Sopko Honored After Upset

Springville coach John Sopko was named the Coach of the Week by the Buffalo Bills and the U.S. National Guard after his Griffins beat Pioneer 14-13 last week.

"I'm glad to accept this on behalf of the entire program," Sopko said, "and especially my varsity assistants, Rob Valenti, Bill Burse and Garrett Girst."

Springville entered the game 0-4 after suffering a string of bitter defeats.

The Griffins lost to Salamanca 7-6, lost in triple-overtime to Eden and lost to Burgard on a Hail Mary pass on the last play of the game. Springville fell to 0-4 when they lost to East Aurora 14-6.

"We were all looking around wondering what was going to happen next," Sopko said. "We knew we were a good team. It was just a play here or there that was the difference in all of those games."

Sopko said he was as disgusted as his players.

"There's not much to be said about being the best 0-4 team in the state," he said, "but we all felt we were better than our record."

Sopko tried to keep his team looking forward.

"After each loss, we wanted to get right back to work

on Monday," he said "Just keep the kids focused on the game in front of us. They knew that we were just a few plays away from winning all four of those games."

At 0-4, Springville had the daunting task of facing an undefeated Pioneer team that entered the game ranked 14th in the New York State Class B poll.

"Sometimes you just need your luck begin to turn," Sopko said. "Hopefully this is it."

Making the night even more festive, was the fact it was Springville's Homecoming night and Pioneer coach Jim Duprey, a Springville graduate, was one of four people being inducted to Springville's Hall of Fame. Sopko had coached for years under Duprey's father, Jim Duprey, Sr.

"I had a great experience working with Jim Duprey," Sopko said. "He was always good to me and he was a great coach."

Pioneer scored on the game's opening drive to take a 7-0

lead but Springville tied the game shortly before halftime.

"We felt optimistic about our ability to play with them," Sopko said. "We felt we could win and we were positive in the locker room at the half."

Springville scored in the third quarter to take a 14-7 lead.

Pioneer scored with less than 3:00 to play but missed the extra point kick.

Quarterback Billy Dickinson rushed 19 times for 125 yards and a TD in the win.

"He had a great game executing the triple option," Sopko said. "He had a great night running himself, too."

Photo by Buffalo Bills

Springville coach John Sopko (left) was named the Coach of the Week by the Buffalo Bills and the U.S. National Guard after his Griffins team upset undefeated Pioneer 14-13 last weekend.

Slot back Tyler Conklin ran 9 times for 88 yards, including a 24-yard TD run.

Fullback Chris Phinney added 34 yards on 8 carries and made 7 tackles on defense.

Sopko played high school football at West Seneca West and graduated in 1977.

He then played at Canisius College while he earned his teaching degree and his Master's Degree.

He first landed a teaching and assistant coaching job at Alden before moving on to Springville. He taught Social

Studies and coached modified and freshman football at Springville from 1989 until 1998.

"I enjoyed the younger levels," Sopko said. "I got a great deal of satisfaction out of getting the kids ready to move up to the next level."

He quit coaching at Springville to coach at Canisius College but stayed for only the 1999 season.

"You could see the writing on the wall that they were going to drop the program," he said. "My head coach did not have his contract re-newed. They hired Ed Argast and he hired new assistants."

Sopko says that the day Canisius dropped football is still one of the most disappointing days he has ever had associated with the sport.

"It still hurts," he said. "I'm still angry about it."

He then stayed out of football for 10 years before accepting the head coaching position at Springville.

Benton Leading Canisius

By Mark Adair

Canisius opened up a 27-6 lead at the half and crushed Msgr. Martin rival St. Francis 51-18 last weekend. The Crusaders improved to 5-0 with the win.

"I like our team a lot," Canisius coach Rich Robbins said. "These kids have worked hard since January to make sure that this season is everything they want it to be."

The fact that Canisius and arch-rival St. Joe's have both started 5-0 has sent the WNY media into breathless anticipation about the game between the teams that is looming at the end of the schedule.

"I understand that," Robbins said. "Any time Canisius plays St.

top receiver for three years, has caught 19 passes for 370 yards and 5 TDs this fall.

"Everyone knows what he can do with his ball in his hands," Robbins said, "but his downfield blocking, his play on special teams and his defense have been outstanding this year. He has become a complete player this season."

Before the season, Benton went to Robbins and requested a spot on the kickoff team.

"He came and asked me to play on kickoff coverage," Robbins said. "We had some trouble last year with kickoff returns. When a kid with his skill set asks the coach to be on special teams, that speaks volumes."

Benton, a team captain, is getting noticed by several Division I college programs.

"We've heard from a few of the MAC schools," Robbins said. "Bowling Green is really interested in him. We've also heard from the New Hampshire and the University of Massachusetts."

Joe's it's a big deal. However, we have Aquinas, Timon and Cardinal O'Hara on the schedule. It's very important that we stay focused on the job at hand."

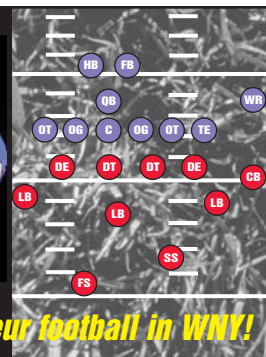

Senior Denzel Benton caught 2 passes for 92 yards, including a 62-yard TD pass in the 3rd quarter.

"Denzel is one of the fastest players we've ever had here at Canisius," Robbins said. "He is a legitimate 4.4 kid in the 40. His speed and ability when he has the ball in his hands is phenomenal. He can make people miss all over the field."

Corrao Leads Vikings to 5-0

By Mark Adair

Grand Island beat Williamsville North 26-21 last week when QB Quinn Corrao snuck in for the game-winning TD from a yard out with just :15 left in the game.

"This was a big win but we still have some games left to play," Grand Island coach Dean Santorio said. "We still need to work hard to get better each week."

After taking over on their own 20-yard line with 3:00 left in the game, the Vikings worked the hurry-up offense to perfection to drive for the game-winning TD.

"We've actually worked on the hurry-up offense quite a bit over the last 4 or 5 weeks," Santorio said. "We haven't needed to do it in a game yet. But the situation arose to do it and we did a really nice job."

It was actually the second time in the game that the Vikings used the hurry-up offense for a TD.

With the Vikings holding a 14-7 lead, they got the ball on their own 20-yard line with just 1:30 left in the 2nd quarter. Grand Island proceeded to drive 80 yards in 8 plays and scored a TD with just 2 seconds left in the half.

"We did a nice job getting first downs to stop the clock," Santorio said, "We had two catches where we got out of bounds. The kids did a great job."

While Grand Island may not have had to use their hurry-up offense in a game until last weekend, the Vikings have actually used it daily since the season began.

"We work at the hurry-up drill quite a bit," Santorio said. "We do it every day for at least a couple minutes. We set it up once or twice during in practice every day."

But, for the hurry-up to work in a game, the quarterback needs to stay calm enough to execute the offense.

"Quinn doesn't get flustered," Santorio said. "I'm pretty pleased with his composure. To execute the hurry-up twice in a game is a pretty big deal."

The Vikings went to the locker room with a 20-7 lead but it didn't last long.

Williamsville North started the second half on their own 30-yard line and in the first play, Spartans' QB Ryan Majewski hit Kolbe Hughes with a 69-yard pass to the Grand Island 1. From there, Majewski ran in for a TD.

After forcing a 3-and-out series, Williamsville North started their next possession on their own 15-yard line.

On the first play, Majewski hit Hughes again and, this time, he went all the way to the end zone.

The Vikings lead was gone in under three minutes of playing time... and just three plays from scrimmage.

"We were pretty disappointed," Santorio said. "We had

played well but we were behind. That just shows that if you give someone breathing room, anything can happen. They made two nice plays and got the lead."

Corrao, a junior, finished the day by completing 15 of 30 passes for 158 yards and 2 TDs. But, most impressive, his calm direction of the hurry-up offense stood out.

"He's always been calm and relaxed no matter what he does," Santorio said. "He's very relaxed and calm. I think that's his best quality."

Corrao is also a pitcher on Santorio's baseball team at Grand Island. Last spring, Corrao helped the Vikings reach the state championship game.

"He pitched four innings in the state championship game," Santorio said. "He's pitched in some big games. Whether he's facing a pressure situation as a pitcher or as a quarterback, he does a great job of handling it."

Corrao is also a top student, maintaining an academic average of 3.75 which places

him 33rd out of 257.

The Vikings are now 5-0... and may be the most overlooked 5-0 in WNY history. They were ranked 8th in the most recent Buffalo News poll.

"I don't worry about that stuff too much," Santorio said. "You would like to be recognized but some of the teams we have played don't have great records. We just try to go about our business and work hard and let other people vote in the polls."

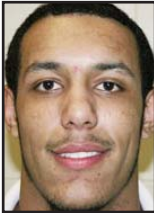

Grand Island is also in line to get a home game in the upcoming Class A playoffs.

"We have an opportunity to move to 6-0 this week," Santorio said. "Our kids expect to do well. Our kids work awfully hard and their expectation is to make the playoffs. Beyond that, we just want to do everything we can to win each week."

Falls Clinches Playoff Spot

Niagara Falls beat rebounded from a bad loss at Lockport and beat Hutch Tech 21-6 last weekend

In the loss to Lockport, whatever could go wrong went wrong," coach Don bass said. "When we looked at film, we watched the first two plays and discarded the rest of the film. Then we went to work."

Niagara Falls clinched a spot in the AA playoffs with the win over Hutch Tech.

"We had a good week of aggressive practice," Bass said. "We wanted to find the 10 things we do well and make them stop that. This was our most complete game of the season."

While the Wolverines are in the playoffs, they can still earn a home game if they beat Kenmore West this weekend.

"We don't want to discuss the future," Bass said. "We just worry about tomorrow. We just want to play our best game this weekend."

Jaylin Smith stepped in to play QB in the win. Bass needed someone to replace starter Ricky Bailey.

"Ricky hurt his shoulder and couldn't throw," Bass said. "I asked Jaylin to play quarterback. He started playing QB on Wednesday."

Smith rushed for 68 yards and 2 TDs on 11 carries in the win. He also completed 5 of 7 passes for 95 yards.

"He's an athlete," Bass said, "but he's football smart. He made a perfect read on the defensive end when he scored his second touchdown."

Smith is a quick learner, according to Bass.

"I told him to read the end and pull the handoff," Bass said. "He had only been playing quarterback for 8 days and he knew perfectly what to do."

Smith is also a good student in school. "Jaylin is a responsible, forward-thinking young man," Bass said. "He thinks about his future and wants to be somebody and he is truly a team player."

Quakers stay Unbeaten

Orchard Park struggled early but beat Lancaster 34-24 last weekend and improved to 5-0 with the win.

“The ‘W’ is the thing that counts,” coach gene Tundo said. “Football is not a perfect world every time out. There are two teams on the field and Lancaster gest a say in what happens. Lancaster came in with something to prove on our Homecoming and they deserve all the credit in the world because they came after us.”

Tundo says he is comfortable with this year’s Quaker squad.

“I feel great about these kids,” he said. “They are a great group. This is a hard-working team that gets along very well.

We are improving all the time. They have every aspiration to get back to where we were last year.”

Tundo did say he was still looking for ways that his team could get better before the playoffs start.

“There’s things we have to improve

on,” he said, “We have to clean up a few defensive mistakes. But we had 540 yards of offense and no turnovers. That’s pretty good football.”

One player who has stepped up in

recent weeks is senior Jett Modkins, a starter at safety.

Modkins was called on to fill in at RB when starter Mitch Wilson suffered a sprained knee.

“Jett’s a good kid and works hard,” Tundo said. “He loves the game. He came here three years ago and he’s really coming into his own. He’s proving himself to be a top-rate player.”

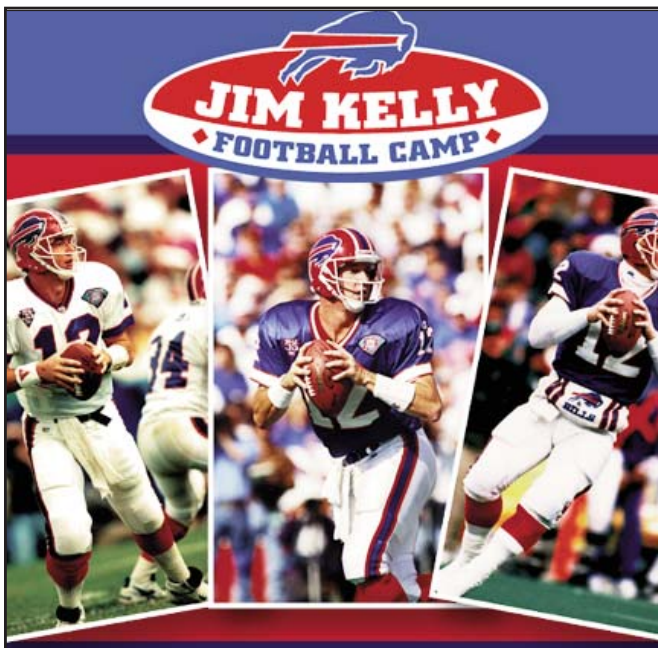

Modkins is in charge of the defensive secondary.

“He knows the game real well,” Tundo said. “He’s athletic, has good speed and strength. He calls our secondary coverages and our rotations. He’s exactly how you want your guys on defense. He’s an even-keeled kid who can think on the run and make adjustments.”

Macks Clinch Playoff Spot

McKinley led just 12-0 at the half but exploded after the break to beat Kenmore East 44-0 last weekend.

The Macks clinched a spot in the Class A playoffs with the win.

“We still have to play North Tonawanda and then Grand Island,” coach Ed Wilson said. “We are taking one game at a time and staying disciplined and focused. We do not want to get caught up in anything but the next game.”

McKinley rebounded after a pair of tough losses to race past Kenmore East. The Macks were still smarting from losses to Canisius and Sweet Home when they stepped on the field against East.

“We thought it was important to come out and perform well and execute,” Wilson said. “We really picked it up in the second half. That’s one thing we need to stress is playing four quarters of solid football and that takes discipline.”

Reyjon Jordan rushed 6 times for 39

yards and a TD in the win. Jordan leads the Macks with 529 yards rushing this season.

“We move him around quite a bit,”

Wilson said. “Last year he played QB. He is mainly a running back this year but we still use him as a QB at times. We even move him to wide out every now and then.”

Jordan has scored 7 TDs this season and has also tossed 3 TD passes.

“He’s an all-around athlete,” Wilson said. “He’s also our kicker and he can punt. He can do just about anything.”

Jordan is also the starting point guard on the McKinley basketball team.”

“He’s quick,”

Wilson said. “He’s one of the fastest players in Class A and he’s a key asset for us.”

Jordan is a 2-year team captain of the Macks.

“Some days Rey is very quiet,” Wilson said, “but when he needs to step up to the plate and be vocal he can be.”

Bennett Gets First Win

Bennett trailed 18-14 at the half but rallied to beat Williamsville East 28-25 last weekend. It was the Tigers' first win of the season.

"It was very positive for all the kids to let them experience that winning feeling," coach Steve McDuffie said. "I also believe that it helped bring that core group of kids together. Our morale was down but this win has put the first few weeks in the rearview mirror and helped the kids restore some pride."

The win also gave McDuffie bragging rights over his younger brother Chris, who is the coach at Williamsville East.

"I'm ten years older than him," Steve McDuffie said, "so this was really our first time even playing against one another. Last year they were up in the A North Division so we didn't play." McDuffie said that he will remember the game no matter how long he coaches. "It was a very positive experience," he

said, "not only for me and Chris but also for our mother and father. My father started on my side of the field and our mother was on his side but you could see them switch at halftime."

Bennett senior Khalil Sommerville.

Despite Bennett's struggles early this season, senior lineman Khalil Sommerville has been a standout.

"He's been a 4-year starter at the varsity level," McDuffie said, "and he's started both ways since his sophomore year."

Sommerville (6-2, 270) starts at G and DE this season. He made 8 tackles and 2 QB sacks in the win.

"He has been a force all year for us," McDuffie said. "He's a great kid. He does the right

thing in the classroom and off the field." Sommerville has been timed at 4.71 in the 40-yard dash. "That's good speed for a big man," McDuffie said. "We're getting some interest in him from Morgan State and New Hampshire."

Medina Still Alive in Class B

Medina beat East High 34-18 last week and will enter their Homecoming game with their playoff hopes still alive.

"We play in one of the toughest leagues in New York State," coach Eric Valley said. "As long as we play well, our destiny is in our own hands."

East High scored the first TD but Medina rallied and led 14-6 at the half.

Kyle Barna rushed 8 times for 93 yards and a TD in the win.

The Mustangs also scored a pair of defensive TDs.

Ben Austin returned a fumble 70 yards for a TD and Lonnie Taylor returned an INT 15 yards for another TD.

"Lonnie had a huge night for us," Valley said. "He played an unbelievable game."

In addition to the INT return for a TD, Taylor caught a 35-yard pass, ripped off 20-yard run, recorded a pair of QB 2 sacks and averaged 43 yards per punt.

Valley is a bit surprised that his team

is still alive in the Class B playoff race.

"We started 6 sophomores and a freshman in Week 1," he said. "It took us a while to get our feet underneath us. But the kids are excited. Playing Alden is a great opportunity to play the best."

With such a young roster, senior captain Adam Eick has been a big asset for Valley.

"He's a farm boy," Valley said. "He's one of the hardest working kids we have."

Eick (6-2, 210) has started at LT, NT, DE and DT this season.

"He is extremely strong," Valley said. "He is routinely giving up 50 pounds to bigger linemen but he holds his own up front for us. He's been tremendous this year."

Eick is an outstanding student who maintains an academic average of 96.

"He runs our entire offensive line," Valley said. "He can tell any lineman what to do on any play. He's like a coach on the field for us."

Cheektowaga In Command

Cheektowaga beat Dunkirk 44-26 last week to stay unbeaten and improve to 5-0.

“These kids are playing way beyond what I thought,” coach Mike Fatta said.

“We are a very young team. We have just 6 seniors on the team and I just did not expect to be in this position this year.”

The Warriors now have command of the B West Division and have a chance to clinch the title against Lew-Port this weekend.

“They have had their sights set on winning the division for a while,” Fatta said. “We set that goal early on.”

Fatta said that excitement is growing about the Warriors.

“Our players are excited that all the hard work they put in are showing some results,” he said. “Everyone is excited about the potential of our team. The atmosphere in school is starting to build and everyone is looking forward to the

playoffs.”

One player who has played a big role in the Warriors 5-0 start is junior Preston Summers.

“He never comes off the field,” Fatta said. “He has really played well this season.”

Summers has seen time at RB, slot back and also starts at CB on defense. He also plays on all the special teams units.

“He has been reliable and he’s been resilient,” Fatta said. “He takes pride in his blocking. He blocks as hard as he runs with the ball and has been a really great all-around player for us.”

Cheektowaga junior Preston Summers.

Summers (5-6, 130) does not have a lot of size.

“He’s small and quick but he’s very strong,” Fatta said.

Summers has scored 9 TDs this season and has intercepted 3 passes.

“He’s a great kid,” Fatta said. “He’s a leader in the games and in practice. He has a great attitude.”

Olean QB Leads Huskies

Olean kept their Class B playoff hopes alive when they beat Eden 28-14 last weekend.

Olean coach Mike Kane admits that a lot still has to happen for the Huskies.

"It's a complicated process," Kane said, "but we can still qualify for playoffs. We have 2 losses in the league and that puts us right in the thick of everything. We have to win our games, that's all we can control."

Kane says that his squad has improved since the start of the season.

"We are still a young team," he said. "We are gaining confidence and starting to play better defense. We actually ran the ball a little more

against Eden. We eliminated a lot of mistakes and had no turnovers. We are still improving and getting better every week."

QB Chance Anzivine had a big night in the win over Eden as he completed 14 of 25 passes for 201 yards and a TD.

"This was his best game of the sea-

son," Kane said. "We have some pretty good receivers and he is pretty good at reading matchups. He did well."

Anzivine also started on defense for the first time this season.

Photo by Tim Frank

Olean junior Chance Anzivine.

"We had an injury so we started Chance at outside linebacker," Kane said. "He does well on defense but we don't want to play him there all the time yet."

Anzivine (5-11, 185) has passed for 996 yards and 8 TDs this season.

"He's got a really strong arm and he's a really smart kid," Kane said. "He has worked out all off-season and he came in pretty strong."

Kane says that Anzivine has allowed Olean to open up their Spread Offense and stretch the defenses even more than in the past.

"He throws the deep ball," Kane said. "He can put some zip on it and he's very accurate. He's grown into being a leader and has really gotten better at reading defenses. He's had a good year."

Fredonia Back on Top

Fredonia won a huge game over Cleve Hill last week, 15-8, to jump right back into the race for the C North Division title. Three teams now have one loss each so the race may take a while to sort out.

“I think we are playing well right now,” Fredonia coach Bob Ball said. “We weren’t very good against Allegany or Wilson. We start 3 sophomores on each side of the ball so we were a little slow getting out of the gate this year.”

When the Hillbillies traveled to Wilson, several factors led to the loss. Starting RB Zach Buckley was injured during the game’s opening minutes.

“We also had a lot of stupid penalties,” Ball said. “We turned the ball over, we had 90 yards in penalties and lost our RB. Add that up and it usually means a loss.”

After the loss to Wilson Ball had a direct talk with his players.

“We had so many 15-yard penalties

after the play it was ridiculous,” he said. “Totally unnecessary stuff. So we told the kids that if you get a 15-yard penalty, just come to the sideline. We will have a sub already going in for you. You will miss

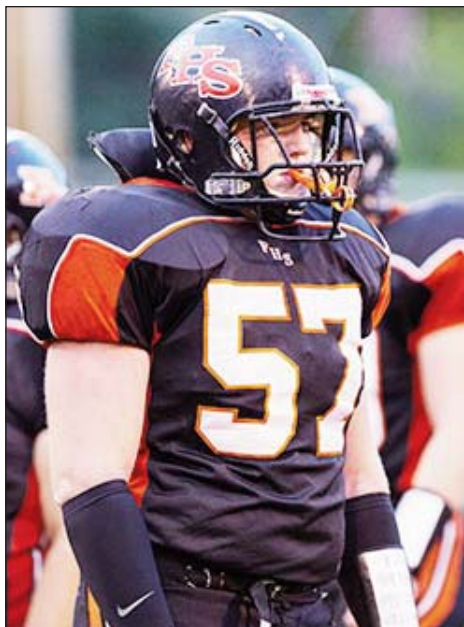

the series. If you say anything, you will miss the rest of the half. If you mouth off, you will miss the game. We haven’t had a 15-yard penalty since that loss at Wilson.”

One player who has played well and led Fredonia to the top of the standings is starting lineman Tory Grupa.

“He’s a tough leader and a complete football player,” Ball said.

Grupa started at C in 2011 and also plays RG and MLB this season.

Photo by Tim Frank

Fredonia senior Tory Grupa.

“He also plays hockey, so he’s a good athlete,” Ball said. “Even though he started last year, he has been getting better each week.”

Grupa is one of Fredonia’s hardest workers, according to Ball.

“He studies hard and works hard for everything he gets,” Ball said.

Trojans Schutte for Playoffs

Southwestern trailed just 14-13 in the third quarter but surrendered 3 TDs and lost to Allegany-Limestone 34-13 last weekend.

The loss means that the Trojans are in an unusual position... they have to beat Cassadaga Valley this weekend or they will miss the Class C playoffs.

"We have to win," coach Jay Sirianni said. "If we earn our way into the playoffs, we could pose some problems for teams in the first round. But we have to get there first. It comes down to our game with Cassadaga Valley."

To have Southwestern in such a situation is startling. The Trojans have played in three NYS championship games in the last four seasons. "We haven't been in this situation," Sirianni said, "but it's high school sports. Some years you're up and some you're down. We've suffered some losses and it's testing our character."

One player who has been a stalwart for the Trojans as they try to find their way is senior WR Ryan Schutte.

"He started last year as a junior," Sirianni said. "He had to step up this year as a leader."

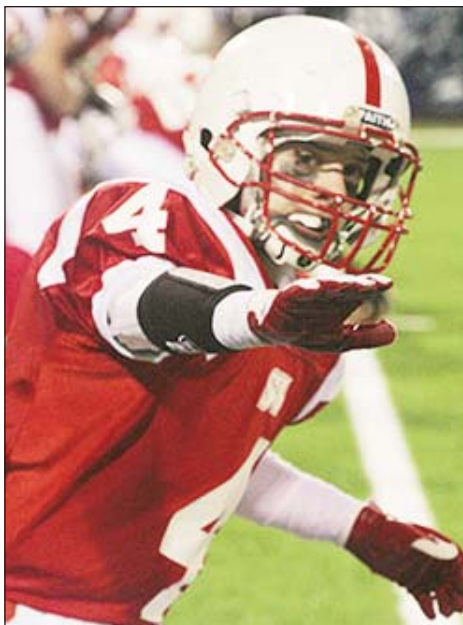

Photo by Mark Adair

Southwestern senior Ryan Schutte.

Schutte is among WNY's leaders with 18 receptions for 198 yards.

"He's not a big kid," Sirianni said. "He's small in size but he's quick and he understands the game very well."

Schutte had two older brothers who played for Sirianni. Matt Schutte graduated in 2007 while Trevor, a starting tackle for both NYS title teams, graduated in 2010.

"He's a good athlete just like his brothers were," Sirianni said. "He's

also on the golf team and he used to play hockey."

Schutte is an outstanding student and member of the National Honor Society.

"He's a smart kid," Sirianni said. "Our whole team is pretty smart. Hopefully that will help us a bit on Friday."

Chaut Lake trailed 6-0 at the half but scored twice after the break to beat Frewsburg 16-6 last weekend.

The Thunderbirds are now 4-1 and have their sights set on the second seed in the upcoming Class D playoffs.

"We are playing for a high seeding," coach Dan Greco said. "The kids are taking every game seriously."

Chautauqua Lake will host Randolph this weekend and have a chance to sew up the second spot behind league-leading Maple Grove.

"Randolph is playing their best football of the season right now," Greco said. "The kids know that it's a big game and they are preparing as best they can."

In Chautauqua Lake's win over Frewsburg, the Tunderbirds trailed 6-0 late in the third period.

Jeremiah Russin made the play of the game when he took a high punt snap and ran for a first down. The T-Birds

scored on the drive to take an 8-6 lead.

"Jeremiah is a very athletic kid," Greco said. "He does an awful lot for us."

Midway through the 4th quarter, Russin caught a 63-yard TD pass to put the game away.

"The pass was thrown short," Greco said, "and Jeremiah came back to get the ball. He caught it and outraced three guys to the end zone."

Russin, who plays point guard on the basketball team, play WR, QB and CB for the football team.

"He's also our punter and kicks off for us," Greco said. "He can do multiple things for us. We move him all over the place."

Russin became a leader over the off-

season, according to Greco.

"He got really involved in the weight room," Greco said. "He was at all of our off-season workouts. He plays within himself but if we need a few strong words he'll step up and say what needs to be said."

Panthers Fight for Playoffs

Franklinville won a defensive slugfest when they beat Falconer 7-6 last weekend. Falconer is from the C South Division.

"I don't know if we have ever beaten a C school since I've been here," Franklinville coach Mark Blecha said. "That was quite a win for the kids."

Franklinville is now 3-2 overall and is the thick of the Class DD playoff race.

"The kids are excited," Blecha said, "and the town is pretty excited."

Franklinville struggled for two dismal seasons before advancing to the Chuck Funke Bowl championship in 2011.

"We lost to Sherman but that

was a big step forward for us," Blecha said.

The Panthers have a winning record as the season heads into the final two weeks.

"We have some talent this year," Blecha said. "A lot of our kids have been on the varsity for three years. They went

through the lean years and now we have players with some experience."

Franklinville will play at Sherman this week in a crucial league game.

"We haven't mentioned anything about

our playoff situation," Blecha said. "We are just going out and trying to win every week. That's our only goal."

If Franklinville is going to make the playoffs, they will be relying heavily on junior QB Peter Kopp.

"This is his 3rd year as our starting QB," Blecha said. "He's a very athletic kid. He's hard-nosed, and tough."

Kopp also starts at defensive end.

"He started at free safety last year but we moved him

to defensive end," Blecha said. "He's a big hitter and loves to be physical."

Kopp has rushed for 290 yards and 3 TDs this season.

"He does a lot of things for us," Blecha said. "He's a very competitive kid. He's quiet kid but he wants to win."

O'Hara Gets First Win

Cardinal O'Hara earned its first win of the season when the Hawks beat Rochester UPrep 49-30 last weekend.

"Our kids needed a win," coach Angelo Sciandra said. "There has to be some sort of verifying that their hard work pays off."

Sciandra said that he has seen weekly improvement despite the first four games ended in a loss.

"We need to compete better so we can win in our league," Sciandra said. "We are one of the smallest schools in a very tough league. Our kids have played well. We have been losing but the kids have been improving and playing well."

Sciandra says that he will never look to make the Hawks schedule easier.

"People that think I'm nuts," he said. "They say we should be playing more schools our size. But I tell the kids that when you are out there competing in life, no one cares whether you came from a

large or a small school. When it comes to competing for a job, no one is going to adjust anything for you. If you want to be the best, you have to play the best and beat the best."

Cardinal O'Hara senior Anthony DiFrancesco.

QB Anthony DiFrancesco rushed 25 times for 214 yards and 3 TDs in the win over UPrep. He also led the defense with the team-high of 7 solo tackles and a QB sack.

"He's been carrying a big load this year," Sciandra said. "He had 31 carries against St. Mary's. He's work-horse and doesn't mind the work."

DiFrancesco, a 6-2, 170-pound senior, also starts at OLB for the Hawks.

"He has good size," Sciandra said.

"He's also fast and he's tough. He just runs hard."

DiFrancesco, who also plays basketball, maintains an academic average of 95.

He's Top 10 in his class," Sciandra said. "He's a great kid. We should have a hundred kids like him."

Training the Heart of a Champion from the Inside Out

The Heart of a Champion Character Playbook theme is

Path To Victory!

PRPOSE, ATTITUDE, TENACIOUS, HUMILITY

TRUST, OBEDIENCE

VALOR, INTEGRITY, COMPETE, TOGETHER, OVERCOME, RECOMMIT, YOUR BEST

CTF's vision is to develop the hearts of coaches and athletes to be men of character for others.

This week the **PATH TO VICTORY** takes us to the word **VALOR**, Valor is a trait demonstrates one's courage. It is defined as moral and physical courage to do what is right in the face of adversity!

Men of valor do not trash talk for two reasons they do justly, love mercy and walk humbly:

They cannot stand garbage and they are bold enough to take out the trash not swim in it. They **STAND ... TALL** and act boldly and courageously when they see injustice.

They do not look the other way but show up when the tough situations or teams arise on their schedule. They take complete responsibility for their actions while finishing what they start out. The Path to Victory is narrow and men of Valor are few and far between that is one of the reasons that there are few people on the **PATH TO VICTORY**

Act justly, love mercy and walk humbly! Be Complete by Believing, Thinking, Loving and Working with all your heart.

Alden senior Corey Barczykowski leads a punishing Running Attack

By Mark Adair

Alden pulled away from Depew in the 2nd half to win a matchup of undefeated, state-ranked teams, 34-13, last weekend.

"I thought it was a very close, physical ball game," Alden coach Dick Diminuco said. "I didn't think it would be three-touchdown difference at the end."

Depew took the lead 7-0 on a 5-yard TD run by Rodney Turner but Alden countered with TD runs by tailback Corey Barczykowski and QB Ken Stoldt. The Bulldogs led 14-7 at the half.

"At halftime, I thought that it could go either way," Diminuco said.

Alden struck quickly in the third quarter when Matt Shields returned an interception 36 yards for a TD.

"That was a huge play," Diminuco said.

"That gave us a little breathing room and really set them back."

After Depew pulled with 21-13, Barczykowski punched in two more TDs, including a 29-yard rumble in the fourth quarter to put the game away.

"Our kids did a great job and our offensive line really took over the second half," Diminuco said. "We played well and did all the things we want them to do. We still have things we have to get better at, no question about it, but we played well."

In one of the most-hyped regular-season games in a few years, Alden had entered the game ranked #2 in the NYS Class B poll while Depew was ranked fourth. A huge Homecoming crowd had packed the stands a large number of standees ringed the field at Alden.

"It was a great feeling to walk onto the field and have all those fans there," Barczykowski said. "That was a

York State title this year.

"Any good football coach sets the bar high," Diminuco said, "and tries to get your football team to reach the bar. Yes, we are going to try and get there."

And while Alden had a solid running game in 2011, the Bulldogs are much more punishing this season.

Barczykowski carried 29 times against Depew and rushed for 252 yards against the #4 team in the state.

"He gives 100 percent on every play," Diminuco said. "He's a physical kid. He's a North-South runner and he'll punish you when he runs the football."

In 2011, Barczykowski was a back-up to Justin

pretty big crowd."

The teams had met twice last season with Alden winning both games, including a 12-0 win in the Class B title game in Ralph Wilson Stadium.

Alden has now won two straight Section 6 titles. After two straight close losses to eventual state-champion Hornell in the Far West Regionals, the Bulldogs have their sights set on more this fall.

"We are trying to reach our expectations," Barczykowski said, "but, I said the same thing last year."

In 2011, the Bulldogs lost to Hornell 21-20 in overtime in the Far West regionals. It was the second straight season that Alden had lost a close game to Hornell.

"Losing to Hornell hurt a lot," Barczykowski said. "We should have beat them."

Diminuco does not deny that his team's goal is the win the New

Patterson, who had rushed for more than 1,000 yards in the season's first four games. After Patterson was injured, Barczykowski stepped in at tailback and ran for 842 yards and 7 TDs.

"Corey did a great job for us last year," Diminuco said. "He started on defense at cornerback and filled in at wide receiver. He played some tailback but when Justin was hurt, Corey stepped in full time and did a great job."

Barczykowski and Patterson were best friends - and two very different running backs.

"Justin could hit a home run every time he carried the ball," Diminuco said. "Corey gets into the secondary and runs over people."

And, in truth, Barczykowski has been bull for the 'Dawgs this season. He currently leads all rushers in WNY with 897 yards. He has also rushed for 13 TDs.

"He's also bigger than last year," Diminuco said. "He's put on about 15 pounds."

Barczykowski (6-2, 195) played at 175 pounds last year.

"He has above-average speed," Diminuco said. "And he's a true competitor."

Barczykowski, now a senior, says he didn't mind waiting his turn while Patterson started last season.

"Justin was a great runner," Barczykowski said. "I've learned a lot from him. He's still one of my best friends and he really helps me out. I didn't mind being behind him. It was for the team and when it was time to step up I had to step up."

When Diminuco started coaching at Alden three years ago, Barczykowski was a freshman on the Alden JV team.

"We knew what we had with him," Diminuco said. "You could tell he was going to be a very good athlete. He competed and you could see that someday he would blossom physically."

Diminuco is not sure if Barczykowski will play college football.

"He was an all-league baseball player," Diminuco said, "and he really loves baseball as well. He could play either sport in college but I don't know which one he'll want to play. I just want him to go and get an education."

In fact, Barczykowski's older brother Christian, is a pitcher in the Atlanta Braves organization.

"Christian is pitching for the Braves' Rookie League team in Orlando, Florida," Corey said. "He throws about 96 miles-per-hour. He's the reason I work so hard. I want to say I was better than him in high school."

While Barczykowski was only half-kidding about being better than his older brother, he is deadly serious about Alden winning a state title in football this fall.

"I think we have great team chemistry and great leaders," Barczykowski said. "Everyone seems to bond this year. We have great assistant coaches that really help us out with the schemes each week. If our team keeps our head to the grindstone, I think we can win games. It's all about our focus."

2012 FOCUS ON

Starpoint Runs Past NT

Starpoint opened up a 28-7 lead at the half and beat North Tonawanda 48-7 last week.

The win clinched a spot in the Class A playoffs for the Spartans. It is the second consecutive year that Starpoint will appear in the post-season tournament.

"Right now our kids are playing with a lot of confidence," Starpoint coach Al Cavagnaro said. "We've rushed for over 300 yards in each of the last two weeks."

After losses to Grand Island and Lockport dropped the Spartans to 1-2, Cavagnaro made some moves with his lineup.

He inserted Kevin Armstrong (6-1, 235) and Rion Elson (6-0, 260) into starting spots on the offensive line.

"They're big kids," Cavagnaro said. "I just felt we needed more size up front."

Starpoint won two straight A North games in convincing fashion. The Spartans rushed for 367 yards in a win over Niagara Wheatfield and rushed for 344 yards in the win over North Tonawanda.

"I don't know if I'm smart or stupid," Cavagnaro said, "but maybe those kids should have been there from the start."

In the win over North Tonawanda, Evan Majewski rushed for 164 yards and 4 TDs and did not play in the 4th quarter.

"Up until now, the running backs looked slow," Cavagnaro said. "It was like they weren't sure the holes were going to be there."

After the changes to the line, the running game has accelerated into high gear.

"Evan has confidence with these guys in front of him," Cavagnaro said, "he just knows the hole is going to be there."

Majewski, a junior, led the Spartans in rushing last season with 971 yards and 10 TDs.

"He's a complete running back," Cavagnaro said. "He's strong

enough to break tackles and quick enough to get outside. He has great instincts about when to cut and when to follow his blockers."

Majewski finished 4th in the 200-meter dash at the Section 6 meet.

"He's got speed," Cavagnaro said.

Majewski has an academic average in the high 80s, was voted a team captain before the season started.

"He very much leads by example," Cavagnaro said, "in the weight room and on the practice field. He doesn't take plays off and the other kids know

Utica Plays at Buff State

The Ithaca College football team jumped out to a 24-10 lead in the first half and used a balanced offensive attack (490 yards of total offense) in the second half to down visiting Utica College 40-22 in Empire 8 Conference action.

"A few costly mistakes early on put us in a hole that was difficult to fight out of. I've got to hand it to Ithaca for putting together a great game plan. They controlled the time of possession and that made it difficult for us to fight back," said UC Head Coach Blaise Faggiano, who won a national championship during his playing days at Ithaca

College. "Our guys proved once again that we never give up, and I am certainly proud of them for their effort. We will get right back to it tomorrow and Monday and start preparing for another tough one against Buffalo State next weekend."

Saturday's game marks the first meeting between Utica and Buffalo in the Pioneers' 13-year history.

This is just the fourth time in program-history that the Pioneers have played a school from the State University of New York (SUNY) system. This is Buff State's first season in the Empire 8 Conference.

Dad would say Keep Going

When Clarence lost to Frontier two weeks ago, the Red Devils also lost QB Mark Armstrong when he suffered a separated shoulder.

"He dropped back to pass and got hit from the blind side," Clarence coach Mark Layer said. "The Frontier player got him cleanly and he hit the ground and separated his right shoulder. It's mild, but he won't play football anymore."

Armstrong didn't initially know the extent of his injury.

"I got up and I thought I might have pinched something," Armstrong said. "But then I tried to move myself and I couldn't move my arm. I knew something was wrong."

Armstrong was having a good season when it ended so suddenly. He was among WNY's leaders in passing yards and TDs.

"Mark is a tremendous athlete and a tremendous leader," Layer said. "He was having a great season."

Layer had coached Armstrong for four straight seasons.

"Mark started for me on the JV team as a 9th grader and again as a 10th grader," Layer said. "He moved up to the varsity the same year I took over the varsity job. He started 28 games for me."

To have a QB follow a coach is unusual.

"We developed a unique working relationship," Layer said. "That was a pretty special thing. Mark and I know what we are trying to do offensively. It was a wonderful experience working with him."

Unfortunately, Armstrong is also a baseball pitcher. His fastball is consistently over 90 MPH. He had a scholarship offer on the table from the University of Pittsburgh.

Thankfully, Pittsburgh did not pull the scholarship offer when they heard about the injury.

"He met with the baseball staff and everything is still a go there," Layer said. "They encouraged him to play football and they are backing him 100 percent."

Layer has known Armstrong a lot longer than the senior has been playing football. Layer and his wife Michelle both teach at the Clarence Center Elementary

School. Armstrong's mother, Joanne, is a Teacher's Aide at the same school.

"I've known Mark since he was in elementary school," Layer said. "Our family had a longtime connection with Mark and his family. I was really looking forward for this year to be our culminating athletic season together."

Armstrong's father, Bob, was an active coach in many of the youth sports seasons in Clarence. He coached Little League baseball and Youth hockey.

"He's been my coach since I was 3 years old," Armstrong said. "He was a three-sport athlete and had injuries. He got hurt his senior year in football, too."

On January 28th of this year, Bob Armstrong started feeling pain in his chest.

"We were with him at the time," Mark said. "He had tight chest pains and we called the ambulance. We got to the hospital but he didn't make it."

The entire Clarence community was shocked when Bob Armstrong died at the age of 50.

"Mark's dad was very involved in sports in Clarence," Layer said. "He was a standout hockey player himself. He fully supported Mark in all his athletic endeavors, as much as any father could have."

Bob Armstrong was an All-American hockey player at Clarkston University and even got a tryout with the Toronto Maple Leafs.

"He was going through their training camp," Mark said, "but he got a really good job offer. He had already had a great hockey career so he took the job."

Mark's senior season was supposed to be a crowning achievement for Armstrong and his dad. But life has a way of changing your plans... whether it's an injury or a sudden heart attack.

"My dad preached work hard and to never quit," Mark said. "Never back down and never be intimidated. Work to the best of your ability no matter what and then you can lay your head down at night and be proud."

Layer does not doubt that Armstrong will pitch this spring for Clarence and then pitch in college.

"It's a heartbreaking thing," Layer said. "Mark's a great kid and has a great future in front of him. This injury is what it is and his job is to get ready for baseball. I know he'll take it and run with it."

Despite the heartbreak this year has given him, Armstrong says he will never quit and never back down.

"My dad would say, this is the way it happens," Mark said. "I'm going to keep going with what I learned and what he taught me. It's worked out pretty well so far."
