pounds, has earned the respect of his older teammates.

Photo by Mark Adair

St. Mary's sophomore Nicc Vallone.

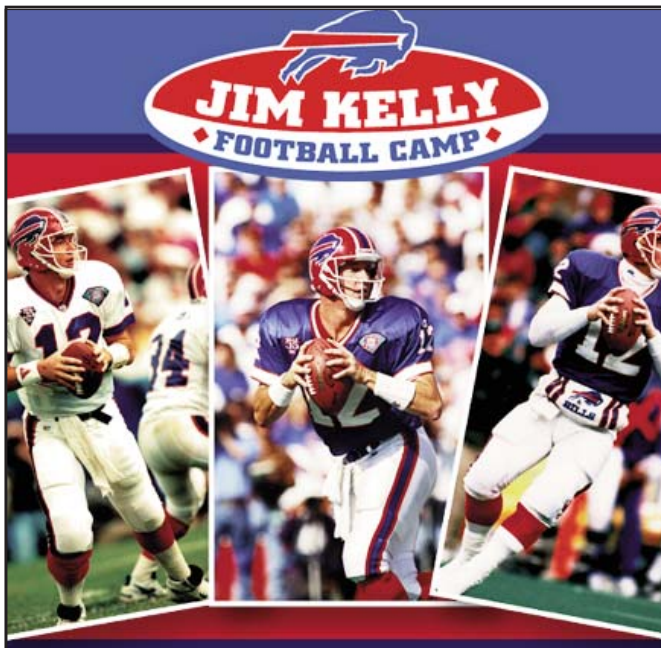

"He practices at a high rate of speed," Hersey said. "He is fast and hits like a truck. He is showing more and more leadership by example. He is doing well."

Vallone has now rushed for 620 yards and scored 8 TDs this season.

"The seniors are taking notice of him," Hersey said, "and they're picking up their play as a result."

Vallone, who is an All-Catholic runner in the 100-meter dash, rushed for 136 yards in the Lancers' loss to Timon.

"He is an unbelievable team player," said Hersey. "He is a special kid and his heart is bigger than he is."

Tom Pugh Gets 200th Win

Holy Cross football coach Tom Pugh collected his 200th victory on Sunday when the Knights defeated Holy Trinity 48-21 in a CHSFL contest.

"It means I'm old," Pugh said. "It's nice to have."

Pugh says that the CHSFL has been a competitive league for years.

"It's tough in this league," he told MSG Varsity. "You have a good year, you're .500 and you make a run in the playoffs."

Senior QB Yianni Gavalas from Holy Cross (3-0, ranked 12th in Class AA by the NYSSWA) went 12-of-16 for 300 yards and three touchdowns, all to Shyheim Wingate, who also had two short rushing scores.

And what were Pugh's plans for last night after the milestone victory?

"I'm going to do the stats, go home and have a meat-loaf sandwich," he said.

Digging Their Graves?

Quick, check the laws governing child labor in New York. It sounds like a Section 3 JV football team has been working the graveyard shift.

The Marcellus school district is investigating a complaint that JV coach Jim Marsh made players lay down on top of graves in a local cemetery to emphasize a message about not giving up. The Syracuse Post-Standard reported Tuesday.

Sources told the paper Marsh asked the roughly two dozen players to lay on the graves for several minutes while he extolled the importance of playing hard, and how those buried underneath them would cherish the opportunity to trade places with the players.

The district confirmed Marsh, who also coaches boys varsity basketball and teaches English, stopped the team bus at a cemetery near the school Saturday afternoon after a loss at Skaneateles, district spokesman Craig Tice said. District officials met with parents Monday night; assistant superintendent Patricia McCarron ordered a Post-Standard reporter to leave the school campus following the meeting.

Justin Patt

By Mark Adair

In one of the most anticipated games of the season, defending Class B champion Alden will travel to Depew to play the undefeated Wildcats this weekend.

Depew beat East High 35-14 last week to improve to 4-0.

"We've still got a long way to go to be a 4-0 team," Depew coach Dan McGrath said.

"We've got a lot of work to do. We've got things we need to correct and things we need to get better at. We need to improve this week to be better next week and we need to do that every week."

Despite his search for improvement, McGrath is pleased with his roster.

"We've got a little bit of depth at a number of positions," he said. "We are least 4-deep at running back. We've got a couple of fullbacks and and a couple of quarterbacks. We don't have 40 kids in uniform. We have 40 kids that can play."

Along with improved depth, the Wildcats are - once again - absolutely huge along the offensive and defensive lines. And, for the second year in a row, the Wildcats have a Division I-A scholarship player on the offensive line.

Two-way tackle Jaden Cotton is an imposing sight. The senior stands 6-foot-6 and weighs 331 pounds. He has already given a verbal commitment to play at the University at Buffalo after high school.

"I really liked UB," Cotton said earlier this summer. "I liked the coaching staff. I wanted to play there and I wanted to go to school there. I really didn't want to wait

Depew tackle Jaden Cotton has helped the Wildcats to a 4-0 start this season. Cotton is 6-6 and 331 pounds and will play at UB in 2012.

so I committed early."

Cotton says he is looking forward to playing at UB, but he doesn't think about it very often.

"I'm very excited to be going there," he said. "But I'm more focused on this season and trying to go far this year."

Cotton is just the latest in a long line of big (i.e. enormous) linemen that have played for McGrath.

Last year, John Kling (6-7, 295) anchored the line and is now on the roster at UB. Depew graduate Adam Rosner (6-7 320) just graduated from Syracuse University after a 5-year career for the Orange.

"We've been really fortunate that our parents continue to feed our kids well," McGrath joked. "And we certainly hope it continues."

The most shocking thing about Cotton's size is still just 16 years old.

"He's still just a boy," McGrath said. "He started school early and he's been with us on the varsity since he was a 14-year old sophomore."

Cotton was actually on McGrath's radar long before the player's sophomore year, however.

"We saw him coming up as a middle school student," McGrath said. "He was already 6-4 and 220 in middle school when he played modified football."

Cotton says he size was always impressive.

"I've always been one of the biggest kids in my class," he said. "Ever since kindergarten. I had an uncle who played football at Fordham and another was a bas-

ketball player at UNC Asheville. So size runs in my family.”

By the time Cotton was 14, it was apparent that he was big enough to play on the varsity at Depew.

“We brought him up as a tight end,” McGrath said, “but, as he continued to grow, we moved him to the interior line.”

McGrath says that whenever a young player makes a push for a spot on the varsity, he and his coaching staff do a thorough investigation before the player is actually called up to the varsity.

“We go through a process,” McGrath said. “We work with the parents. We also watch with the kid in spring camps and summer workouts. We need to see if this kid belongs socially with the older group of kids. We need to see that the kid will fit in before we determine whether or not we keep him with the varsity program.”

McGrath also leans on his seniors for help.

“We expect our seniors to look out for our underclassmen,” he said, “in the locker room, in the hallway, in the cafeteria and at social events. They need to watch out for these younger kids and we make sure they understand that.”

And Cotton is far more than just a big kid. McGrath says that Cotton - while not exactly a speed demon - is athletic.

“He’s not fast,” McGrath said, “but he’s fast enough. He has decent feet. He plays center on the basketball team, so he’s a pretty good athlete. He anticipates things very well, so he can get to where he needs to be ahead of time.”

Cotton plays basketball simply because he enjoys it.

“I used to play baseball, too,” he said. “I play basketball to stay in shape and have fun. It keeps me focused through the winter. I just like to get out there and play.”

Cotton is also on the Honor Roll at Depew and maintains an academic average of 91.

“I’ve thought about majoring in business but I’m leaning towards Medicine,” he said. “I like to help people. I’d love to be in Physical Therapy so I could be around sports.”

McGrath says that Cotton is the leader of a group of linemen that are inseparable

“It’s a tight group,” McGrath said. “They like to eat, they like to talk and they know when to turn the switch and play football. They all help each other in the weight room. They all lift together and each lineman is as intense as the next one. They compete against each other and push each other.”

Cotton says that he is determined to help the Wildcats go farther in the playoffs than they did in 2010. Last fall, Depew finished the regular season 7-0 but lost to Lackawanna in the first round of the playoffs.

“That was tough to go out the way we did last year,” he said. “That loss is always in the back of my mind. We have really high hopes this year. We just need to play our hearts out and see where it takes us.”

TRAINING THE HEART OF A CHAMPION FROM THE INSIDE OUT

The **Heart of a Champion Character Playbook** theme is **FINISH STRONG!**

IT ‘S NOT HOW YOU START THE SEASON, THE GAME OR LIFE.....BUT HOW YOU FINISH!!

This week’s **FINISH STRONG WORD IS Servant.**

Intensity: is honoring and sacrificing for others while expecting nothing in return.

(Those who humble themselves will be exalted or lifted up; those who exalt themselves will be humbled.)

Athletes and Coaches: to **FINISH STRONG** you have to believe that you do not come to the team to be served but to serve and give your abilities to the team. **Hall of Famer, Steve Young** said he understood that it was his job to get the ball to the other guys to make them look good.

Your ability to humble yourself and esteem others will draw people, on the field and in life, like a magnet. Loving your teammates deeply from the heart is demonstrated through deflecting praise to those around you and protecting those whose weaknesses arise in the course of the game or season.

Martin Luther King said, “Everybody can be great because anyone can serve.” You do not have to have a college degree to serve....

The cost of regret far exceeds the price of discipline...

So fight the good fight, finish the race, and keep the faith! **Be intense** and ...**FINISH STRONG!**

Love, Coach Masters

It's not the critic who counts.

**Not the man who points out where
the strong man stumbled or where
the doer of deeds could have done
them better.**

**The credit belongs
to the man
marred by the
dust and the sweat
and the blood;**

**who strives valiantly;
who errs and comes
short again and
again and again...**

**...who at best knows,
in the end, the triumph
of high achievements
and who, at the worst,
if he fails at least fails
while daring greatly,**

**so that his place will
never be with those
cold timid souls
who know neither
victory or defeat.**

- Theodore Roosevelt
