Jamestown's Langworthy Honored

Jamestown's Tom Langworthy was named Coach of the Week by the Buffalo Bills and the National Guard after his Red Raiders won the Class AA championship with a 34-14 win over Orchard Park last weekend.

The Raiders led 21-0 after one quarter.

"I didn't feel comfortable until we were winning 34-7 in the fourth quarter," Langworthy said. "As a coach, you are always thinking of everything that can happen. I never count my chickens before they are hatched."

Jamestown led 28-0 at the half, on the strength of 2 interceptions that were returned for a TD.

Joe Ramos intercepted a pass and returned it 45

yards for a TD to give Jamestown an early 14-0 lead. Late in the quarter, with the Quakers backed up to their own 1-yard line, Kyle Liuzzo rushed the QB, batted the ball into the air and caught it in the end zone for another defensive TD and to 28-0 lead they took into the half.

"I challenged our players at halftime to play a great second half," Langworthy said, "and I think we played pretty well."

Orchard Park scored in the 3rd quarter to pull within 28-7 but Jamestown answered early in the 4th quarter.

The Raiders stopped a 4th-down play at OP's 24-yard line and took possession. On their first play from scrimmage Devan Jackson broke over the right side for a 24-yard TD and a 34-7 lead.

Jamestown won the Section 6 title last season, but lost to Aquinas in the Far West Regional game.

"We have goals to go farther than we did last year," Langworthy said. "We plan on competing hard and being successful this Saturday."

The Raiders will play in the Far West Regional game at 8 pm Saturday at All High Stadium in Buffalo against Section 5 champion Victor.

"We feel good and confident," Langworthy said. "We

have a great defense, we play solid on special teams and we are putting up points. We have to have a great week of practice and go out and play hard this weekend."

Langworthy played high school football from 1995 through 1998 at nearby Southwestern High School. He was named a Class D All-State LB in his senior year.

Langworthy played college football at Mercyhurst College (now University) in Erie, Pa. After graduating, he took a volunteer coaching role at Southwestern under Jay Sirianni. He left after two seasons because he landed a job teaching in the Jamestown District.

Ironically, Sirianni has 4 players on this season's Southwestern team who grew up in the Jamestown District before moving to Southwestern.

"We laugh about it," Langworthy said. "Jay's doing pretty well with our kids. I've known Jay my whole life."

While teaching at Jamestown, Langworthy worked as an assistant JV coach for 2 seasons. He applied

for the varsity head job when it came open before the 2008 season.

"The opportunity came open and I thought I could do the job," he said. "I had the enthusiasm and the relationship with the other coaches and the current players. I thought I was ready for it."

Langworthy's staff has been with him throughout the years of re-building Jamestown into a recognized program across New York State. Ryan Calkins (Defensive Coordinator), Richie Joly (DBs and QBs) and Dave Munella (RBs) round out the staff.

"They do an incredible job," Langworthy said. "They are just as much a part of this as I am."

Langworthy and his wife Amy have two sons, Noah (age 2) and Grant (6 months).

Canisius Overcomes Controversy

Canisius overcame a week of turmoil in the football program and the school and destroyed St. Francis 62-19 in the Msgr. Martin Association semifinals last night.

“Our kids started slow,” coach Rich Robbins said. “With everything that has gone on this week, I expected it.”

Canisius was tied with St. Francis 13-13 with about 6 minutes left in the second quarter when the Crusaders exploded.

“We want to start fast every week,” Robbins said. “The distractions this week were incredible. We did not have a very good practice on Monday, that’s for sure.”

The Crusaders scored 4 TDs before the halftime break and added two more early in the 3rd quarter to take a 55-13 lead.

The only thing left unknown were the facts surrounding the firestorm that has swirled at the school this week.

It started on Monday when Canisius announced that star LB Brad Zaffram would not play again this season due to a violation of school rules. The situation quickly escalated when Beck O’Connor, the school’s Dean of Students and the JV football coach was fired from both positions and escorted from the building.

“He was the JV coach for 8 years,” Robbins said. “All of our kids had him and they were close to him.”

The firing of O’Connor unleashed a flurry of speculation and rumor that made its way around social media. Rumors that this was a major scandal involving the football program started quickly. More rumors that Robbins had been fired followed in a wave.

All of a sudden, instead of basking in the glow of being ranked 37th in the nation, the Crusaders were in a crisis.

“We had a team meeting on Monday,” Robbins said. “The kids wanted to handle this with class and pride. We wanted to come out and represent our school and our program with pride.”

On Wednesday, news broke that O’Connor was seeking a lawyer. Then the Canisius students staged a protest in front of the school.

“We really can’t get into any of that,” Robbins said. “I’ve been told not to answer any questions about Beck O’Connor. We can’t control anything about that anyway. All we can do is play

football. That’s the only thing we have control over.”

Wednesday afternoon, rumors started that the Canisius principal had resigned. Canisius athletic director, Jim Mauro, said at Thursday game that it was not true.

“I was at the school until 6:30 and he was still the principal,” Mauro said. “When I left for the game, nothing had changed as far as that goes.”

Photo by Tim Frank

Canisius senior Solomon Renfro stepped in to start at FB an LB for Canisius in last night’s playoff win.

Mauro did not want to speak on the turmoil but did say that he was proud of the team.

“It was a very challenging week,” Mauro said. “I’m proud of how the kids came out and played. Brad was a brother to them. This is a tight group and they are hurting. They came out and played hard.”

One Canisius source who is close to the situation says that the entire situation has spun out of control.

“This entire situation was handled poorly,” the source, who asked not to be identified, said at half-time of the win over St. Francis. “Beck handled this the way he was originally told to handle it on Friday. On Monday, he was fired.”

At issue, is an incident when Zaffram transferred to Canisius after his sophomore year, it was decided that the incident would not be carried over to his time

as a Canisius student. Apparently, Canisius principal, Father Joseph Constantino disagreed.

Now, online petitions seeking to remove Constantino as school principal have started, alumni are decrying the poor publicity and trustees are meeting to find a way to settle the matter. Incredibly, the national media has started to pick up on the story.

And, in the midst of the firestorm, Canisius had a playoff game looming.

Solomon Renfro stepped in at MLB and FB for Zaffram and played very well.

“He had big shoes to fill tonight,” Robbins said. “He’s a team captain and he had to step in a lead us. He ran hard, he played well on defense. He did great.”

Raiders 'D' Locks Up Title

Jamestown beat Orchard Park 34-14 to win their 2nd straight Class AA title. The Raiders jumped out to a 21-0 lead in the 1st quarter.

"We always preach to start fast and that's what we did," coach Tom Langworthy said. "We scored a TD on our second drive and then got the turnover."

Nicc Holland hit Zack Panebianco with a 46-yard scoring strike halfway through the first quarter to give Jamestown a 6-0 lead.

On Orchard Park's next possession, Joe Ramos intercepted a pass and returned it 45 yards for a TD and a 12-0 lead.

Devan Jackson ran in a 2-point PAT for a 14-0 lead.

"He's been starting at CB all year," Langworthy said. "and he's been coming up big all season long. He's a good cover guy and a good tackler."

Ramos also returned an interception for a TD in the Raiders first-round playoff win over Lockport.

"He's really stepped up since the playoffs started," Langworthy said.

The defense helped put the game away early.

After Ramos returned his INT, the defense forced a 3-and-out by Orchard Park.

Jamestown took possession on their own 25 and took just 4 plays to score again.

Jackson capped the drive as he ran 23 yards for the score.

"With our defense playing the way it is,"

Langworthy said, "being up 21 at the end of the first quarter is a great

ball at the OP 2-yard line. A first-down run lost a yard.

On second-and-11 from the 1-yard line, Kyle Liuzzo rushed the QB, batted the pass into the air and caught the ball while standing in the end zone.

"He's a great pass rusher," Langworthy said. "He was a tremendous player on the JV team but then he didn't play as a junior. He took a year off from football."

Liuzzo returned to the squad as a senior. He returned a fumble 87 yards for a TD in Jamestown's loss to Canisius earlier this year.

"He's a wrestler," Langworthy said. "He's tough and knows how to use leverage. Sometimes we drop him into coverage."

Jamestown has now played at the The Ralph four straight seasons. After losing twice to Orchard Park, the Raiders have now won two straight titles.

"When you're kids are there for the first time, it can be tough," Langworthy said. "The first time you are there, no matter what you say in the week going into the game, it's a totally different experience when you get there."

The Raiders experience played a role and the team's expectations are high this year.

"Some of our guys have been to the Ralph 3 years in a row," Langworthy said. "That's a pretty awesome level of experience. This year, we didn't go out of the tunnel and stare at anything. It's a football game. We'll play the game and it doesn't matter where it's played."

Jamestown will now play in the Far West Regionals at 6 pm Saturday at All-High Stadium in Buffalo.

The Raiders will face Section 5 (Rochester) champion Victor. Jamestown is ranked 3rd in NYS in Class A while Victor (9-1) is ranked 9th.

Panthers Pull Out Win

Sweet Home scored twice in the final five minutes to beat South Park 27-18 and win the Class A title game.

The Panthers trailed 18-14 and faced a 4th-and-goal from South Park's 15-yard line with just under five minutes to play. Sweet Home coach John Faller called time out.

"We were trying to decide what to do," Faller said. "We didn't talk confidence or anything like that. We were just talking about where to put people."

Sweet Home had already missed one golden opportunity to take the lead. Late in the 3rd quarter, the Panthers drove to the South Park 3-yard line. After two plays lost yardage, South Park's Mike McDonald intercepted a pass over the middle and returned it 36 yards.

"We had 1st-and-goal on the 3 and couldn't get in," Faller said. "The kid

jumped the pattern and returned it 35 yards. It was a big play at the time."

game for the second straight year. "That was it, we had to score," Faller said. "That was our chance right there. We had to make a play and we did."

Senior QB Kevin Torrillo spotted Brandon Smiley in the left corner of the end zone and lofted a pass. Smiley caught it one step ahead of the Sparks defender and Sweet Home led 20-18.

"Brandon was covered and got good position," Faller said. "There's a reason he's going to play at UB next year. He's one of our leaders but other kids stepped up too."

On the ensuing kickoff, Sweet Home senior Nyamekyi Daniels lunged at the return man and punched the ball loose. Sweet Home's Josh Parsons recovered the ball on the South Park 35-yard line.

Two minutes later, Jordan Evert ran 23 yards down the sideline for a game-clinching TD.

"Our two biggest players made two big plays," Faller said of Smiley and Evert. "That's really what it takes to win at this level."

However, Daniels, who has received scant media attention this season, made the biggest play of the season.

"That's what we tell the kids,"

Faller said. "You never know who's going to come up with the play. Someone has a chance to step up and he did."

Daniels starts at DE and also plays on kickoff coverage.

"He played a little bit last year," Faller said, "but he earned a starting

role this summer. He started the first game against Jamestown and by the third week he was starting all the time. Nyamekyi had one of our better games."

Daniels has been a solid player in the Sweet Home program.

"He's been with us since he was in the modified program," Faller said. "He improved. He was always on the edge of starting and was never a star. This year he got his chance."

Daniels finished the game with 3 tackles, 1 for lost yardage, and the caused fumble.

"He's a smart kid with real good grades," Faller said. "He plays hard and wants to

Warriors Get Miracle Win

Cheektowaga won the Class B Championship game 40-34 over Bennett when QB Zak Ciezki hit Stephon Parker with 40-yard TD pass with :05 left.

“Stephon made a great catch and stayed in bounds long enough to get the ball over the pylon,” coach Mike Fatta said. “That was incredible.”

The TD play capped a stunning comeback for the Warriors. It was the biggest comeback in Section 6 history at the Ralph as Cheektowaga scored 33 points in the final quarter.

Cheektowaga trailed just 14-7 at the half and Fatta was hoping his team could regroup.

“I told the kids at halftime that it was a long game,” Fatta said. “I was worried about Bennett going up 21-7 on us.”

Instead, Bennett scored twice in the third quarter and actually led 28-7 entering the 4th quarter.

“I just told the kids to keep believing,” Fatta said. “We talk about these things all

the time. This was the time to do it.”

On the first play of the fourth quarter, Ciezki started the comeback by running 9 yards for a TD.

“He’s tough as nails and runs hard,”

Fatta said. “He’s a 200-pound kid who can run you over.”

The Warriors still trailed 28-14.

“I said if we get a stop we could get right back in this,” Fatta said. “We got the stop on defense and scored again.”

With 8:12 left in the game, Ciezki hit Tyron Lawson with a 65-yard TD pass to pull the Warriors within 28-21.

“Zak keeps it cool,” Fatta said. “He’s a competitor and he holds it all together.”

On the ensuing kickoff, the

Warriors recovered a Bennett fumble and took possession on the 6-yard line. Two plays later, Ciezki ran in from 5 yards out to pull within 28-21.

“It started to snowball there,” Fatta said. “We got another turnover and got

the ball back again.”

Incredibly, Cheektowaga took over on Bennett’s 20-yard line and four plays later, Ciezki punched in from a yard out and the Warriors 34-28 lead.

Bennett then fumbled the kickoff again, but this time kept possession. Wit the Tigers starting on their own 10-yard line and with just 1:16 left, it looked like Cheektowaga had pulled off an incredible rally.

Instead, Bennett QB Anthony Mendrysa tossed a 90-yard scoring bomb to Brandon Brown to tie the game at 34-34.

“Our bench went totally silent,” Fatta said.

Overtime loomed in the minds of everyone.

The Warriors took over on their own 39 and 2 pays ater Marshawn Gibson ran 18 yards up the middle.

“We sprung a trap play,” Fatta said. “That put us in position to take a shot. We were thinking about trying a field goal.”

Instead, Ciezki hit Parker with the

game-winning TD with just :05 left. In all, Ciezki ended the day with 3 TDs rushing and 2 passing. He completed 9 of 23 passes for 224 yards.

“He did that against a team that was sending the house at the kid,” Fatta said.

Another player that has played a crucial role this season is MLB Drequeon Trotter.

“He is the vocal leader of our defense,” Fatta said. “He is the guy in practice that challenges us. He’s the guy everyone respects. He’s a focused kid.”

Trotter (5-9, 190) finished with 8 tackles, 5 solo.

“He puts himself in position to make plays,” Fatta said. “He’s strong and can get off blocks.

He does everything

you need a middle linebacker to do.”

Cheektowaga will now play in the Far West regional at 3 pm Saturday at All-High Stadium against Section 5 champion Batavia. Cheektowaga (8-2) is ranked 10th in NYS while Batavia (9-1) is ranked 6th.

MGCLake Wins C Title

MGCLake led 6-0 after one quarter and 20-0 at the half as they overpowered Southwestern 37-7 to win the Class C championship game at Ralph Wilson Stadium last weekend.

The Thunder Dragons rushed for 315 yards in the contest while holding Southwestern to just 70 yards on the ground.

"We were able to run the ball," MGCLake coach Curt Fischer said after the game. "Our running game has done pretty well all year."

MGCLake senior Ryan Miller led the charge as he carried 23 times for 231 yards and 4 TDs.

"We could get Ryan three or four hundred yards a game," Fischer said. "In some of our games, he is getting 9 carries. His yards-per-carry average is amazing."

The Thunder Dragons drove 80 yards in just four plays for the game's

first score. AJ Hulton capped the drive when he hit Jed Micek with a 48-yard scoring pass to give MGCLake a 6-0 lead.

The teams battled evenly for the next few possessions but MGCLake struck in a big way with 6 minutes left in the half.

Southwestern downed a punt on the 10-yard line and it took just one play for the Dragons to cover 90 yards.

Miller took a handoff and went up the middle before veering outside. He covered all 90 yards in about 10 seconds to give MGCLake a 12-0 lead. Miller then punched in the 2-point PAT.

"He's special,"

Fischer said. "He is a very patient runner. It's like he floats in the air, and then plants his foot and changes direction. It's amazing to watch."

Miller also runs with power.

“Ryan can also run over a guy,” Fischer said. “He will lower his shoulder to get a couple of extra yards.”

The Thunder Dragons increased the lead to 20-0 before the break when they drove 53 yards on 7 plays in just 2:47 of playing time. Miller ran the final 9 yards of the drive for his second TD.

In the third quarter, the MGCLake defense flexed its muscles when Hulton sacked the Southwestern QB in the end zone for a safety and a 22-0 lead.

“Our defense has given us an opportunity to go for it on 4th-and-short when we should be punting,” Fischer said. “The confidence we have in our defense allows us to take chances that we wouldn’t normally take. They just shut other teams down.”

Miller would score two more TDs to give the Thunder Dragons a 37-0 lead

before Southwestern ruined the shut out with a TD late in the game.

Miller (5-11, 192) is being looked at by several college teams.

“Quite a few D-3 schools want him,”

Fischer said, “We’ve heard from Alfred, Buff State and Hobart. They would all be great options for him. I feel there are a couple of D-2 schools that he could play at. We have been in touch with Edinboro, Gannon and Mercyhurst but he is keeping all of his options open.”

Hulton added 37 yards rushing to the offense. He also completed 2 of 4 passes for 79 yards and a TD.

Jonah Tanner ran 4 times for 28 yards.

The Thunder Dragons will now play Section 5 champion LeRoy at 12 pm Saturday at All-High Stadium in Buffalo. LeRoy (10-0) is ranked 2nd in NYS while MGCLake (10-0) is ranked 3rd.

Randolph Powers to Title

Randolph won the Class D title with a 28-0 win over Ellicottville-Franklinville. "Our defense played well," Randolph coach Brent Brown said. "We wanted to stop their running game."

Ellicottville TB Phalla Musall had entered the game with 1,249 yards rushing but was held to 55 yards in the Ralph.

"He's been tearing everybody up," Brown said. "You have to stop him from getting around the corner. Our kids did a super job."

Randolph opened the game by forcing a punt and taking over on their own 30-yard line. The Cardinals proceeded to drive 70 yards on 14 plays over 7 minutes to score a TD. QB

Bryce Morrison capped the drive when he ran in from 4 yards out.

"That was big," Brown said. "That took up a huge chunk of the first quarter."

Randolph defensive linemen Jeff Andrews and Michael Bowers were unmovable all night.

"Those two big guys stopped any run up the middle," Brown said. "Those kids kept coming hard."

After forcing another punt, Randolph took over on their own 29. This time, the

Cardinals used only 2:09 to travel the 71 yards for another TD. Morrison scrambled and tossed a 14-yard TD pass to Derek Young for a 13-0 lead.

Morrison finished the night with 5 of 9 passing for 192 yards and a 2 TDs.

"He's been a starter for 3 years," Brown said. "He started as a 10th grader at OLB."

Morrison was moved to TE as the Cardinals won the NYS Championship in 2013. This year, he was move to QB.

"He's had a pretty

big year for us," Brown said.

In the 4th quarter, with Randolph holding a 21-0 lead, Ellicottville punted and downed the ball at the 1-yard line.

On the first play, Morrison hit Young

with a 99-yard scoring strike and a 28-0 lead. The play only tied for the longest play ever at the Ralph - which was set in 2012 when Pat Slater was the head coach.

"We wanted to see if we could break Pat's record," Brown said with a laugh. "We only tied it."

Morrison also played SS for the Randolph defense in the win. It was the first time this season Morrison has played defense.

"We had a couple of kids injured," Brown said, "so we put Bryce back to play safety. We had to change a couple things around but it's not new for him. He played defense all last year."

Devyn Nelsen rushed 22 times for 111 yards in the win.

"Devyn's quick and has speed," Brown said. "I wish he was a little bigger but he's tough. He's been a running back all the way up through our program."

The defense will continue to play a big role if Randolph is going to win a 3rd

straight NYS title. The Cardinals will need a big contribution from Junior CB Tyler Stahley.

"He has pretty good speed," Brown said. "He's tall and has good hands. He's a good cover guy."

Stahley (6-2, 170) finished the season with 8 INTs.

"He's a smart and disciplined kid," Brown said. "He'll read what he's supposed to read and does not get out of position. He's very athletic and the ball seems to find him."

Stahley, who also plays basketball at Randolph, has an academic average in the mid-90s.

"He works hard," Brown said. "He certainly knows what our scheme is and what his job is every week. He does a good job out

Timon Moves Past St. Joe's

Bishop Timon beat St. Joe's 26-21 last night to advance to the Msgr. Martin Championship game against Canisius. The Tigers trailed 21-12 at the half but scored twice in the second half to pull out the win.

"It's a good win," coach Charlie Comerford said. "The kids showed a lot of heart in the second half."

In a wild first half that saw the teams turn the ball over a combined seven times, St. Joe's scored 3 times to take a 21-6 lead in the second quarter.

Myles Young opened the scoring when he broke away for a 70-yard TD run. Darren Thompson followed with a 57-TD run. QB David Archer tossed a 63-yard TD pass to Young to give the marauders a 21-6 lead.

Timon battled back, however, as Arenzo Thomas scored on a 4-yard run to pull the Tigers within 21-12. Thomas rushed for 101 yards and set a new sin-

gle-season rushing record. He has rushed for 1,574 yards this season.

In the second half, Timon could not cash in on several scoring opportunities. They had 5 drives start inside the 26-yard

line of St. Joe's and failed to score on every drive. Three times the Tigers drove inside the 10-yard line and came up empty.

Finally, on the last play of the third quarter, QB Brandon May ran 15 yards for a TD to pull Timon within 21-20.

Late in the game, St. Joe's was trying to grind out the clock when Tyler Ringwood recovered a fumble to give Timon one last chance with a possession on the St. Joe's 35.

May ran in for the game-winning TD from 5 yards out with just 1:06 left in the game. He finished with 207 yards passing, 84 yards rushing and 2 TDs.

Timon will now play Canisius at 6:00 pm Thursday at Ralph Wilson Stadium for the Msgr. Martin Association title.

CROSS TRAINING FOOTBALL

Training the Heart of a Champion from the Inside Out

The **Heart of a Champion Character Playbook** theme is

Be Relentless!

CTF's vision is to develop the hearts of coaches and athletes to be men of character for others.

Week 8 - The most Powerful character trait in the world Love. It is the essential quality that bonds teams and allows the athletes to play in freedom not fear.

Why is it so powerful, simple it is the desire of every athlete and person. We all want unconditional love.

On the football field it looks like being willing to play a position that is not your specialty; doing the dirty job that gets no press, or it is the scout team giving your best in practice.

Love perseveres when times are tough and does not think evil or negative of others. It is patient and kind; it protects, trusts, hopes and speaks truth. Simple love is sacrificing oneself for the benefit of the team. Love always plays for others and understands the name on the front of the jersey

comes first, not the name on the back.

When your teammate makes a mistake, love covers that teammate and pulls his teammate out of the hole.

You substitute forgiveness for bitterness, faith for fear, humility for pride, patience for frustration, hope for despair and you are a giver not a taker. Tell your parent's you love them today and make their day.

This week - suit up - strap it on and play for something bigger than yourself, because there is no greater love than this that you lay down your life for your friend or teammate. **BE RELENTLESS!**

Red Raiders win Class AA title wearing green jerseys

By Mark Adair

Jamestown stayed at Ralph Wilson Stadium late into the night - and into the early morning - to win the Section 6 Class AA championship last week. In a game that didn't start until 10pm, Jamestown roared out to an early 21-0 lead and then pounded out a 34-14 win over Orchard Park.

"We didn't realize how late it was," Jamestown coach Tom Langworthy said. "Our players were so ready to play and our coaches were so ready to coach that none of us even noticed what time it was. When we lined up for the Awards ceremony after the game, I looked at my watch and it said 12:57. We didn't get home until 3 am."

The wait was worth it.

The Red Raiders, wearing their alternate green jerseys, scored 3 TDs in the first quarter.

"We always preach to start fast and that's what we did," Langworthy said. "With our defense playing the way it is, being up 21 at the end of the first quarter is a great thing."

On the Raiders second drive of the game, quarterback Nicc Holland hit Zack Panebianco with a 46-yard TD pass to open the scoring. On the Quakers next possession, Jamestown's Joe Ramos returned an interception 45 yards for a TD and a 14-0 lead.

"We forced a three-and-out right after that," Langworthy said. "That was a big stop for our defense."

Jamestown took the OP punt at their own 25 and four plays later, Devan Jackson ran 23 yards for a TD and a 21-point advantage.

The rest of the game was a showcase for the defense.

"We have a great defense," Langworthy said. "I know our offense has gotten a lot of attention over the past

Jamestown senior lineman Joe Mistretta has been a 2-way starter for 3 years. Mistretta is among the top linemen in WNY and maintains an academic average in the mid-90s.

year but we are pretty proud of our defense. We play solid on special teams and we are putting up points but our defense has been outstanding."

The defense scored a pair of TDs in the title game. In addition to Ramos' "Pick-Six", Kyle Liuzzo also scored a defensive TD.

With OP backed up to their own 1-yard line, Liuzzo rushed the QB in the end zone, batted the pass into the air, and caught the ball while standing in the end zone. The play gave the Raiders a 28-0 lead shortly before the half.

The Raiders used the rest of the evening to pound out a workman-like performance. They rushed for 205 yards and held Orchard Park to 73 rushing yards.

Even the green jerseys stood out for the Red Raiders.

"Our booster club bought alternate colors for us this year,"

Langworthy said. "We've talked about doing it for years and we finally ordered them this year."

The Raiders first wore the jerseys in a home game against Canisius.

"We warmed up in our red jerseys that night," Langworthy said, "and then went in and changed to the green ones. When we came out to start the game, the crowd went nuts. They look pretty sharp."

The players actually had to keep the jerseys a secret for almost five months.

Jamestown lineman Joe Mistretta says that the players discovered the jerseys in a coaches office in April.

"We all thought they looked awesome," Mistretta said.

continued from page 24

"We wanted to talk about them but we couldn't. We knew it would be exciting to come out for a game wearing them."

Langworthy is not sure if the green jerseys will make another appearance this season.

"We wore them against Canisius and at the Stadium," he said. "The kids wanted to wear them on the big stage. I guess we'll let the captains make the decision."

Mistretta, a team captain, is also a workout director of sorts. He designed the Raiders weight-room regimen that they used this past summer.

"Joe lifts weights every day during the off season," Langworthy said. "He researched a lot over the years. He actually had a part in helping to design our summer program because a lot of players wanted to do Joe's workout. He put together a system and we used his workout and our kids are stronger because of it."

The Red Raiders were certainly strong this season. Last weekend, they were transformed into a Green Machine with the methodical way they beat Orchard Park. Simply put, every part of the Raiders was in working order.

"We played well in all phases," Langworthy said.

One player who epitomized the term "machine" was Mistretta, who has led the Raiders line all season.

"He's extremely strong," Langworthy said. "He benches 350 pounds and squats close to 500 pounds."

Mistretta (6-2, 265) is one of the top linemen in WNY.

"He's very athletic and very quick," Langworthy said.

"The combination of speed, strength and size makes him a great lineman."

Mistretta is certainly in the discussion when it comes to finalists for the Trench Trophy, which will be awarded to WNY's top linemen in a few weeks.

"From the time he was a freshman he wanted to win the Trench Trophy," Langworthy said. "He's certainly good enough. He's also very smart, coachable and he's a technician. He went to linemen camps throughout the summer to try and get even better."

Mistretta confirms his long-term thoughts about the Trench Trophy.

"When I was younger I watched Cortland Haines and John Czech play for Jamestown," he said. "I looked up them and said that I wanted to go out there and do as well as they did. I started working out and lifting in the 6th grade."

Mistretta is now a 3-year starter on both the offensive and defensive lines. He says that this championship was different than the title that Jamestown won in 2013.

"We knew that we had a good team coming back," he said. "We expected to be here. We went into this game knowing that if we played our best football we should win."

The Raiders lost in the Far West Regionals last year and this year want to go further than they did.

"Our team is hungry this week," Mistretta said. "We are ready to get back at it. We are far from our goal which is to win at the Dome. We need to come out, practice hard and be ready to win this week."

Jamestown will play Section 5 champion Victor at 7 pm Saturday at All High Stadium in Buffalo.

Hobart QB Patrick Conlan has led the Statesmen to their 4th straight Liberty League title.

Offensively, the Statesmen gained a season-high 488 yards of offense against a St. Lawrence team that was sixth in the nation in total defense. Hobart rushed for 215

yards, including 125 yards from junior running back Conner Hartigan, and got a career-high 273 yards passing from senior quarterback Patrick Conlan. The Saints were fourth in the nation in passing yards allowed (105.1/g) and 39th in rushing defense (114.3 yds/g), but gave up season-highs to the Statesmen.

SLU was able to stay in the game thanks to five takeaways on three fumbles and two interceptions. The Saints put up 251 yards of offense, throwing for 257, but finishing with minus 6 rushing. The St. Lawrence ground game was hurt by seven Statesmen sacks and a wild snap from center.

It's not the critic who counts.

**Not the man who points out where
the strong man stumbled or where
the doer of deeds could have done
them better.**

**The credit belongs
to the man
marred by the
dust and the sweat
and the blood;**

**who strives valiantly;
who errs and comes
short again and
again and again...**

**...who at best knows,
in the end, the triumph
of high achievements
and who, at the worst,
if he fails at least fails
while daring greatly,**

**so that his place will
never be with those
cold timid souls
who know neither
victory or defeat.**
