West Seneca East blew open a tight game and beat Will South 37-12 in the Class A semifinals last weekend. If the Trojans are going to win the title they will need a big night from WR Anthony Skretny.

## 11 Brotz Leads Alden 'D'

Alden beat Depew 28-21 in the Class B semifinals to advance to the championship game in Ralph Wilson Stadium. Alden has their own example of "heart and drive" in senior LB Domenic Brotz, who returned from a torn ACL.

## 12 Springville's Story

Springville extended its amazing comeback story with a 22-12 win over Cheektowaga last week. If Springville is going to claim the Class B title, they will need a big day from senior Ryan Cordova.

# Diminuco Honored for Playoff Win

Alden coach Dick Diminuco was named the Coach of the Week by the Buffalo Bills and the U.S. National Guard after his team beat Depew 21-14 in the Class B semifinals.

"I'm appreciative but it's a team award," Diminuco said. "Our program will gain some good things from this. I appreciate the Bills and the National Guard for doing this for the kids."

Diminuco says that, after 35 years of coaching, he is no longer flattered to receive such recognition.

"I could care less about the recognition," Diminuco said, "but the award goes to our football boosters and it's great for our program. It helps us get awards for the kids and it helps with the banquet. We send the kids to football camps in the summer. It does an awful lot of little things for the kids."

Christian Barczykowski rushed for 173 yards and 2 TDs to lead the Bulldogs past Depew. The senior has rushed for almost 1,700 yards this season.

QB Brian Stoldt completed 8 of 12 passes for 75 yards and a TD.

He also rushed for a touchdown.

Alden advanced to the Class B championship game at Ralph Wilson Stadium for the fourth straight year.

"I have been at Alden for four years and we have made four trips to the Ralph," Diminuco said. "That's a credit to our coaching staff. We have the same four guys on the varsity staff as when I started here. We have the same JV staff except for one coach. He got his position cut and he had to go get a second job and didn't have the time to coach this year."

Alden has also won the last two Class B titles and will try and win a third straight title when the Bulldogs play Springville on Saturday.

Offensive coordinator Tom Zaccardo, Line coach Rob Currin and Special Teams coordinator Joe Gawron have all been with Diminuco for the entire four seasons.

"It's incredibly important," Diminuco said. "Knowing each other, the vocabulary and being on the same page and knowing each other's tendencies makes it a lot easier. The chemistry we have is fantastic. Most of all, all those guys are terrific with the kids and that is most important to me."

Alden is 39-3 over the past four seasons, losing only to Cheektowaga in the Section 6 championship in 2009 and losing to Hornell twice in the Far West regionals.

Diminuco now has 240 career wins. He trails only Grand Island legend Gene Masters (248) and Canisius'

Johnny Barnes (289) on the WNY all-time wins list.

"I know for a fact that I won't catch Johnny Barnes," Diminuco said. "I don't plan on coaching that long."

Diminuco coached at Albion for 34 years and retired as coach and Athletic Director after the 2008 season. He landed a part-time job at Alden that included the coaching duties.

He still sees Albion once a season when the teams play.

"It's not fun to go and play Albion," he said. "I

have so many friends and former coaches that are still at Albion. It's uncomfortable and it's an awkward feeling. Albion's head coach, Tony Osburn played for me. A lot of the kids on that team had their father's play for me."

Diminuco played high school football for Monroe High School in Rochester.

He was named All-Greater Rochester as a QB and went on to play college football at Ottawa University in Kansas.

He has been inducted to the Section 5 Football Hall of Fame and the Ottawa University Hall of Fame.

Diminuco has won two Section 6 titles with Alden and several more with Albion. He also won "mythical" state championships in 1983 and 1987 when the top teams were voted on by the New York State Sportswriters Association.

## Canisius runs past St. Joe's

By Mark Adair

Canisius RB Qadree Ollison rushed for 344 yards and 4 TDs on 39 carries as the Crusaders beat their arch-rival St. Joe's 28-21 last weekend.

"We knew going in that Qadree was going to have to play a big role," coach Rich Robbins said, "but once we saw the weather we knew he would have to play an even bigger role."

St. Joe's led 14-7 at the half and the heavy rain throughout the day threatened to shut down any passing game. In fact, Canisius did not complete a pass all day.

Photo by Mark Adair

**Canisius RB Qadree Ollison rushed for a school record 344 yards in a 28-21 win over St. Joe's.**

In the second half, Ollison carried 21 times for 254 yards and 3 TDs. Ollison became the first Canisius player in history to rush for over 300 yards in a game. Ollison managed to continue gaining yards even as the Marauders stacked 8 and 9 players in the box.

"Qadree is the hardest-working kid on our team," Robbins said. "He worked out with us and also on his own with a private training staff to make sure his body was ready for the wear and tear of running the ball as much as he does."

Canisius finished the regular season with a 9-0 record, the Crusaders first undefeated regular season since 1976.

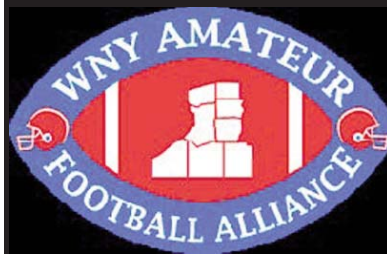

"It was so surreal after the game," Robbins said. "Qadree setting a record, undefeated for the first time in 35 years, all that set in later that evening. Being undefeated was one of our goals and we are still two more wins away."

In 1976, the Crusaders finished 7-0-1 in the midst of the school's 42-game unbeaten streak (1972-1977). That is still the longest streak in Western New York history and one of the longest in New York State history.

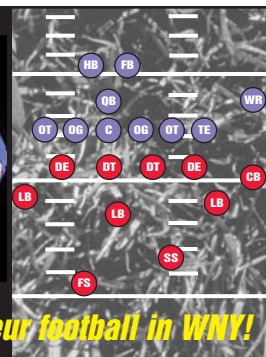

With this year's win over St. Joe's, the Crusaders secured the number-1 seed and a bye in the first round of the MMA playoffs. Canisius will play the winner of the first-round game between St. Francis and St. Mary's.

"You can't count either one of those teams out," Robbins said. "They are both well-coached teams."

With the victory, Canisius closed the gap with the Marauders in the all-time series. St. Joe's now leads the series 47-31-3.

# Panther Plays Like a Mann

By Mark Adair

Sweet Home beat Grand Island 13-0 in the Class A semifinals last weekend to advance to the title game at Ralph Wilson Stadium.

"Both these teams know each other well," Sweet Home coach John Faller said, "and both defenses played pretty tough. It was just that kind of game."

Most of the game was played in a driving rain storm. Khalil Humphrey scored a TD in the first quarter to give the Panthers a 7-0 lead. The margin held up until Brandon Smiley returned an interception for a TD late in the fourth quarter to secure the win.

Sweet Home will now play West Seneca East at Ralph Wilson Stadium for the Class A championship.

The Panthers have played at 'The Ralph' for 8 straight seasons and have won the last five consecutive championships.

If Sweet Home is going to win their sixth straight Class A title, they will be relying on senior Carter Mann, a starter at both WR and DB.

"Carter has a good knowledge of the game," Faller said. "He's very smart and dependable. We look for him on 3rd down a lot."

Faller said that Mann is more of a possession-receiver than a deep threat.

"He knows his routes and knows where he has to go to get the first down," he said.

"He has good hands. He's very reliable when he's catching the ball. Most of all, he knows how to get open."

Mann joined the Sweet Home program when he was in the 8th grade.

"He's been playing with us since modified football," Faller said. "He worked his way into things and was our best receiver on the JV team his sophomore year. Last year he got into some situations and got experience. All that experience helped make him the player he is today."

Mann (5-11, 160) also directs the defensive secondary from his defensive back position.

"He helps coach the secondary on defense," Faller said. "He makes sure we have guys lined up in the right formation. He calls out the formations and the techniques that we are going to use. He is a very astute student of the game and he knows what's going on."

Mann is a top student with an academic average of 97 and a 3.8 GPA. He is in the National Honor Society and the French Honor Society. He also plays basketball and lacrosse... all while taking a schedule with 3 AP Classes.

Mann says that he is still a bit overwhelmed that he is going to start at Ralph Wilson Stadium this week.

"Sweet Home has gone to the Ralph all while I was

growing up," Mann said. "A lot of people think it's easy to get there. It's not easy. There are a lot of other people trying to stop you. When you finally do get back, it's unreal."

Mann understands that virtually everyone will be rooting against his team.

"People are looking for the better story," he said. "They all think, 'they can't possibly do it again' but we want to prove people wrong."

Many people did not think that Mann would be able to play football this season.

During his junior season of football, he unknowingly fractured part of his spine.

"I played all season with it," he said. "My back would hurt all through basketball season too but I thought it was just soreness."

During his lacrosse season this past spring, Mann finally suffered a season-ending injury to his Lumbar #5.

"I was bending in one direction and got hit from another direction," he said. "It finally snapped on me. Luckily it was a clean break through and it

healed pretty quickly. I had to wear a back brace and missed the whole lacrosse season."

Sitting on the sidelines was not easy for a 3-sport athlete.

"I hated it," he said. "It was a tough season for us. I felt if I had been on the field, I could have helped. I felt like I let a lot of the seniors down."

Mann did say that he was determined to get back to play football for his senior season.

"My whole goal is to make sure I can finish all 3 of my sports for my senior year," he said. "I probably won't be able to play anything in college. But I really needed to play my senior year. The younger players don't understand that but, as a senior, you know that the end is right there in front of you. I love the sport and I love the school but it could be over at any time."

# Wilson powers Quakers

Orchard Park battled heavy rains and sloppy mud to beat Lockport 33-16 in the Class AA semifinals last weekend.

Senior RB Mitch Wilson barely noticed the conditions as he powered his way for 248 yards and 3

TDs on 27 carries. "Mitch has had a great year," coach Gene Tundo said. "He has been our go-to guy all year. When we have to move the ball he's the guy we give it to."

Wilson has now rushed for 1,236 yards and 19 TDs despite missing one full game to injury.

"He showed today what kind of player he is," Tundo said. "To run for 250 yards in those conditions in a game of that magnitude, he's done a pretty good job."

Tundo also coaches Wilson in lacrosse and says that the senior is also one of the top lacrosse players in Western New York.

"He's a midfielder and a faceoff specialist," Tundo said. "He wins 80 percent of his faceoffs. He's very talented. He's played with the varsity for three years and

he was offered a lacrosse scholarship at the end of his sophomore year."

Wilson will play lacrosse at the Virginia Military Institute after graduating from Orchard Park.

Orchard Park senior Mitch Wilson.

Photo by Mark Adair

"He's one of the top faceoff guys in the state," Tundo said. "VMI is getting a great lacrosse player. I'm sure he could play football at VMI if he wanted to."

Wilson (5-9, 195) has caught just one pass this season - which he took 78 yards for a TD.

"He has great balance and runs low to the ground," Tundo said. "He's strong and he runs hard. He has balance and power and he cuts well."

Wilson started for the Quakers as they won the NYS title in 2011.

"He had some big runs in the state game," Tundo said. "He has great vision which is his biggest asset on the field."

Wilson also maintains an academic average in the high 80s.

"He's a great kid," Tundo said. "He's very well mannered and respectful."

# Sisson leads Red Raiders

Jamestown broke away from a 14-14 lead at the half and beat Frontier 42-14 to advance to the Class AA finals for the 2nd straight year.

"It was a close game," coach Tom Langworthy said. "Both teams played hard."

Jamestown led 28-14 but Frontier had the ball deep in Raider territory.

On 4th-and-9 Michael Watson intercepted a pass and returned it 97 yards for a TD.

"That really put us in a good position," Langworthy said. "It was a great play."

Langworthy says that his team has accomplished two of the three goals the players set last December.

"We wanted to go undefeated at home and we wanted to get back to Ralph Wilson Stadium," he said. "Both of those goals are achieved. Our third goal was to win the Section 6 championship. We are still working on that."

If Jamestown is going to beat Orchard Park for the Class AA title, they will need

to get a big game out of QB Jake Sisson.

"He's a very talented young man," Langworthy said. "He's a dual threat. He has great mechanics and can throw the ball. He can also run and he's not afraid to get hit."

Sisson lived in the Jamestown area until the family moved to Arkansas.

"He was at Southwestern at the time," Langworthy said. "They left before he started the 8th grade."

Earlier this year, Sisson's father landed a job back in Jamestown and moved the family back to WNY.

"We were delighted to have him come back," he said. "A lot of the kids already knew him."

Sisson, a junior,

has passed for 1,430 yards and 15 TDs this season.

"A lot of the kids started respecting his talent and work ethic right away," Langworthy said. "He's very focused and a great leader. He's exactly the type of player we are looking for."

# Huebert Leads Panthers 'D'

Sweet Home beat Grand Island 13-0 in the semifinals and will play in Ralph Wilson Stadium for the 8th straight year.

"Our goal is to win and get to this point every year," coach John Faller said.

"That's the reason we're playing."

The Panthers have won 5 straight Class A titles.

"We are thrilled to be back," Faller said. "It shows the strength of our program. It tells you about the kind of kids we have in the program."

The Panthers had trouble moving the ball but won a defensive battle with Grand Island.

"The weather had a lot to do with it," Faller said.

"Both teams had trouble throwing the ball. It was that kind of game. Both

these teams know each other well and both defenses played pretty tough."

While this was the first shut out of the season, the Panthers defense has played well all year. Only McKinley scored 20 points against Sweet Home.

"We have three sophomores starting on

defense," Faller said, "and they have all stepped up and played well."

If Sweet Home is going to win a 6th straight title, they will need a big game from senior LB Shawn Huebert.

"He's been one of our leading tacklers in every game and he has 4 interceptions this year," Faller said.

Huebert started at DE in 2011.

"We graduated 3 senior linebackers last year and we needed someone to step in there," Faller said. "We just had to coach him on his responsibilities. We knew that if we worked with him he would get it."

Huebert (5-11, 205) can also move around on defense.

He can do different things in different formations,"

Sweet Home senior Shawn Huebert (#8).

Faller said, "but we like him in the middle most of the time."

Huebert has been in the Sweet Home program since modified football."

"He has above average strength and speed," Faller said. "He's a solidly built kid and a good tackler."

# East WR is Top Ten Student

West Seneca East blew open a tight game and beat Williamsville South 37-12 in the Class A semifinals last weekend. The Trojans led just 6-0 at the half and 12-6 after three quarters.

"The game was a lot closer than the score," coach Jim Maurino said. "When the game was on the line we had guys step up and make plays."

With West Seneca East leading 20-6, the Billies had the ball deep in Trojan territory and were threatening to score.

With less than 2:00 to play, OLB Mike Waterman returned an interception 94 yards for a TD. The return set a new school record and gave East breathing room.

But Waterman only held his record for about 90 seconds.

Williamsville South drove back into Trojan territory and with :36 left Andy Smigiera returned an interception 99 yards for another TD.

"I told Mike that he holds the record for the shortest amount of time for holding a record," Maurino said.

West Seneca East will now play Sweet Home for the Class A title at 8 pm Friday.

If the Trojans are going to upset Sweet Home, they will need a big night from WR Anthony Skretny.

"He's a big kid and a super-hard worker," Maurino said. "He's a great practice player and comes to work every day."

Skretny (6-2, 185) also plays DE for the Trojans.

"He's a quiet and intense player," Maurino said. "He's a very physical blocker."

Skretny has an academic average in the high 90s and

is ranked #10th in his class academically. He is a member of the NHS.

"He's the first player that I have had in the Top Ten," Maurino said. "He's been on some academic visits to UB and Penn State. He won't have any trouble getting into any school."

# Brotz Gives Bulldogs Bite

Alden beat Depew 28-21 in the Class B semifinals to advance to the championship game in Ralph Wilson Stadium.

"It was a very good game," Alden coach Dick Diminuco said. "Depew played us tough. It was a very physical game."

Alden led 28-21 in the 4th quarter. Depew was driving for the tying score but Alex Darrow intercepted a pass to end the threat.

Alden has now won 29 straight games against WNY opponents. The Bulldogs will try to earn their third straight Class B title when they play Springville at 4:00 pm Saturday.

"They've been on a hot streak," Diminuco said. "They are making all the right plays right now."

Springville started 0-4 but have won five straight games to advance to the title game.

"That just shows the kind of heart and drive they have," Diminuco said.

Alden has their own example of "heart

and drive" in senior LB Domenic Brotz.

"He was the heart and soul of our defense and one of our leading tackler last year," Diminuco said.

Brotz suffered a torn ACL during

Alden's scrimmage in August.

"It was just one week before the season," Diminuco said. "We thought he was going to miss the entire year. It was a complete ACL tear."

Brotz and his parents opted to try rehab instead of season-ending surgery.

"He missed the first four games," Diminuco said.

"The doctor cleared him to come back for the first game against Depew. The kids rallied around him and he played great that night."

### Alden senior Domenic Brotz.

Brotz (6-0, 205) has been one of Alden's leading tacklers the past 2 games.

"He has a nose for the ball," Diminuco said. "He's a competitor. He may have lost a step because of the big brace he wears but he hasn't shown one sign of not being the player he was before he got hurt."

# Springville Extends Story

Springville extended its amazing comeback story by beating Cheektowaga 22-14 in the Class B semifinals last week.

The Griffins were written off after starting 0-4 this season but rebounded to win their last 5 games to advance to the title game.

"The mission is not over yet," coach John Sopko said. "We had a little celebration after the game. We shook hands and saluted our fans. We were back to work on Saturday morning."

The teams were tied 14-14 when Springville QB Billy Dickenson ran 16 yards for the game-winning TD.

Springville last played in Ralph Wilson Stadium in 1997.

"This has taken a tremendous amount of commitment from our kids," Sopko said. "To get back to this stage the kids really had to buy in to our program."

If Springville is going to take one final step and claim the Class B championship, they will need a big day from senior Ryan

Cordova, who starts at NT and also plays ILB.

"We use him at multiple positions on defense," Sopko said. "He plays Inside LB and we also put his hand down and

have him play defensive tackle or nose guard."

Cordova has the skill to play LB, which makes him an asset on the line.

"He can be a tremendous second-level player at the first level," Sopko said. "He brings the LB skills into a NT and that can be a lot to deal with."

Cordova also starts at TE for the Griffins.

"He could play offensive line," Sopko said, "but he really helps us at tight end. He gives us a tackle who can

catch at the tight end spot.

Cordova (6-2, 220) is not a fiery player.

"He's quiet and just goes about his business," Sopko said. "He works hard. He's just a lunch-bucket guy. You need guys like him when you are trying to build a program."

Cleve Hill beat Wilson 42-7 in the Class C semifinals last week. Brandon Thomas rushed for 120 yards and 4 TDs on 25 carries to power the offense. Thomas has rushed for 1,030 yards and 21 TDs this season. Cleve Hill will now play Fredonia for the Class C title. at 1:00 pm Saturday at RWS.

Cleve Hill fell behind 7-0 early but roared back to beat Wilson 42-7 in the Class C semifinals last weekend.

"Our guys came out and played well," coach Glen Graham said. "Come playoff time, you want to be playing your best football and that was our best game by far."

On the game's opening possession, Wilson drove 70 yards for the initial score.

"They ran the ball," Graham said, "and we missed all kinds of tackles. We told everyone that they had to play sound, fundamental football."

Brandon

Thomas rushed for 120 yards and 4 TDs on 25 carries to power the ground attack.

"Our offensive line has been rounding into shape," Graham said. "Our running game was solid and we even broke a few long runs, too."

Cleve Hill will now play Fredonia in the Class C championship game at 1:00 on Saturday at Ralph Wilson Stadium.

"Fredonia is a really good football team," Graham said. "The whole year has had several teams close to each other. Everyone is capable of beating everyone else but Fredonia has really stepped it up in the second half."

If the Golden Eagles are going to get past Fredonia, they will need a big night from WR-DB Jared Watkins.

"He's not big at all," Graham said, but he is very athletic and surprisingly physical for a player his size."

Watkins (6-0, 148) had his 8th interception of the season in the win over Wilson.

"He likes contact," Graham said. "He knows how to go after the ball on offense and defense."

Watkins has also

caught 24 passes for 382 yards this year.

"He is fast and has a real sense of where the football is and how to go and get it," Graham said. "He's a hard-working individual. He will be a 4-year starter on the basketball team. He could dunk a basketball coming out of 8th grade."

# Hillbillies Shut Out JFK

Fredonia battled heavy rain and a muddy field and beat JFK 21-0 in the Class C semifinals last weekend.

"The weather was pretty bad the entire game," coach Bob Ball said. "The field wasn't torn up in the first quarter but by the 2nd half it got tougher for both offenses to move the ball."

The Hillbillies scored twice in the 2nd quarter.

QB Weston Ley hit Jude Gardner with a short screen pass and the WR turned it into a 48-yard TD.

"Jude picked up a couple blocks," Ball said, "and then made a couple of people miss."

Later in the quarter, Zach Buckley hit John Piper with a half-back-option pass to the JFK 8-yard line. On the next play, Buckley ran into the end zone for a 14-0 lead at the half.

"I was concerned with the conditions," Ball said, "but our kids rose to the occasion. I was pleased with how they reacted."

The Hillbillies will now play Cleve Hill

for the Class C championship at 1:00 Saturday at Ralph Wilson Stadium.

Fredonia beat Cleve Hill 15-8 earlier this season. Fredonia has beaten Cleve Hill three times in the past two years.

"Cleve Hill has good team speed and tough kids," Ball said. "They want to get into the open field. They are very similar to us."

If Fredonia is going to win the Class C title, they will need a big day from OLB Cody Smith, who made 14 tackles in the win.

"He also had a sack," Ball said, "and threw a key block on the WR screen that went for a touchdown."

Smith is one of Fredonia's more physical players.

"He's a strong

kid," Ball said. "He's physical and likes contact. He just loves to hit someone."

Smith also returns punts and kicks and has seen some action at RB.

"He has some moves in the open field," Ball said, "but mostly he just likes to run over people."

# Randolph Runs into Ralph

Randolph beat Silver Creek 35-14 last weekend and advanced to the Class D championship.

"The kids did all right," Randolph coach Pat Slater said. "We played a pretty physical game."

Randolph scored late in the first half to take a 21-7 lead. The Cardinals scored again on their first possession of the 3rd quarter.

"That took the wind out of their sails," Slater said. "We really took control after that."

Some WNY fans dismissed Randolph after the Cardinals started the season 1-2.

But Slater turned the season around and guided his team to 6 straight wins and a familiar spot in the Class D title game.

"We had started 0-2 before," Slater said. "We just needed some confidence and we needed to make some small changes and get things corrected."

Randolph will now play Maple Grove at Ralph Wilson Stadium for the Class D

championship at 6 pm on Friday.

In Week 2, Maple Grove beat the Cardinals 27-14. Randolph had trailed 27-0 at the half.

"We've gotten better since that game,"

Slater said, "but Maple Grove is better too."

If Randolph is going to win the Class D title, they will need a big night from senior RB Jordan Dowiasz.

"He's fast," Slater said. "He worked out a lot all last year. He's in the weight room all the time. He made himself a strong player."

Dowiasz (5-10, 165) has become a better RB this year.

"He has developed into a running back and he's not just a runner anymore," Slater said.

"He can find holes and make cuts instead of just trying to out run everybody."

Dowiasz has rushed for 1,075 yards and 24 TDs this season.

"He's one of our senior leaders," Slater said. "He can step up and get the other kids fired up."

# Maple Grove Back at RWS

Maple Grove beat Portville 36-15 in the Class D semifinals last weekend. "We pulled away in the 2nd half," coach Curt Fischer said. "We had opportunities to score in the first half but penalties and turnovers hurt us."

Oliver Simpson rushed 30 times for 231 yards and 4 TDs to lead the ground attack. Simpson scored on runs of 38, 25, 1 and 19 yards.

The Dragons will now play for the Class D title at 6 pm Friday at Ralph Wilson Stadium against Randolph. This is the 16th times in the last 20 years that Maple Grove will play in RWS.

"That's actually hard to believe," Fischer said, "but we are definitely proud of the fact the we have done fairly well over the years. I think it shows the stability of our program."

Randolph started the season 1-2 but has won 6 straight games.

"Randolph has gotten better every week," Fischer said. "They are a fairly

young team and they eliminated a lot of problems from their first two games. Randolph has become a great football team and it should be a great game."

If Maple Grove is going to win the Class

D title, they will need a solid game from senior Aaron Germaine, a first-year starter at QB.

"He started at WR and DB last year," Fischer said. "He missed a few games with a broken arm."

Germaine has waited to play QB at Maple Grove for a few seasons now.

"He's a great athlete," Fischer said. "Aaron waited his turn and now he's doing a great job for us."

the team. He has also rushed for 6 TDs.

"We are different style team than we have been in the past," Fischer said. "We run the ball much more than we have."

Germaine is a big part of the offense.

"Aaron is a great running QB," Fischer said. "He's fast and very shifty."

# Eagles Ready for Clymer

Ellicottville had the week off as the Eagles prepared to take on Clymer in the Class DD championship at 10 am Saturday at Ralph Wilson Stadium.

"We spent two complete days watching film," coach Tim Bergan said. "We put the offensive game plans on Wednesday. I told the kids to take Thursday, Friday, Saturday and Sunday away from football."

Bergan said he was worried about being too intense before the Eagles actually get to play a game.

"We didn't want to burn them out before the game," Bergan said. "It was a long, hard season. We had to work very hard to get where we are now. I just wanted them to take a few days off. They could catch up on school work if they needed to."

Bergan said the Eagles returned Monday refreshed and ready to play the biggest game of the season.

"We came back to work on Monday,"

he said, "and this week was strictly football and nothing else."

Ellicottville will get a second chance at Clymer. The Eagles lost 20-14 in OT to Clymer earlier this season after leading

14-0 in the 4th quarter.

"Clymer tied the game with 13 seconds left," Bergan said. "We think we should have won that game."

Ellicottville's Phalla Musall has emerged this season to lead the Eagles' rushing attack.

Musall (5-3, 145) has rushed for 1,184 yards and 12 TDs.

"He's tiny," Bergan said, "but he's has really come on as a runner this year."

Eagles in 2011.

"He's a tremendous tackler," Bergan said. "We put him at middle safety."

# St. Mary's Hosts Playoff

St. Mary's had the week off to prepare for the Msrgr. Martin Playoffs. This weekend, the Lancers will host St. Francis in a first round game.

St. Mary's beat St. Francis 33-7 earlier this season... the first win over St. Francis since 1998.

"But St. Francis is a much better team at this point," St. Mary's coach Dave Hersey said. "I can guarantee you that St. Francis will be ready to go."

The Red Raiders have won two straight games, including a 28-6 win over Bishop Timon last week.

"St. Francis didn't look like a 1-7 team," Hersey said. "That's really a true testament to coach Jerry Smith and his program."

The Lancers finished the regular season with a 5-2 record.

"We had a pretty tough schedule this year," Hersey said. "We had two games against schools our size and other than that we played all bigger schools. Our kids seemed to handle it pretty well. After

seven weeks of playing at such a high level, we had one bad quarter of football."

After losing to St. Joe's in their season finale, Hersey pointed his focus to the Msrgr. Martin playoffs.

Photo by Mark Adair

### St. Mary's senior Rob Desiderio.

"We got 4 or 5 good days of work in," he said. "It was a good week to heal up and get ready."

If the Lancers are going to advance in the MMA playoffs, they will need to get a big day from senior Rob Desiderio

"He gets overlooked because of his size," Hersey said, "but he's a hard-working kid who has a great mental attitude."

Desiderio (5-9, 200) starts at both C and LB for the Lancers.

"He's already won a Pit Bull Award from the Trench Trophy Committee," Hersey said. "He had 24 tackles in the game against O'Hara. He's relentless in his pursuit to win. He wants success for his team and he will do anything to get the win."

*CTF's vision is to develop the hearts of coaches and athletes to be men of character for others.*

This week the **PATH TO VICTORY** takes us to the word **Together**: The condition unity or oneness that brings peace. The **OUTCOME** is being **ONE!**

The acronym of T.E.A.M. is so true... **T**ogether **E**.very-one **A**.chieves **M**.ore. You will never reach potential going it alone. John Wooden put it this way 10 hands are needed to score a basket. I do not know if that is true but it take 22 feet to stay onside to score a touchdown.

The act being ONE means that you are willing to sacrifice for the benefit of others. That is what loving your

teammate deeply from the Heart is all about. It is understanding that Love is not rude, arrogant or envious but thinks peace, honor, connected and unity. It demonstrates a respect for all those on the team.

# One Tough Mudder

*Holmes battles a treacherous field to lead OP back to The Ralph*

By Mark Adair

Orchard Park rallied from a 10-point deficit at the half to beat Lockport 33-16 in the Class AA semifinals last weekend.

As they headed to the locker room, the Quakers found themselves down 16-6 at the half.

"Everybody realized the situation," Orchard Park coach Gene Tundo said. "A couple of seniors stepped up and talked. We had half of a game left. If things didn't change we weren't going to be playing anymore."

Orchard Park would start the second half with the ball and Tundo felt that his team needed to make a quick statement.

"We needed to score the first time we had the ball," Tundo said. "I felt that we had to have a score right away."

On the Quakers first possession, QB Ben Holmes ran 77 yards through the mud and pulled the Quakers within 3 points at 16-13.

"That was a huge play," Tundo said. "The footing was terrible and to get a score that quick really gave us a spark."

But, moving the ball would not be easy as the field disintegrated into a mud bowl. Footing was treacherous and the steady rain made the field even worse.

"I was worried all week when they said the rain was coming," Tundo said. "We play on turf and this was going to be something totally different than anything we had experienced before. I was at the Lockport game the week before and their field was chewed up. I thought it was going to be 10 times worse... and it was."

The steady, hard rain and 42-degree temperatures meant throwing the ball would also be difficult.

"It was tough to throw," Tundo said. "It wasn't going to

happen by us throwing the football."

But the Quakers line found enough footing in the second half to get the running game going.

Senior RB Mitch Wilson finished the day with 250 yards on 27 carries while Holmes ran for 150 yards on 12 carries.

"Both of them had big gainers early in the third quarter when we needed it most," Tundo said. "They had some nice holes to run through. Our line did a great job blocking."

With Lockport leading 19-16 in the fourth quarter, Holmes directed a long drive and scored from the 1-yard line to give OP a 26-16 lead.

"It definitely wasn't easy to score points," Holmes said. "Going from the turf to that slop was difficult. It was probably the most fun game I had ever played in because of the mud but it was definitely not easy."

In the second half, the senior QB made several key runs on third down and stayed in the game despite taking a shot on his left elbow that left his arm completely numb.

"I took a helmet on my elbow," Holmes said. "With that cold, it went numb right away. I had no feeling in my left arm. I was taking snaps with one hand."

Tundo says he thought about replacing Holmes but decided against it.

"Ben was having a real tough time," Tundo said. "I told our coaches to get a jacket on him and warm him up. He did a great job just to finish the game."

In 2011, Holmes started at WR for the Quakers and had a solid season in helping Orchard Park win the

school's second state title.

"He's very dangerous with the ball in his hands," Tundo said. "He's very fast and very quick. Ben is one of the two fastest guys on our team and he can make you miss. He's just a good athlete."

Holmes, who also plays center field for the OP baseball team, played a key role as Orchard Park rallied to beat Rush-Henrietta in the Far West regionals in 2011.

"His over-the-shoulder catch was a one-handed catch," Tundo said. "It was one of the best catches I have ever seen. He also punts. If he plays football in college, he'll fill out some and he'll be real dangerous."

Shortly after winning the State title, Tundo decided to move Holmes back to QB for the 2012 season.

"He can throw the ball a mile," Tundo said. "He has a very strong arm and he can run so he gave us another weapon back there."

Besides, it's not like the coach had much of a choice.

"He played QB in his younger years," Tundo said, "and he was our back-up QB last year. Coming into this season, we didn't have anyone else. We didn't have anyone that could throw the football. Ben was it."

Holmes can do anything athletic, according to Tundo.

"He played basketball up until two years ago," he said. "Ben can hit three-point shots with his eyes closed. If he practiced lacrosse he could be one of our top players in a month. He can really do anything at all in sports."

Tundo also says that Holmes is far more than just an athlete, however.

Recently, the coach went to visit a family member at Mercy Hospital in South Buffalo.

"While I was there, one of the nurses came in and told me she had just seen my quarterback," Tundo said. "I got worried. What's my quarterback doing in the hospital? Turns out, he donates blood to a little boy that has leukemia. Ben does a lot of those kind of things and they mean a lot more than anything on the field."

Orchard Park will now play Jamestown for the AA title at 7 pm Saturday in Ralph Wilson Stadium. The Quakers will be playing at The Ralph for the 11th time in 12 years.

"That's something to be proud of," Tundo said. "People do not know how hard it is to get there once. They have no idea how hard our kids work to get there every year. It's a great opportunity and it's an honor to be coaching this team."

Holmes says it is just another step towards winning another New York State championship.

"That's the only goal we have," Holmes said. "It's all we ever talk about. We have to take it game by game but the only thing we want is to repeat as state champs."

Tundo says that he was not sure how this team would respond to all the expectations that come with playing for Orchard Park.

"We graduated 8 of 11 offensive starters and 9 of 11 defensive starters," Tundo said. "We had a whole new team. This year we got a tremendous effort by everybody."

FOCUS ON

## Fischer Survives Stroke

Maple Grove coach Curt Fischer is thankful to be on the sidelines for the Red Dragons championship game against Randolph this weekend.

"It's really incredible," Fischer said. "There were days that I didn't know if I would be here or not this season."

On a Saturday evening, three weeks before the season started in August, Fischer felt different.

"I just started to feel kind of strange," he said. "I was kind of confused. I didn't think it was anything to really worry about so I went to bed. That was the worst thing I did."

Fischer realized something was seriously wrong when he woke up in the next morning.

"I had nothing on my left side," he said. "I mean nothing. I couldn't feel my leg or my arm. My face was drooping."

Fischer's wife, Lori, immediately knew something was wrong.

"She saw my face drooping," Fischer said. "She called the rescue squad and they got here within minutes and rushed me to the WCA Hospital in Jamestown."

Fischer began to panic as he was carried out of his house on a stretcher.

"I just looked at my kids," Fischer said, "and they were watching me. Just the look in their eyes. I kept thinking, 'How bad is this?'"

When he arrived at the hospital in Jamestown, doctors told Fischer he

was having a stroke.

"They got me aboard the Starflight and flew me to Millard at Gates Circle in Buffalo. They started injecting me with some stuff."

The injections prevented Fischer's blood from clotting any further - and may have saved Fischer from a medical disaster.

**Maple Grove coach Curt Fischer suffered a small stroke before the season started.**

Fischer says he now understands just how helpless a player can feel when he's injured.

"It's an empty feeling," he said. "It's embarrassing in some ways. I felt weak, like I was letting everyone down."

But, his thoughts of weakness gradually changed.

"I realize how lucky I was," he said.

"This happens to a lot of people. Thank God it wasn't as serious as it could have been. The emergency crew and the doctors were all phenomenal. They prevented something really bad from happening to me."

"They prevented me from going into a full stroke," he said. "It ended up being a TIA - or a small stroke. I was there about 48 hours."

The TIA was a loud wake-up call to Fischer.

"I had to change some things," he said. "I take aspirin now. I exercise but I have to do even more. The biggest change is to stop taking things so hard and stop letting things bother me that I couldn't control."

## College Football

# Hogan stars at Brockport

Three major individual school records were broken on Saturday afternoon as The College at Brockport Football team dominated Western Connecticut, taking the New Jersey Athletic Conference (NJAC) matchup 42-7. The Golden Eagles improve to 5-3 overall and 3-3 in the conference. Andrew Mrozek set the school record for receiving yards in a game.

Hauling in just seven receptions on the day, Mrozek erupted for 252 yards for an average of 36 yards per catch. The sophomore shattered the old school record of 188 yards set in 2009 by Matt Newman. Joe Scibilia set two individual records on the day as well.

The senior signal-caller broke the school record for passing yards in a game with 444 and total offense with 466 total yards. The previous records were set by former QB Jake Graci who had 442 passing yards in 2009 against Montclair St.

Jordan Hogan is also playing well for Brockport.

Hogan has caught 17 passes for 224 ards and 1 TD.

Hogan started all 10 games for Brockport at wide receiver in 2010 and was named to the 2nd Team All-NJAC squad. He

led the team in receiving yards (685), receiving TDs (5), yards per game (68.5), yards per catch (14.6), and tied for first in receptions (47).
