# Currin Honored for Alden Win

Alden head coach Rob Currin has been named the Buffalo Bills / NY National Guard Coach of the Week after his Bulldogs beat Depew 28-7 last week.

"It was a classic Alden-Depew game," Currin said. "It was a big win. This is a win we had to have."

Alden opened the scoring and took a 6-0 lead when Brian Stoldt hit Dylan Dussault with a 5-yard TD pass in the first quarter.

After receiving the ensuing kickoff, Depew struck back in a hurry. The Wildcats took just 2 plays and scored on a 44-yard TD pass to take a 7-6 lead.

"The last two weeks, we've had a lot of back-and-forth," Currin said. "So when Depew scored that quickly, nobody panicked."

Ryan Richards gave Alden its' lead back when he ran 21 yards for a TD. Lyle Grant ran in 2-point PAT and Alden led 14-7.

Late in the 2nd quarter, Alden scored again when they drove 85 yards for a TD. Grant rushed in from 5 yards out and Alden led 21-7 at the half.

"That was a great drive," Currin said. "One nice thing that came out of last two games

is that we had to make last-minutes drives to get the win. It really gave us some work and experience under the gun and it showed against Depew."

Richards finished 68 yards on 17 carries and a TD while Grant ran 21 times for 130 yards and 2 TDs. Currin is pleased with his TB tandem.

"That's a nice 1-2 punch we have in the backfield," he said. "Thirty-eight carries for one back would have been a heck of a workload. It's nice to get fresh legs in there."

Alden used long, ball-control drives throughout the second half. Grant scored his second TD on a 2-yard run with 1:51 remaining in the 3rd quarter.

"We had the ball for 34 minutes in the game," Currin said. "We held it for 11 minutes in the 4th quarter. We were able to play keep away and we have to credit the offensive line for keeping the drives going."

Currin also said that his defense was ferocious.

"Our defensive coordinator, Tom Zaccardo, had an outstanding game plan," Currin said, "and our kids executed it perfectly."

Zaccardo served as the defensive coordinator under Dick Diminuco and Currin kept him on staff after Diminuco left for the college ranks after the 2012 season.

"My goal was to keep our staff as intact as possible," Currin said. "That was a major goal in the off-season. I wanted to keep everyone here."

Currin made just one minor change throughout the program.

"Ken Partell has been our JV coach for 10 years," Currin said, "and we brought him up to coach the offensive line and the linebackers. We hired Sean Brusco to coach the JV team. Other than that, everybody came back."

Currin said he was adamant about keeping all of the coaches who worked under Diminuco.

"Cohesion only comes with time," he said. "We had a great staff with Coach Diminuco and we wanted to keep it going."

Currin played

high school football under Jerry Smith at St. Francis.

"I was a senior when we just started to come onto the national scene," he said. "We finished 7-3 and lost close games to St. Ignatius and Erie Cathedral Prep. It was exciting to be a part of that football program and I still talk to Coach Smith on a bi-weekly basis."

After graduating, Currin played four seasons at Buffalo State. He served team captain during his senior year.

He was hired as an English teacher in Alden in 2006 and hired onto the football staff in 2007.

He says that learning under Smith, Jerry Boyes and Diminuco has been an invaluable education.

I could never repay any of those guys for what they gave me in terms of confidence, knowledge and experience," Currin said. "I could never repay them for that. Hopefully, some day, I can do it for someone else."

## A Longtime Southern Tier Rivalry

Friday, 7:00 pm, Southwestern @ Salamanca

Two of the more successful Class C programs in Section VI are Southwestern and Salamanca. Since NYS went to its current 5 classification system in 1996, Southwestern has won 3 VI titles, while Salamanca has the most of any of the C schools with 4. Southwestern has gone on to win two state titles while the Warriors lost at the Dome in 1999.

The programs are longtime rivals in the Southern Tier. In 1990, Salamanca had one of the best teams in WNY history and only gave up 2 TDs all season.

In the 7th week of the season, Southwestern upset the Warriors 7-6 to all but wrap up the Division title. However, the Trojans lost their final game of the season, giving the

Division title and a trip to the playoffs right back to the Warriors.

Salamanca beat Wilson 23-0 in Rich Stadium that season, one of eight shutouts the Warriors defense posted.

Current Salamanca coach Jason Marsh was a 2-way starter on that 1990 team.

Last season, these programs squared off in one of the most epic games in WNY history.

The Final Score of 47-46 only tells half of the story. Led by QB Jake Pilling,

Southwestern stormed out to an early 39-7 lead in the first half. Salamanca then woke up and scored the next 32 points, including a TD in the last moments of regulation. SW lineman Pete Trathen blocked a PAT for the second time in the game to send the contest into overtime.

Salamanca scored on its first possession to take a 46-39 lead. The Trojans answered when Andy Greenlee caught a TD pass on 3rd and 11 from the 21-yard line.

Southwestern coach Jay Sirianni opted to go for a 2-point PAT and the win. The gamble paid off as Pilling found Hunter Peterson in the end zone.

The game was an epic battle between two QBs.

Salamanca's Tanner John ran for 126 yds and 5 TDs and also passed for another TD. Southwestern's Pilling ran for 137 yards and 4 TDs, while passing for 100 yards and 3 TDs.

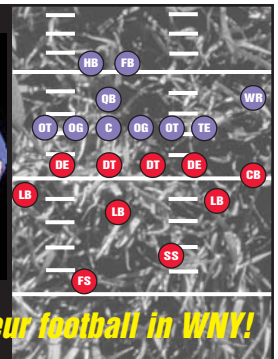

This season, both schools are in the thick of the battle in Class C South. The winner likely will get to host a playoff game. Two proud programs fighting for playoff position with memories of last year's game fresh in their minds should make for an exciting game to watch in Week 5.

# Smallest Tiger Playing Big

By Mark Adair

Akron rebounded from two straight losses to beat Tonawanda 33-22 last weekend to improve to 2-2 on the season, 2-1 in Class C North games.

After opening the season with a win, Akron had lost to Cleve Hill and Medina.

"This is huge," Akron coach Mike Dean said.

"Last year we had one of the best teams I have ever coached. We lost to Cleve Hill early in the year and that turned into a three-game losing streak."

Akron finished 6-3 but the 3-game losing streak kept them from qualifying for the playoffs.

"All three of our losses were league losses," Dean said. "We beat Fredonia and they ended up playing at the Ralph. Other coaches just could not believe we were not in the playoffs because we were a very good team."

Dean said that he was determined not to let losing streak happen where the season would slip away.

"I just told the kids that we can't go into this downward spiral again," he said. "We can't let losses control how we play next week."

Dean talked with his players about coming out fast after the loss to Medina.

"We talked about it last year," he said. "We didn't compete in the middle of the season. The high school football season in Western New York is so short that you have to bring it every week. If you lose 3 in a row, your season is just about over. I'm convinced that our season was down to last Friday night with Tonawanda and the kids responded."

Akron has three games left to prove they belong in the playoffs. They will play JFK, Lackawanna and then Newfane to finish the regular-season schedule.

"We have a tough league again this year," Dean said. "Every week, we need to play against ourselves. If we do our best, we can win."

If Akron is going to run the table and make the playoffs, they will need big performances from one of the smallest players in Western New York.

Austen Lauricella, who is just 5-foot-6 and 170 pounds, has

been a huge asset for the Tigers this season.

After Tonawanda took a 22-19 in the third quarter, Lauricella returned the ensuing kickoff 76 yards for a TD.

"That completely turned the game around," Dean said. "It was such a crucial moment in the game. It was late in the third quarter and we needed to respond. Austen did."

**Austin Lauricella leads WNY in receiving**

Lauricella also rushed nine times for a team-high 76 yards in the win... and also caught 7 passes for another 83 yards.

"Austen has been on the varsity for three years," Dean said. "He is an incredibly smart player. He has been around the game for a long time. He knows the game."

Lauricella, a team captain, starts at WR for the Tigers. He also sees a lot of time at RB and occasionally steps in at QB.

"We want to get him the ball in a lot of different situations," Dean said. "He has a lot of skills so we want to use as much of his skill as possible."

Lauricella also starts at safety on defense, returns punts, returns kicks and serves as the Tigers kicker on PATs and field goals.

"Whatever he does, he does it well," Dean said. "He's an amazing kid and an amazing player."

Part of the reason that Lauricella is posting such large stats, is Akron is running the no-huddle offense.

"We have been averaging about 70 plays a game," Dean said. "That's helping us in the statistics, too. We ran 77 offensive plays against Cleve Hill and still lost."

Dean says he wants the Tigers to run their offense as fast as possible... and then, even faster than that.

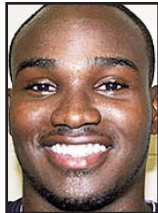

"If we can get a play off before the defense gets lined up, we are going to run it," he said. "We have been building the no-huddle system since I got hired. Last season it became our primary offense. But now we are picking up the pace even more."

Dean says that the make-up of his team dictates a different offensive approach.

"We are not as big as most other teams," he said. "We can't always match up with other teams physically. But we have a lot of quick, little kids and good receivers. We want to get the kids out in space and let them go with it."

# Falls 'Cooks' Up First Win

Niagara Falls rallied from a 16-6 deficit to beat Lockport 22-16 last weekend. The Wolverines opened the season with three straight losses before the win.

"The kids are excited," coach Don Bass said. "They realize that their hard is starting to pay off. We always tell them that hard work, works. We can't control the games we already lost. Let's try and win the next one."

Niagara Falls opened the season with a 52-14 loss to Jamestown.

"Jamestown is a tremendous team but we didn't help ourselves at all," Bass said. "Our first offensive play of the year was an interception."

After falling behind to Lockport,

Bass says that his players never gave up. "The kids never dropped their eyes," he said. "We do not focus on anything but the next game, the next play and we need to stay hungry Keep playing hard."

If the Wolverines are going to rebound and make the Class AA playoffs, they will

need players like junior QB Daveon Cook to provide the spark.

"He didn't find out he was starting until Friday before the game," Bass said. "He had one day of preparation and he played like a warrior."

Photo by Mark Adair

### Niagara Falls junior Davion Cook.

Cook completed 6 of 8 passes for 114 yards and a TD. He also rushed for 49 yards and a TD.

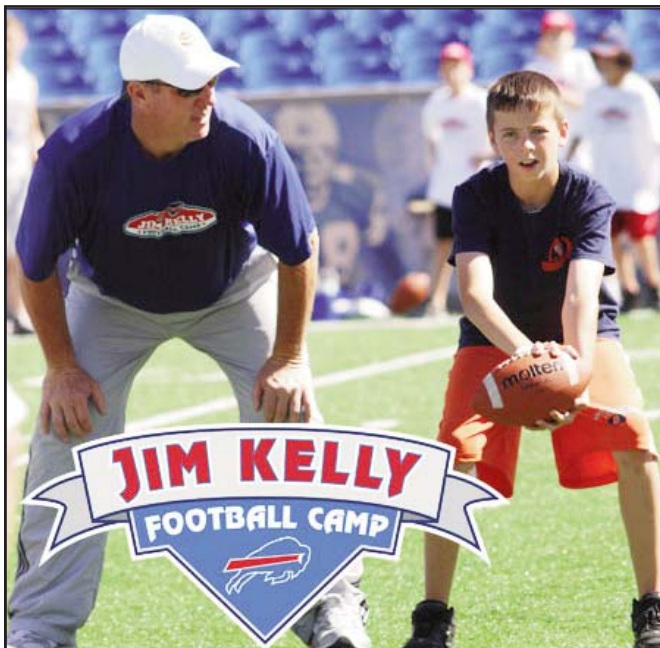

"He made some excellent runs," Bass said, "and some really good reads with just one day at practice."

Cook is a solid student with an academic average in the 90s.

"He's a smart kid," Bass said, "and he's football savvy, too. He's studies a lot of film and he's a gym rat for football."

Cook also started at CB on defense and returned punts and kicks.

"He's a fiery little kid," Bass said. "When I see him talking to the big lineman it almost makes me laugh. But Daveon is a leader. If you give him a task he will get it done."

# Vikings Stay Unbeaten

Grand Island improved to 4-0 with a 34-24 win over Kenmore East last weekend. The Vikings trailed 12-6 after one quarter and but rallied to take a 20-12 lead at the half.

"Kenmore East has some good athletes," Grand Island coach Dean Santorio said. "They have 3 or 4 kids who can make plays. Ken East was 3-0 coming in and we are really happy with the win."

Grand Island will now face undefeated Sweet Home on Saturday.

"Going up against Sweet Home is a big deal," Santorio said. "It's always been our big game. We respect them a lot for what they done over the past 10 years but we have confidence that we can play with them. We are excited about the opportunity."

The teams have met in big games many times. The Vikings beat Sweet Home at Ralph Wilson Stadium in 2005. In 2009, the Vikings returned to the Ralph

and led the A title game in the 4th quarter but Sweet Home rallied for the win.

"We've had a lot of close games over the years," Santorio said. "Hopefully we can get over the hump and win this year."

If Grand Island is going to beat the Panthers, they will need a big day from senior running back Paul Sukmanowski.

"He is as physical a runner as we have had here," Santorio said. "He's a downhill runner and he doesn't dance."

Sukmanowski is a 3-year starter but injuries have kept him off the field.

"He missed four games both years," Santorio said. "Last year, he broke his collarbone in the summer but he finished great."

Photo by Mark Adair

### Grand Island senior Paul Sukmanowski.

Sukmanowski (5-10, 210) has rushed for 428 yards and 2 TDs.

"He loves the weight room and he has gotten a lot stronger," Santorio said. "His toughness makes him a really good back. He's a hard worker in the classroom and on the field."

# Scaife Leading Panthers

East High fell to 0-4 when they lost to Williamsville North 37-0. Despite the rough start, East coach Starling Bryant says he is pleased with his players.

"I'm very pleased," Bryant said. "The kids are learning a life lesson. When things don't go your way, you keep working."

The Panthers are inexperienced this season.

"Our kids are very young," he said. "They are improving and getting better. They are doing things this week better than they did last week. As long as they are improving, I can't ask for more."

One of the challenges Bryant has had is the merger of three different schools onto his East team.

"It's been quite difficult," Bryant said. "We didn't know if the school was going to be open or closed up until August. We had an incoming class of freshman with just 20 boys at East but the kids that are out here are battling every week."

One player who has been a standout this fall is LB Pasquale Scaife.

"He's been our top player," Bryant said. "He has speed and is a very strong young man,"

Photo by Mark Adair

### East High senior Pasquale Scaife.

Scaife (6-3, 240) is the Panthers leading tackler and a team captain.

"He has a lot of mental toughness," Bryant said. "Nothing discourages him. He's a leader and very positive influence on everybody around him."

Scaife is a senior at City Honors and maintains an academic average of 3.98 on a 4.00 scale.

"I wish I had gotten that one A that I missed," Scaife said.

Scaife is undecided about what

college to attend but he wants to study Pre-Med and eventually go into Neurology.

"I'm looking at Columbia and Penn," Scaife said. "I'm also looking at UB and Canisius. I really want to study the effects of getting head injuries while playing sports."

# Waterman Big for Trojans

West Seneca East passed a tough road test when they edged Hamburg 10-7 last week. The Trojans improved to 4-0, 3-0 in A South games.

"My hat is off to Hamburg," West

Seneca East coach Jim Maurino said. "They played with a lot of emotion and they had a great game plan."

The Trojans were locked in a 7-7 tie but Justin Simoncelli kicked 25-yard FG halfway through the 4th quarter for the win.

"At this point, other teams are getting some good scouting on you with 4 games of film," Maurino said. "You have to be mentally sharp. You have to focus a little more in

practice. You have to block well, tackle well and protect the football."

West Seneca East will play South Park this week with a chance to clinch the A South Division. The Trojans won the division in 2012.

"They don't want to be known as a

one-hit wonder," Maurino said. "They want to win lots of Division titles and go far in the playoffs every year."

If the Trojans are going to repeat as division champs, they will need to get big

West Seneca East senior Mike Waterman.

games from senior RB Mike Waterman, who rushed for 119 yards and a TD in the win over Hamburg.

"Mike is a tremendous worker," Maurino said. "He works hard every day. He is a tremendous leader and sets the tone every day."

Waterman, a team captain, is just 5-6 and 155 pounds.

"He packs a punch in that little frame," Maurino

In 2012, Waterman set a team record when he returned an interception 90 yards for a TD. Just 90 seconds later, Andy Smigiera returned one 98 yards for a TD.

"Now Mike holds the record for the shortest time holding a record," Maurino said with a laugh.

# Albion Back in Playoff Race

Albion rebounded from two straight losses by starting fast and beating Newfane 49-6 last weekend. The Purple Eagles had lost to Cheektowaga and Burgard the two previous weeks.

"Everything that could go wrong at Burgard, went wrong," Albion coach Tony Osburn said. "They are a great team and they took advantage of every mistake we made."

Albion then lost to Cheektowaga, despite rallying in the second half.

"The seniors were devastated," Osburn said, "but the coaches were happy with how we played in 2nd half. We had a great second half and that momentum rolled right into the next week. We had a great week of practice."

Against Newfane, Osburn wanted a good start.

"We wanted to get off the bus fast and that's what the kids did," Osburn said. "We scored quick and never looked back."

Despite having two B North losses, if

Albion wins their final three games they will qualify for the Class B playoffs.

"We're still in the hunt," Osburn said, "but we know we have to win."

Warne completed 8 of 10 passes for 145 yards and 3 TDs.

Warne started at QB last season when the Eagles finished 2-6.

"It's tough to be a QB in a small town," Osburn said, "and 2-6 was tough on him."

This summer, during the pre-season, Warne was listed as the back-up quarterback.

"He lost his starting position to a sophomore," Osburn said. "John never pouted and never complained."

Osburn says that

Warne just kept working in practice.

"We put him in for the second half against Cheektowaga," Osburn said. "and he had a great half. He played well against Newfane and now he's the starter. He worked hard, got an opportunity and he executed. He earned his job back."

# Huskies Have a Chance

Olean led just 7-0 at the half and came out fast after the break and beat Dunkirk 35-21 last weekend. It was the second win in a row for the Huskies, who evened their record at 2-2.

"We feel like we are starting to turn the corner," Olean coach Mike Kane said. "We are getting better now. We still have three defensive starters injured but we are pretty healthy on offense."

In the B South Division, Olean is one of four teams with a 1-2 record in league games. This week, the Huskies will host Eden - one of the teams tied with Olean.

"It's a huge game for us," Kane said. "Right now, we control our destiny. We have to win the rest of our games to get the second or third seed."

Kane says there is no added pressure on his players to win.

"The pressure is on to play well," he said. "We just need to improve each week. If we do that, we'll be OK."

If the Huskies are going to earn a play-off spot, they will need some big games from QB Chance Anzivine.

"Chance throws the ball so well," Kane said. "We know that, no matter

what the score is, we always have a shot with Chance."

Kane says that Anzivine has the ability to read defenses quickly.

"Even we he's blitzed he gets rid of the ball quickly," he said. "He takes 2 seconds to deliver the ball and he knows right where to go with the ball."

Anzivine is a solid student with an academic average in the 90s.

"He's a very smart kid," Kane

said. "He studies the game. He watches a lot of

film and He's a hard worker. He works hard at being a great player."

Kane says that a number of college coaches are interested in Anzivine.

"A number of Division III coaches are interested in him," Kane said. "He'll go where he can get the best education.

# Newfane Will Try to Rebound

Newfane fell behind early and lost to Albion 49-6 last weekend to fall to 1-3 on the season. The Panthers are 1-2 in C North games and are in fifth place in the division.

Newfane played Albion with four starters out with injuries.

"It wasn't just that we missed those kids," Newfane coach Chuck Nagel said, "but we had a lot of kids playing out of position due to the injuries."

Despite the loss, Nagel says his team is showing improvement.

"We played three pretty competitive games to start the season," he said. "We have a few of the kids coming back. We

are getting healthier. We just want to keep the kids motivated to keep getting better."

Newfane will play at Cleve Hill this weekend.

"We are excited to play the #4 small-school in WNY," Nagel said. "It will be a great opportunity."

If Newfane is going to rebound and make a push for the post-season tournament, they will be relying heavily on senior Josh Kneeland.

"He's been with the program since the 8th grade," Nagel said. "He can do a lot of different things for us."

Kneeland (6-2, 190), has passed for 336 yards and 3 TDs this fall.

"His arm strength helps him out," Nagel said. "but when the throw isn't there, he can tuck it and run. He's a big kid and he's hard to bring down."

Kneeland is also an all-league pitcher for the Newfane baseball team."

"He's an outstanding pitcher," Nagel said. "I

believe he'll try to play baseball in college."

Kneeland has also played WR for the Panthers, in addition to occasionally lining up at DE, LB and S on defense.

"He has a good work ethic," Nagel said. "He works on his grandparents farm all summer long and he's a good student."

# Silver Creek Looks for Wins

Silver Creek suffered a hard-fought loss to Falconer 28-14 last weekend.

“We were inside their 10-yard line three times and didn’t score,” coach Sean Helmer said. “We got out-willed at that point.”

Despite the loss, the Knights are still alive in the Class C playoff race.

“We have to win our games with Allegany and Southwestern to make the playoffs,” Helmer said.

Helmer has been struggling with the first season of the merger between his school and Forestville.

“The kids have been great,” Helmer said, “but it’s been a lot to deal with. Things like how we expect to practice and

what the expectations of the program are. The Forestville bus gets here later so it shortens practice more than I would like. Those kinds of things you can’t be prepared for until you actually experience it.”

Helmer said that the two schools are quickly becoming one program.

“The parents and the school administrations have been great,” he said. “In two years no one will think that Forestville comes here to play football. We’ll all just be one team.”

Photo by Tim Frank

**Silver Creek junior Sherman Williams.**

If Silver Creek is going to make the playoffs this fall, they will be relying on junior Sherman Williams.

“He is just an outstanding football player,” Helmer said. “He is a dominant player on defense and he is becoming a really good running back.”

Williams (6-1, 215) is the last of the 5 Williams brothers to play for Silver Creek.

“They have all been very good football players,” Helmer said.

In the loss to Falconer, Williams ran for 107 yards and led the defense with 10 tackles.

“He comes early to practice and stays late,” Helmer said. “He asks questions and works hard because he wants to be the best. He is the heart and soul of the defense.”

# MGCL Wants Another Shot

Maple Grove-Chautauqua Lake trailed 14-7 at the half and lost to Randolph 35-7. MGCL led 7-0 in the 1st quarter but the Cardinals controlled the rest of the game.

"We made a few mistakes," MGCL coach Curt Fischer said. "Randolph is so good that you can't make mistakes and hope to beat them."

Fischer says that his players are hoping to play Randolph again in the playoffs.

"We want another chance at them," he said. "We think we can clean some things up and play with them."

Fischer has struggled to mold the two programs of Maple Grove and Chautauqua Lake into one team after the schools merged this summer.

"The kids have been absolutely great," he said. "They are enjoying this and it's fun to watch the two schools grow together as a unit. I think the community still has to do some growing to do but the kids have been super."

If MGCL is going to challenge Randolph for the D title in November, they will need some big games from junior Ryan Miller.

"He's a great young man and a lot of fun to be around," Fischer said. "It's nice to not have to coach against him."

Miller has rushed for 405 yards and 5 TDs this season.

"It's really fun to watch him run the football," Fischer said. "He can just leave kids standing in place with some of his moves."

Miller (5-10, 175) is stronger than his size would imply.

"He is a strong runner," Fischer said. "He's even stronger now that

he's only playing offense."

Fischer says that Miller is looking to try and play college football.

"He wants to try to get into a school in Virginia and play Division III football," Fischer said. "He is absolutely good enough to play at that level."

# Greiner Leads Panthers 'D'

Franklinville lost to Ellicottville 14-13 when they surrendered the game-winning points with two minutes to play in the game. Franklinville led 13-6 when Ellicottville scored. The Eagles converted the 2-point PAT for the winning points.

"It's tough," coach Mark Blecha said. "Their QB rolled out to the right. We had him bottled up because he cut it back. We had him stopped."

Despite losing to their longtime rival, Blecha was pleased with his players' effort.

"It's our rival game but it's a non-league game now," Blecha said. "There were only a handful of people that thought we had a chance to even play with them.

We felt good about how we played."

Franklinville's defense held the Eagles offense in check for most of the contest.

"We were more physical than we have been all year," he said. "If we play with the same passion and effort, we will be in good shape the rest of the year."

If Franklinville is going to qualify for the DD playoffs, they will need senior Jamie Greiner to lead the way.

"Jamie has been with us forever," Blecha said. "He played some varsity

football as a 7th grader and became a full-time starter as a freshman."

Greiner (5-10, 175) starts at MLB and TB and leads the team in tackles.

"He's a great kid," Blecha said. "He works his tail off and does what you ask him to do every day. He's had double-digit tackles every game."

Greiner has rushed for 217 yards and 2 TDs.

"His motor is always going," Blecha said. "He's football crazy and wants to be great.

He's a team guy and keeps everyone going at a high-tempo."

Greiner also runs track at Franklinville. "He's talked with the coaches at Alfred," Blecha said. "If he put on another 20 pounds he could play there. With his motor, you could find a place for him."

# Timon Gets First Win

Timon earned the first win of the season last weekend when the Tigers beat Riverside 41-0. Timon opened the season with losses to Aquinas, Glen Oak (Ohio) and St. Mary's.

"We needed a win," coach Charlie Comerford said. "We had three losses against three good teams."

Comerford was relieved to be on the winning end of a big score.

"It's nice to have a week where we are getting kids into the game and everyone is playing well," he said.

"Hopefully this is a springboard to the rest of the season."

Timon led 21-0 at the half and finished the shutout after the break.

"They couldn't move the ball," Comerford said. "Our defense played well all game. We also got a couple of guys back from injury and we'll get a couple of more this week."

Timon will now play league rivals Cardinal O'Hara and then Canisius the next two weeks.

"We're pretty young this year so we can't take anyone for granted," Comerford said. "We have to take everyone seriously every week."

Timon will be relying heavily on senior Brandon Donohue the rest of the season.

"He's fast," Comerford said. "He's one of the fastest kids in WNY. He's not big but he makes up for it with speed and toughness."

Donohue (5-8, 150) starts at WR and CB for the Tigers. He intercepted 5 passes in 2012 and was named an All-Catholic player.

"He had an interception in the championship game at the Ralph," Comerford said.

Photo by Mark Adair

### Timon senior Brandon Donohue.

"No one got behind him. We knew that he would take care of his side of the field."

Donohue has 11 catches for 220 yards this fall. He is also the captain of the Timon lacrosse team.

"He'll probably be a Division I lacrosse player," Comerford said.

# CROSS TRAINING FOOTBALL

*Training the Heart of a Champion from the Inside Out*

The **Heart of a Champion Character Playbook** theme is

## Answer The Call!

*CTF's vision is to develop the hearts of coaches and athletes to be men of character for others.*

Time is flying... the year is almost over and football is at the halfway mark this week.

Is the passion still there? Is the fire to lead and coach still burning in your belly? Are you bringing inspiration to your practice and the games?

This week in ANSWER THE CALL: "Enthusiasm" the passionate interest or eagerness to COMPETE!

Where does enthusiasm come from? It comes out of the character trait of love. Enthusiasm is really "Joy inside"... a bottle called Passion or Fire. The inside truth is that you need to believe that. An athlete of enthusiasm rejoices always and does not quench the spirit. It is a fire that brings energy, drive and perseverance to any competition. Athletes

who have that kind of enthusiasm, elevate their teammates through their non-stop motor on the field with a voice that brings life and encouragement. In closing, passion or enthusiasm is a love for the game and your team that never fails.

### Final Gun:

Enthusiasm: "A contained fire in your belly which emerges as a focused passion"... John Wooden

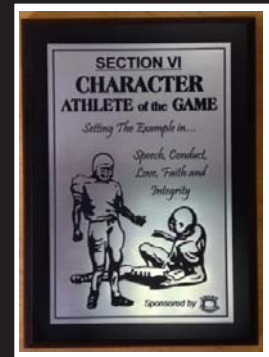

It will be 12 years this October 8th that one of the most passionate, fiery coaches I know passed away.

Thanks Dad for demonstrating through words and actions what it meant to really COMPETE!

# Bird Is The Word

*WNY Rushing Leader is leading a Resurgence at Falconer*

By Mark Adair

Falconer earned a second straight victory when the Falcons beat Silver Creek 28-14 last weekend.

The falcons are now 2-2 after opening the season with a pair of losses. Ordinarily, this would not be huge news but... in Falconer a second straight win is big.

"The last time we won two games in a row was six years ago," Falconer coach Dan Krenzer said. "The last time we were in a playoff contention was six years ago. Two wins in a row does not seem like much, but it's a big deal for us."

At one time, Falconer was one of the toughest programs in WNY.

In 2006, Falconer lost the NYS championship game in the Carrier Dome. The following season, the Falcons lost to Cleve Hill at Ralph Wilson Stadium in the Class C title game.

Falconer's program slipped the next few years and, recently, the Falcons have been overlooked and dismissed by just about everybody.

"To some extent, we still are dismissed," Krenzer said. "And with good reason. We are getting better but we haven't been very good for a while. We couldn't get anything going. This is a good streak to have over."

The Falcons are also 2-2 in C South games and are squarely in the middle of the playoff race.

This week the Falcons, who are currently in 4th place, will play at Gowanda. Falconer will finish the season with games against Portville and arch-rival Southwestern. Wins in two of those games should be enough to qualify for the post-season tournament.

"The community is getting excited," Krenzer said. "We

**Senior running back Cody Dustin rushed for 750 yards in the last two games as he led Falconer to a pair of wins. This is the first two-game winning streak for Falconer since 2007.**

are real happy. We have a ton of great parents in the program and we are getting a lot of people to come out to the games now. It's real reminiscent of the good times."

Krenzer says he is impressed with the way his players kept working when it may have been easier to give up.

"I'm real proud of them," he said. "I'm just glad to be around for this and I thank to the kids thanks for taking me along for the ride."

In the win over Silver Creek, Cody Dustin exploded for 379 rushing yards... just one week after he exploded for 371 in a 45-28 win over Allegany-Limestone.

"Cody is doing a great job in the open field," Krenzer said. "He is very hard to tackle once he gets out into space."

Dustin is also benefiting from improved play along the offensive line.

"We are getting him some holes," Krenzer said. "The line, the full-

back are all doing great work. Even our quarterback is blocking. This has been a group effort."

To emphasize his point, Krenzer pointed out that RB DaShawn Jackson rushed for 50 yards on just 4 carries.

"That's more than 10 yards a carry," Krenzer said, "and that's over 400 yards rushing for the team. That's a lot of openings that the line is creating."

Incredibly, neither of Dustin's figures from the last two games, are even a school record. In 2004, Falconer's Curt Jones rushed for 391 yards in a game at Portville.

Krenzer says that he didn't know how many yards Dustin had piled up until he was told after the game.

"We don't add up the stats as we go," he said. "The

*See "Cover Story" on page 23*

only record I coach for is won-lost record. I knew his yardage was up there but I had no idea he had that many yards. The plays that he runs the ball, are plays that are working. If they stack 10 guys in a hole, we don't run him in that hole. We give the ball to someone else."

Krenzer does admit that the numbers that Dustin is posting are eye-popping.

"The stuff he is doing right now is headline stuff," Krenzer said. "I understand that almost 400 rushing yards two weeks in a row is going to get some attention."

Krenzer says that he feels his team is actually better than a 2-2 record would imply.

"When we lost to Salamanca and Fredonia, we made a ton of mistakes that translated into points," Krenzer said. "When you play a team like Fredonia you have to play perfect because they score quick. But for the last two games our kids have played well. All of a sudden they are just lighting it up. Now we have to keep improving."

Also, with three games left, there is still time to prove - or disprove - just how good Falconer is - or isn't.

"We have Homecoming this week," Krenzer said. "More importantly, it's Gowanda which is another league game. If we win this one, we can almost say we are in the playoffs."

After a non-league game with Portville, the season ends with a traditional game against arch-rival Southwestern.

"Southwestern means an awful lot," Krenzer said. "It always means a lot. We haven't beaten them since 2007 and, for these kids, that would be huge."

Speaking of huge, Cody Dustin isn't.

The senior running back is just 5-foot-7 and 160 pounds... but the stats that he is posting are incredibly big.

"He's not very big," Krenzer said, "but he has a thick lower body and runs low. He's hard to bring down because of his strength."

Dustin is also fast.

"When he accelerates and gets into the open field, he just doesn't slow down," Krenzer said. "I don't think a lot of kids could catch him."

Thanks to the past two weeks, Dustin has now rushed for 850 yards, more than any other player in WNY.

"He's gaining confidence," Krenzer said. "The rest of the guys are gaining confidence, too. You can see it in how they make the play calls and line calls. They are all gaining confidence and that's what we need."

Dustin, who is also on the Falconer wrestling and track teams, says that he is just trying to help the Falcons get back to the playoffs.

"We're just trying to put in a full team-effort," the senior said. "We are pushing hard in practice. We need to win and bring pride back to Falconer football. We want people to know that we are not a bad team any more."

Duston qualified for the Sectional tournament in wrestling and maintains an academic average of 91. His brother, Ryan, is currently the Falcons starting QB.

"We're close, especially on the football field," Dustin said. "It's fun playing with him, especially with him being the quarterback and me being in the backfield with him."

# 2013 FOCUS ON

## Senior LB Leads Cleve Hill

Cleve Hill won a huge game and took control of the C South Division when they beat Lackawanna 22-8 last weekend.

Incredibly, this was the first-ever game between the two small-school powers. Both programs are steeped in tradition and have a ton of appearances at Ralph Wilson Stadium.

"We compete in almost every other sport," Cleve Hill coach Glen Graham said. "It really was surprising to find out that we had never played in football."

Graham said that he didn't have to say anything to motivate his players before the game.

"They are a good team and a traditionally tough program," Graham said.

"With the tradition that Lackawanna brings to our league and with Cam Smith on the other side, that's all the motivation the kids needed."

Cleve Hill is now 4-0, 3-0 in C North games, and in full control of their own destiny as far as playoff seeding.

"We talked about trying to get ourselves into position to control our own destiny," Graham said. "With just three league games left, the kids are really excited."

Cleve Hill will face Newfane this weekend before closing the season with games against Tonawanda and arch-rival JFK.

"We have to make sure we can improve in practice every day," Graham said. "Our last two teams have played at the Ralph because they continued to improve right up into November. We need to stay focused and keep getting better."

If Cleve Hill is going to claim the C North title this fall, they will need big games from LB

Photo by Dan Nesselbush

**Cleve Hill senior Tyler Pawlowski started at OL in 2012 and is a 2-way starter this fall.**

Tyler Pawlowski, who made 11 tackles in the win.

"He's extremely active player," Graham said.

"Tyler has a great motor and gives maximum effort on every snap."

Pawlowski (5-11, 190) started on the offensive line in 2012.

"He started all 11 games at right guard," Graham said. "This year he has really helped us on defense with play at linebacker."

Pawlowski, a senior, is also a member of the

Cleve Hill basketball team.

He's in a reserve role for the basketball team," Graham said, "but he's really athletic and has good feet. He's quick and can move. He's built perfectly to pull and trap."

While Pawlowski is not a team captain, Graham says he provides leadership to the Golden Eagles.

"He's pretty vocal," Graham said. "Over the last two years he has gained a lot of confidence. He leads despite that fact he doesn't officially have a C after his name. He's a very good high school football player."

***Are You Game?***

# Why did Damon Die?

It's been three weeks since Westfield running back Damon Janes died.

When word of Janes' death first spread, it was blamed on a helmet-to-helmet collision. The Buffalo News ran a headline that stated that Janes died after a helmet-to-helmet collision. Reporters for the News have said that the statement released by the Hospital and the Janes family confirmed that Damon had died after a helmet-to-helmet collision.

Portville coach Gary Swetland disputed that. He said a violent hit never happened that night.

I can now tell our readers that I have watched the game film of the fateful night and... Swetland is 100 percent correct.

There was NO violent helmet-to-helmet collision in Westfield's game at Portville.

I watched the game film earlier this week and I saw absolutely nothing that would cause anyone to think that a player would die from playing football. Janes really wasn't even hit particularly hard that night.

I watched the game twice, in fact, and it's just not there... at all.

However, I was also able to view Westfield's game at Randolph, which was played the week before.

Janes DID have a violent helmet-to-helmet collision in that game. It's on Play #28... a kickoff right after Randolph had scored in the second quarter.

Janes, blocking on the play, launches himself into a Randolph player who is running down the field to cover the kick. The players collide and their helmets slam together... forehead-to-forehead. Both players fall heavily to the ground. Both players get up and head to their sidelines.

Did Damon Janes suffer a concussion on that play? Or in that game? Right now, no one knows.

But, if he did, then a week later in Portville, Janes may have suffered an injury called Second Impact Syndrome... an injury that is so deadly that death can result in just two to five minutes of the second injury.

Second Impact Syndrome is a condition in which the brain swells rapidly and catastrophically after a person suffers a second concussion before symptoms from an earlier concussion have subsided. This deadly second blow may occur minutes, days or even weeks after the initial concussion and even the mildest grade of concussion can lead to Second Impact Syndrome.

The condition is often fatal, and almost everyone who is not killed is severely disabled.

When we interviewed him two weeks ago, Swetland said that his school's trainer had mentioned Second Impact Syndrome the night of the game.

We called Swetland on Wednesday evening to confirm that statement.

"It was after the game and I still didn't know what had happened," Swetland said. "A game had just been canceled and I still didn't know why. I asked our trainer, 'What the hell happened to that kid?' He answered in an off-hand way, 'I don't know but it looked like Second Impact Syndrome.' At the time, I really didn't even understand what he said."

The Football Weekly contacted Portville trainer Matt Gnan and he declined to be interviewed about any specifics of the evening of the Westfield game at Portville. He agreed to answer only general questions about Second Impact Syndrome.

Gnan said there is no specific symptom that would lead anyone to say for certain whether Second Impact Syndrome occurs in anyone. When pressed for what he saw that night that with Damon Janes, Gnan declined to answer.

If Janes did suffer from Second Impact Syndrome, then, when he scored his final varsity TD that night, he was already dead... it just hadn't happened yet.

I can't say for certain that Janes did suffer a Second Impact Syndrome injury that caused his death. I also can not say that he sustained a concussion the week before against Randolph.

I know that looked like a hell of a shot he took in the game against Randolph... and I know there was no such shot in the game against Portville. To reiterate... I

have seen BOTH games.

But... did he mention anything to anyone? Did he complain to anyone about headaches? Did he miss school or practice because he felt nauseas or dizzy? Did he vomit at all in the week leading up to the game at Portville?

We don't know.

Unfortunately, that is also the answer to the question: Why did Damon Die?... We don't know.

One thing I do know... 16-year-old boys will lie and hide anything if they think they are going to be pulled out of a game and not allowed to play. They want to play. They will lie to any adult who questions their health and even hints that the kid should not be on the field.

If there can possibly be one good thing to come out of the tragedy of a high school player's death it is this:

Kids... you can not hide this stuff anymore. If you suffer headaches or feel dizzy... you need to tell someone.

We all love football, but no football game is worth your life... and, yes, it can happen to you.

Damon Janes.
