Iroquois Coach Honored for Upset Win

Iroquois coach Keith Marshall was named the Buffalo Bills / ADPRO Sports Coach of the Week after his team upset previously undefeated Starpoint 21-0 last week.

"We were a big underdog going into the game," Marshall said. "The kids made the plays. All the credit really goes to them. I was tremendously proud of them."

The Chiefs scored just one offensive TD in the game.

"A tremendous amount of credit has to go to our

defensive coordinator, Dave Bonacquisti," Marshall said, "and our special teams coach Rob Pitzonka, too. It was a defensive battle and those units won the game for us."

Starpoint had entered the game 7-0 and was a second seed. Iroquois was a third seed and had entered the game with a 4-3 record. The Chiefs did not qualify for the playoffs until the final day of the season.

"It was a huge upset," Marshall said. "We were playing a 7-0 team

on the road. That was a special game that Chief fans will remember for a long time."

The teams were scoreless until late in the second quarter. Starpoint had driven deep into Iroquois territory. The Spartans finally reached the Iroquois 3-yard line before sending on the field goal unit on 4th down.

Morgan Mariacher blocked the FG and Jordan Huber picked the ball out of the air and ran 86 yards with it.

"Our kids never stopped on the play," Marshall said. "They reacted immediately. Morgan Mariacher and Matt Whalen hustled downfield and threw some key blocks."

In the third quarter, the Chiefs took over at the Starpoint 45 after forcing a short punt. The drove down the field before reaching the Starpoint 1-yard line. Quarterback Jack Edwards snuck in for the score.

"We hang our hat on the run game this year," Marshall said, "but Starpoint really made us earn it."

Brandon Yax finished the day rushing for 156 yards on 38 carries. The rest of the team was able to rush for just

11 more yards. Iroquois gained just 23 yards passing.

"The defense and special teams really stepped up and got the win," Marshall said.

Early in the 4th quarter, Starpoint drove down to the Iroquois 3-yard line with a chance to get back into the game. But a holding penalty pushed the Spartans back and then the Chiefs took over on downs.

"Our defense has played well all year, outside of one

game," Marshall said. "They have been tested in every single ball game this year."

Late in the 4th quarter, the defense added a score to put the game away.

Sophomore LB Parker Valvo intercepted a pass and returned it 42 yards for a TD and a 21-0 lead.

This was Iroquois first play-off game since the 2012 season.

"Last year, we lost out on a tie breaker," Marshall said, "and this year we got in on a tie-breaker. I'm glad the kids got to experience a play-

off game. I was thrilled for them because they have worked so hard."

Iroquois started the season with two wins but lost three in a row, including a 48-3 thrashing from West Seneca East.

"We found out a lot about our kids," Marshall said, "and found out a lot about myself. That loss was the turning point of our season. We could have folded the tent. But, instead, we haven't lost since."

The Chiefs have now won 3 in a row, outscoring their opponents 102-20.

Marshall has been coaching in the Iroquois program for 16 years. This is his 5th year as the varsity head coach. He played high school baseball and graduated from West Seneca East in 1991. He now teaches 8th grade English at the Middle School in Iroquois

He has been married to his wife Michelle for 12 years. The couple has 2 daughters; Allie (age 10) and Madison (age 7).

Dolac Leads Trojans into Semifinals

West Seneca East beat North Tonawanda 42-10 last week in the first round of the Class A playoffs. The Trojans led 13-10 in the second quarter but scored a late TD to take a 10-point lead at the half.

"It was a pretty evenly-matched first half," East coach Jim Maurino said, "but I think we wore them down in the second half."

This is the 4th year in a row that the Trojans have reached the Class A semifinals. They lost to Sweet Home in the championship game in 2012. The past two seasons, Sweet Home beat them in the semi's.

Photo by Mark Adair

West Seneca East senior John Dolac.

"He may not be a quarterback that can flash a ton of stats around," Maurino said, "but I firmly believe that he is the best all-around football player in WNY. He does it in all three phases, every single week. He is a complete player."

Dolac has rushed for 850 yards and scored 16 TDs this fall. He has intercepted 4 passes, returning 1 for a TD.

"A lot of good players will have thousands of yards throwing or rushing," Maurino said, "but he doesn't step off the field. He has scored in every way imaginable."

Dolac has 70 tackles this season and is closing in on the career record for tackles at WSE. He has blocked 2 PATs and is averaging more than 40 yards per punt.

"He's strong," Maurino said. "He loves the weight room. He's also fast. He was timed at 4.6 in the 40-yard dash at the UB Camp."

Dolac, who also plays lacrosse, has an academic average near 90.

"He has started at MLB for 3 years," Maurino said. "We also moved him to tailback. Everyone knows he's getting the ball but he just won't go down."

"Thank the Lord," Maurino said, "that Sweet Home's not here this year."

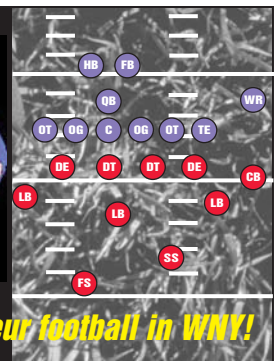

Instead, the Trojans will travel to play Williamsville North on Saturday in a semifinal game.

"North is well-coached and disciplined," Maurino said. "They don't have one stand out guy. They are solid from top to bottom."

If West Seneca East is going to get past Williamsville North and get back to The Ralph, they will need a big day from senior John Dolac.

Dynamic Duo Leads Ken West

By Mark Adair

Kenmore West beat Hutch Tech 49-20 last week in the first round of the Class AA playoffs. The Blue Devils led 22-14 at the half

"Hutch Tech had a couple of long drives and kept the ball out of our hands,"

Kenmore West coach Rich Harris said. "That's exactly what they wanted to do."

Harris said his players were unsettled with the ball control that Hutch Tech used to keep the score close.

"Our kids were just being over-aggressive," Harris said. "We came in at the half and got everybody settled down. In the second half, we started to play our responsibilities and shut them down in the third quarter."

Kenmore West scored 21 points in the third quarter as they pulled away for the win.

"The kids played really well in the second half," Harris said. "They just completely took control."

Ken West is now 7-1 winning 7 straight games.

"None of the games have really been close," Harris said. "Our closest game was when we beat Lockport 28-14."

The Blue Devils are averaging 39 points per game this season.

Unfortunately, according to Harris, the Blue Devils have been a mere after-thought by almost everybody in WNY.

"We have 20 seniors on this team," Harris said, "and they have a chip on their shoulder. They play with an edge. The lack of respect we are getting has been a rallying point for us."

In the 2014 playoffs, Kenmore West had made it to the semifinals. They led Orchard Park with 2:50 to play but surrendered the lead and lost the game.

"We started working to get back to this point 11 months and 3 weeks ago," Harris said. "Every one of our seniors wanted to get back to this spot and make up for losing the lead against Orchard Park last year."

This season, it was thought that Kenmore West was going to be the best team in their division - and not much more has been said about the Blue Devils.

They opened the season with a 28-0 lead at Orchard Park - and basically haven't been heard from since.

"We fell off the face of the earth," Harris said. "We haven't been back in the rankings until this week."

Harris says that the entire AA North Division has been over-looked this season.

"Niagara Falls just beat Jamestown," he said. "and Lockport gave Lancaster everything they could handle. Hopefully, our Division will start to get a little respect now. Our Division is better than what people think."

The Blue Devils will now host Lancaster at 2pm Saturday in the Class AA semifinals.

If Kenmore West is going to get past Lancaster and play for a title at Ralph Wilson Stadium, they will need a big game from Terrell Ford and DeAngelo Walker-Johnson

"We call them our Dynamic Duo," Harris said. "If Terrell isn't running it, DeAngelo is."

Ford, who starts at HB, has rushed for 732 yards this season. He has also caught 16 passes for another 367 yards.

"He's got a bunch of yards in kick and punt returns," Harris said. "He's number-1 in WNY in touchdowns."

Ford is a 4-year starter at Kenmore West. He is now second on the career list for tackles. He set the school record for interceptions earlier this year.

Walker-Johnson, who starts at QB, has rushed for 412 yards and passed for 787 yards.

"Those two guys have not played a full football game," Harris said. "They usually spend the whole 4th quarter on the bench. You can imagine the type of yards they would have if they had played in the fourth quarter every week."

Kenmore West has not played at Ralph Wilson Stadium since 1996 - 18 seasons.

"We've been in this position 8 times in the last 11 years," Harris said. "We've had a very successful program but we haven't taken that last step. I think this year is different. We just have to take our chance and prove it this week. We're very excited about the opportunity."

Kenmore West senior Terrell Ford has score 24 TDs this season as he has led the Blue Devils to a 7-1 record.

Dempsey Plays Big Role at OP

Orchard Park beat Clarence 48-25 last week in the first round of the Class AA playoffs.

"I thought our guys played well," coach Gene Tundo said, "We made plays on offense when we needed to."

Tundo said that the victory was a complete effort by the Quakers,

"Our defense bent but didn't break," he said. "and our special teams played well."

Orchard Park led just 14-7 after one quarter but scored 17 points in the second frame to put the game away.

"Clarence came to play and they played hard," Tundo said. "But our defense got the job done."

The Quakers will now host Niagara Falls at 7:30 Friday in the Class AA semifinals.

"Some of the athletes Niagara Falls has are the best in the state," Tundo said. "We beat them in the first round last year and I know a lot of their kids are back."

If Orchard Park is going to get back to

The Ralph, they will need a big game from Ethan Dempsey.

"He's a hard-working kid," Tundo said. "He's not blazing fast but he is very motivated and has a huge heart."

Photo by Mark Adair

Orchard Park senior Ethan Dempsey.

Dempsey starts at DE for the Quakers. He has been a valuable part of the OP pass rush.

"Sometimes he stands up for us, like a linebacker," Tundo said. "He's comfortable playing either way."

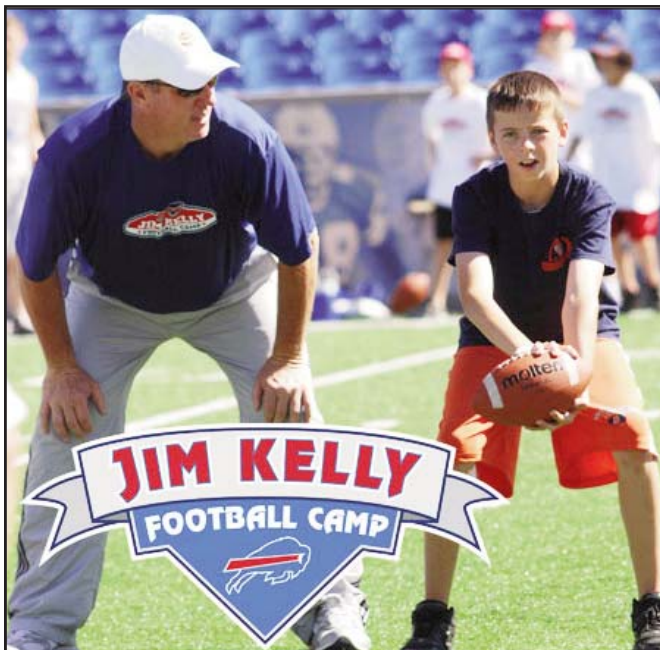

Dempsey has been one of the Quakers unsung, but essential, players this season. He had a QB sack in the win over Clarence. He also leads the team with 3 fumbles recovered this fall.

"He's not real big but he plays tough,"

Tundo said, "He does what you ask him to do. He's a great kid."

Dempsey is also listed as an OL.

"We haven't had to put him in on the offensive line," Tundo said. "but he could play there. He loves to play football. He loves the game."

FG Unit Solid for Legends

Lancaster beat Lockport 42-34 in the first round of the Class AA playoffs.

"A lot of people didn't really respect Lockport," Lancaster coach Chris Dickson said. "We did. Those kids were prepared."

The Legends fell behind 6-0 before taking the lead at the half.

"We had some foolish penalties that stopped our drives," Dickson said, "and we had 3 turnovers. We need to play more disciplined football."

Lancaster will now play at Kenmore West in the Class AA semifinals. The Legends have lost a playoff game at Ken West in each of the last two seasons.

"Ken West has a very talented group," Dickson said. "The kids know that there is a trip to the Ralph on the line. They also know that we were fortunate to move on and need to play better."

Lancaster may have an advantage with the Special Teams unit.

"We have a saying that every point

counts," Dickson said. "Extra Points and field goals are very important when you get to this point in the season."

Senior kicker JJ Pesany has set a new school record with 35 PATs this season.

He is also 3-for-4 on FGs.

"We have confidence in JJ," Dickson said. "I have no trouble putting this group on the field to kick it."

Joe Powers has been the long-snapper and Sean Gill is the holder for the FG unit. Gill is also the leading tackler on defense.

We are very fortunate that we have kids to do that job," Dickson said. "That trio has their timing down and have done a nice job."

Pesany, who also plays lacrosse for

Lancaster, has an academic average in the mid-90s.

"He's a very intelligent kid and very active in his community," Dickson said. "He could definitely kick in college. He has the range but it would have to be a school that fits him academically."

Kelly Solid for North 'D'

Williamsville North advanced to the Section 6 semifinals for 3rd straight year when they beat Hamburg 28-0 last week.

"Our defense has played 'lights out' the last 4 weeks," coach Mike Mammoliti said. "Those kids have spent a lot of time preparing and have played some amazing football."

The Spartans (7-1) now have 4 shut outs this season, 3 of them in the last 5 weeks.

"These kids on the defense play great as a unit," Mammoliti said. "We're doing a good job as a team."

In 2014, the Spartans were 7-1 and advanced to the semifinals in Class AA. The season ended with a loss in Jamestown.

"This time will play at home," Mammoliti said. "It's always good to be at home. Our kids love playing on Saturday afternoon."

The Spartans will be facing a team similar to themselves when they play West Seneca East this week.

"They are a quick, fast and tough

team," Mammoliti said. "The last few weeks they have had a really solid run game. We'll have to slow it down."

If the Spartans are going to get past West Seneca East, they will need a big

day from junior LB Connor Kelly.

"Connor has a combination of speed and size," Mammoliti said. "He makes an awful lot of tackles for loss. He can diagnose the play, hit the hole and make the tackle before the play really gets off."

Kelly (6-2, 220) also starts at H-back for the Spartans.

"We don't really play with a TE," Mammoliti said.

"He plays Wing and FB. He can run short routes or he can block."

Kelly, who has an academic average of 85, also plays basketball at North.

"He might be a scholarship football player," Mammoliti said. "He started as a sophomore. He's only a junior and he's still growing. He has a frame where he could put on another 15 pounds."

Huber Leading Iroquois

Iroquois led 6-0 at the half and used 2 defensive scored to beat Starpoint 21-0 in the first round of the Class A playoffs.

"This was a huge upset," coach Keith Marshall said. "This was a special game that Chief fans will remember for a long time."

The Chiefs made the playoffs on a tie-breaker on the last day of the season and have now won 3 straight games.

"Last year we lost out on a tie-breaker," Marshall said. "This year we made it in on a tie-breaker. We need to take advantage of every opportunity we get."

Marshall says that youth played a big role in the Chiefs 1-3 start.

"We are a young team," he said. "We start just 4 seniors on defense. That leads to inconsistency. We are still not as consistent as we want. The last 3 weeks we have played very well and that comes with experience."

Iroquois will now play South Park in the Class A semifinals. If the Chiefs are going

to get past #3-ranked team in NYS, they will need another big game from senior Jordan Huber.

"He is a tremendous athlete," Marshall said, "and he plays absolutely everywhere for us."

Iroquois senior Jordan Huber.

Huber, a team captain, made 2 huge plays in the win over Starpoint.

He returned a blocked FG 86 yards for the game's first TD. He also intercepted a pass to stop a Starpoint drive.

"He never comes off the field," Marshall said. "He starts at WR, CB and plays on all special teams."

Huber also knocked down 5 passes in the win.

"That's hard to do in one game," Marshall said. "He has a lot of athletic

ability but he also has a high football acumen. He knows the game."

Huber, who has an academic average in the 90s, also plays baseball at Iroquois.

"I've been impressed with Jordan's leadership," Marshall said. "He is absolutely selfless on the field."

Junior Brings Speed for Burgard

Burgard beat Dunkirk 32-21 last week in the first round of the Class B playoffs.

"We beat a solid team that had some size," coach Jason Kolb said. "We were worried about a few matchups but when our defense gets things going, they can shut some people down."

Burgard will play at Alden in the semifinals this week. It will be the 3rd time in 5 years that Burgard has traveled to Alden for a playoff game.

"We've lost some close games there," Kolb said. "But we are getting some kids back on defense. We like our team this year."

If Burgard is going to make it past Alden, they will need a big day from junior Dejean McCullough.

"He is a talented athlete," Kolb said. "He is physically fit and plays hard. I think he has a good future in front of him."

McCullough can play QB but has seen the most time at RB and WR.

"He also starts at free safety on defense," Kolb said. "and he returns punts and kickoffs, too."

In the win over Dunkirk, McCullough broke away for a 72-yard TD to give Burgard a 24-7 lead.

"He has an extra gear," Burgard said. "and he can make some kids miss."

McCullough finished the night with 192 yards and a TD on just 14 carries. He also had a 26-yard reception.

"He can catch and he can run," Kolb said. "He is a dynamic kid with a lot of speed."

McCullough played varsity in 2014 when Kolb needed to replace an injured QB.

"We love to use our QBs to get

missed edges and reads," Kolb said.

"Dejean has the speed to do that.

McCullough is not a big talker.

"He's a quiet kid," When we are on the bus, he sits in front with the coaches and talks about the game. He's quiet in the locker room and quiet in school."

Lawson Leads Warriors

Cheektowaga beat Lew-Port 44-26 last week in the first round of the Class B playoffs. The teams played to a 19-19 tie at the half but the Warriors pulled away after the break.

"We missed a lot of plays in the first half," coach Mike Fatta said. "We had some opportunities that we didn't convert."

Fatta changed his defense for the second half.

"We tried to play a zone early on but we couldn't get much pressure on the QB," he said. "In the second half we were able to play man defense and go after him."

Cheektowaga will host Springville this week in the Class B semifinals.

"Springville is real good," Fatta said. "They will be tough to beat. But our kids are confident and we want to go out and play well."

If Cheektowaga is going to make a return trip to 'The Ralph', they will need

a big game from senior Tyron Lawson.

"He is our fastest kid and our best athlete," Fatta said. "He has a unique skill set."

Lawson splits time at RB and slot receiver.

"He is our number-1 target in the slot," Fatta said.

"He's a good receiver and a good running back. We can move him around. He really is our key player."

Lawson (5-10, 170) is a team captain for the Warriors.

"He's a top-notch character kid," Fatta said. "A lot of kids with his talent would complain if they didn't get the ball. He never complains when we give it to someone else."

Cheektowaga senior Tyron Lawson.

Lawson, who has an academic average in the 90s, played through a hamstring injury early in the season.

"He's probably a 4.5 kid but that injury slowed him down early on," Fatta said. "Even having him out there as a threat makes everyone else better."

Eldridge Plays Big at the 'Hill'

Cleve Hill blitzed out to a 30-0 lead after one quarter and beat Southwestern 56-14 in the first round of the Class C playoffs.

"It was a huge start by the kids," coach Glen Graham said. "If you could have drawn up a start, that's exactly what we would have wanted."

Cleve Hill lost to Southwestern in the playoffs last year. The Eagles led but allowed 2 TDs in the game's final minute.

"Our kids who were here last year remembered that," Graham said. "That was a heart-breaking way to get knocked out of the playoffs. Losing a lead in the last 70 seconds."

Last week, the Eagles needed about 70 seconds to score their first two TDs.

"We were able to stop them on downs and scored on long run," Graham said. "We ran one play and scored."

On the next play from scrimmage, junior LB Matt Eldridge intercepted a pass

and ran 48 yards for another TD.

"This was the most complete game we have played so far," Graham said.

Cleve Hill will now play at MGCLake in the semifinals.

Photo by Mark Adair

Cleve Hill junior Matt Eldridge.

"We'll need to improve so we can be competitive," Graham said. "We've got a shot, We just have to play well."

Eldridge starts at G on offense and ILB on defense.

"He has played on varsity since the latter part of his 9th grade year," Graham said. "At 220-pounds he is the toughest kid we have."

Eldridge (5-8, 220) is not huge.

"He's athletic and strong," Graham said. "He's a smart football player and an enjoyable kid to coach."

Eldridge also has an academic average in the high-90s.

"He is an A-student across the board," Graham said. "He takes all honors and advanced courses. He doesn't do anything less than 100 percent."

Benson Leading MGCLake

MGCLake beat Silver Creek 41-13 last week in the first round of the Class C playoffs. Silver Creek scored on a 59-yard pass play on the third play of the game.

“We came back and scored quickly,” coach Curt Fischer said. “We scored 20 points in first quarter.”

Silver Creek scored again to pull within 20-13 but Brad Benson responded with a 54-yard run to give MGCLake a 14-point lead at the half.

“That was huge,” Fischer said. “We went into the half with some momentum and breathing room.”

The Thunder Dragons pulled away after the break.

“Our defense shut them down in the second half,” Fischer said, “and our running game wore them down.”

Fischer said that the defense has played well this season.

“We’ve been playing a lot of bend-but-don’t break defense,” he said. “We give

up some yards, but when we needed it, they have come up with some huge plays. The defense has been very solid for us.”

MGCLake will face Cleve Hill in the semifinals this week.

Photo by Tim Frank

MGCLake junior Brad Benson.

“We have to play mistake-free football,” Fischer said. “Cleve Hill will capitalize on mistakes.”

Benson finished the win over Silver Creek with 209 yards and 2 TDs.

“Last year he played just defense and was a first-team all-league player,” Fischer said. “He was 3rd-team all-state as a sophomore. He’s even better this year.”

Benson (5-7, 160) does not have imposing size.

“He’s a really hard worker in the off-season,” Fischer said. “He’s made himself a top performer.”

Benson was the starting RB when camp started in August.

“He is extremely strong,” Fischer said. “He has a great base and very strong legs. He has no fear on the field.”

Hibit Leads CLV Past Portville

Cattaraugus-LV beat Portville 23-21 in the first round of the Class D playoffs.

Kellen Martin kicked a 24-yard FG as time expired. The ball hit the crossbar and went through the posts.

"That was the closest game I have ever been involved in," coach Tim Miller said.

Catt-LV was not going in to the playoffs on a roll. The Timberwolves had lost the last two games of the season.

"This is a huge confidence builder," Miller said. "We had laid an egg at Frewsburg the week before. But the kids put that behind them real quick. We had a great week of practice and played our best football game of the season."

Catt-LV had led the entire game but Portville took the lead with :38 left.

"We had done a great job but we were stunned," Miller said. "We returned the kickoff to the 40 which gave us great field position."

The biggest play of the drive was when QB Kyle O'Donnell hit a screen pass to WR Caleb Hibit, who ran 58 yards to the Portville 5-yard line.

"Caleb is a fast kid," Miller said. "He sprints on the track team and has real nice speed."

Hibit, a senior, starts at WR and DB for Catt-LV. He also returns kicks and punts.

"He worked like heck this off-season to develop a set of hands," Miller said. "He has become very valuable to us as a WR."

Hibit (6-1, 165) caught 6 passes for 181 yards and a TD in the win.

"He has been a great leader," Miller said. "He has been very vocal and keeps everybody up

on the sidelines."

Hibit returned 2 fumbles for TDs in a loss to Randolph 3 weeks ago. He also plays basketball at Catt-LV. He has an academic average in the high 80s.

"He's a good student," Miller said. "He takes care of business in the class room."

F-E Senior Leads Titans

Franklin-Ellicott enjoyed a bye week as they waited for an opponent in the Class D playoffs.

"It was a Catch 22," coach Chad Bartoszek said. "We wanted to keep playing but we needed a week to get healthy and fine-tune some things."

Bartoszek says that his players used the week wisely.

"We had a great week," he said. "We changed our schedule a little bit and took advantage of the week off. We know who we are playing now and the kids have a goal in front of them now."

Bartoszek says that his team has worked towards this weekend since August.

"We did exactly what we wanted to this year," he said. "We got a home play-off game. We have a chance to get to the Ralph. This has everything wrapped up in one game for us. It's an exciting time in the school right now. The school spirit is pretty high."

The Titans went to 'The Ralph' last year but lost to Randolph.

"Can we get back there and win?" Bartoszek asked. "The kids want to push for the next level now. It's not going to be good enough to just get there."

If the Titans are going to get past Catt-LV, they will need a big night from senior Will Bays, a 2-year team captain.

"Will has great leadership and toughness," Bartoszek said. "He's a natural leader."

Bays (6-1, 185) starts at G on offense and LB on defense.

"He could have played TE for us," Bartoszek said, "He has great hands. But we needed him on

the line. He has become our best lineman."

Bays also plays basketball and baseball at Franklinville.

"He's athletic and very disciplined," Bartoszek said. "He's an A-student and a focused kid. He brings a lot of enthusiasm to practices."

St. Francis beat St. Joe's 42-20 last week to improve to 4-4 on the season.

"It was a steady victory," coach Jerry Smith said. "St. Joe's is pretty beat up with injuries. You can't let a team like that stick around so we did what we had to do."

St. Francis scored twice in the first quarter and led 21-0 at the half.

"We ran it well and we threw it well," Smith said, "and the defense came to play."

The Red Raiders will play at Timon this week for the second-seed in the Msgr. Martin play-offs. A first-round bye is at stake.

"Timon will be formidable," Smith said. "They are big, strong and they will have their QB back in the lineup."

Matt Myers missed Timon's loss to Canisius last week due to illness.

"It will be in South Buffalo on the Friday night before Halloween," Smith said. "It will be a raucous crowd."

If St. Francis is going to get past

Timon, they will need a big game from senior Garth Pinnock.

"Garth starts at slot receiver," Smith said. "He has also played CB, LB and safety for us."

Photo by Nick LoVerde

St. Francis senior Garth Pinnock.

Pinnock was moved around the field out of necessity.

"We had some injuries," Smith said. "He's very versatile so we were able to move him around and fill some spots."

Pinnock returned a kickoff 74 yards for a TD in the win over St. Joe's.

"St. Joe's had just scored," Smith said. "They had pulled within 28-12. That play just sucked the life out of them."

Pinnock (5-9, 175) is not huge. "He's fast,"

Smith said. "He runs a 4.5 in the 40. He's also very elusive."

Pinnock, who has an academic average of 85, was on the field for 130 of the 160 plays against St. Joe's.

"He gives everything every time he is on the field," Smith said.

CROSS TRAINING FOOTBALL

Training the Heart of a Champion from the Inside Out

The **Heart of a Champion Character Playbook** theme is

Answer The Call!

CTF's vision is to develop the hearts of coaches and athletes to be men of character for others.

This Week in the ANSWER THE CALL process is the word **Confidence**.

The Simple ATC statement is JUST...BELIEVE!

Confidence is having full belief and acting on it without doubt! The Outcome is Faith overcomes Fear. As an athlete sometimes you just have to trust with all your heart and not lean or depend on your own understanding.

It is having the mental attitude that all things are possible for those who believe. Our nation at one time had a confidence in God. This is evident on the dollar bill In "GOD WE TRUST."

Now we have a tendency to trust the money more. When

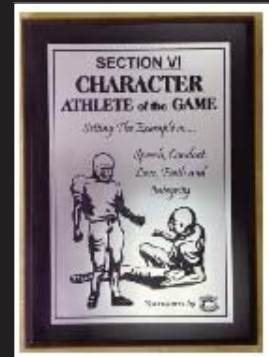

it comes to the game, one of the most confident personalities in the NFL is Peyton Manning. He says the reason you have confidence is because of how hard you have prepared and how hard you have worked.

Also, perfect love destroys fear. This is an enormous statement that says you will have your teammates back when he fails. When you do, they will play fast and not worry about mistakes. When it comes to confidence a Man of integrity plays and lives confidently and securely. The reason is simple, He is COMPLETE. Complete athletes play with confidence and will always **ANSWER THE CALL**. Play Fast and when in doubt get out. Fight Finish and keep the Faith! Strap it up and Get after it.

Dog Meet Dog

Grant Leads Alden Bulldogs against Burgard Bulldogs in Class B

By Mark Adair

Alden survived a triple-overtime thriller when they beat East Aurora 45-42 last week.

Sophomore kicker Riley Pastuzynski nailed a 19-yard FG in the 3rd overtime to finish it.

"I was ecstatic," coach Rob Currin said. "Went it went through, the kids piled on the kicker. I hugged my assistants and then ran into the middle of the pile with the kids."

Pastuzynski was also 6-of-6 on PAT kicks. Four of them would have lost the game if he had missed."

"Riley played on the JV team last year," Currin said. "We called him up for the 9th game, the Funke Bowl against Dunkirk."

Even so, it was not clear that Pastuzynski would make the varsity this season.

"We weren't going to bring him up as a kicker," Currin said. "We gave him a look all camp and he earned a job at cornerback. It worked out well for us."

The overtime kick against East Aurora was Pastuzynski's first FG of the season.

"He's left-footed and he was on the left hash mark," Currin said. "It was a tough angle and he nailed it like it was nothing."

Alden will now host Burgard in the Class B semifinals. The Bulldogs have hosted the (other) Bulldogs in the Class B semifinals in 2010 and 2013 before this week.

"Burgard is always very good," Currin said. "That coaching staff does a great job. They are always athletic and have a lot of team speed. It will be a tough game."

Alden, which had the first losing season in years in 2014, has been working to get back to this very spot

Photo by Mark Adair

Alden senior Lyle Grant rushed 34 times for 193 yards and 3 TDs as the Bulldogs beat East Aurora in 3 overtimes in the Class B playoffs last week.

players increased dramatically.

"Strong kids are confident," Currin said, "confident kids play fast and fast kids win football games."

Entering the season, Alden was not on many lists of title contenders.

"I don't know where other people thought we would be," Currin said, "but as far as we're concerned, this is where we expected to be."

However, despite their own expectations, it's not likely that Alden is 8-0 without senior RB Lyle Grant.

"Lyle is a big reason why we are here," Currin said. "He's been our horse all season."

Grant has now rushed for 1,312 yards, the second-

since January 5th.

"We made a commitment on January 5th in our weight room," Currin said. "We wanted to be right here. We wanted to earn the right to play as many meaningful football games as possible."

So Currin hired Ben Woods of STA Sports Performance to make the team stronger.

"Ben planned 3 workouts for us every week until the start of the season," Currin said. "The kids followed it every week. They were not Ok with being 4-5 like we were last year. They did that work so we could be playing right now."

Currin says the determination of his players has never been greater.

"We have always had 10 or 12 kids in the weight room during the off-season," he said.

"This year, we had 35 to 40 kids at every workout. Most of these kids play other sports but they still came to our workouts."

most in WNY. He also has 21 TDs, which is third in WNY.

And, in the triple-overtime win last week, Grant was fantastic. He rushed 34 times for 193 yards and 3 TDs.

"He does the most when the most is needed," Currin said. "You want to put the ball in the hands of your best players. We gave our horse the ball and it ended up working out for us."

When Alden fell behind 28-21 with less than 5 minutes to play, Grant took over.

The Bulldogs started on their own 35-yard line and, naturally, handed the ball to the senior.

"He got 5 or 6 yards," Currin said, "and was completely engulfed by 4 defensive players. I stopped watching because the play was over. I heard the crowd roar, I looked up and he was 5 yards from the end zone. He just made the decision that our season was not going to end."

Grant (5-5, 175) is also enjoying a bounce-back season like the rest of the team. Two years ago, he rushed for over 1,000 yards and was a Connolly Cup finalist. But, like the team, he was forgotten by Week 5.

"It was just a matter of us not being in the big games," Currin said. "We were 4-5 and not in the playoffs. He was under the radar because we were under the radar."

Grant was a leader in the off-season workout regimen.

"He's is a very intense competitor," Currin said. "He didn't accept losing. If it's 3rd-and-3 in the 4th quarter or on Tuesday in practice. He does everything 100 percent. The off-season was no different."

Grant says that the overtime session against East Aurora was frantic.

"I have never experienced overtime in high school football," he said. "It was an intense situation. Win or go home. You really find out who the men and boys are and we got a lot of men out there."

Grant says he is looking forward to this weekend's game against Burgard.

"Burgard is always tough and super fast," he said. "Our lines will have to be physical up front."

Grant says that last season was an incredible disappointment, both as a team and personally.

"It was disappointing for our coaches, players and the school," he said. "We had not lost a regular-season game in 5 or 6 years. We opened with a loss at home and it went downhill from there."

Which is why he and the other seniors made sure the workout regimen was followed by everyone.

"It's our last chance and we knew we had to make the best of it," he said. "We worked very hard and it's paid off so far."

Grant, who has an academic average in the 90s, also wrestles for Alden. He wants to play football in college.

"I want to major in Political Science and be a police officer," he said. "I've been talking to Hobart, Colgate, and Baldwin-Wallace. I'll start looking at that stuff when the season is over."

Which, if he has his way, won't be for a few more weeks.

Mitch Thomas Leading Buff State

By Mark Adair

Buffalo State won huge game at Utica 28-16 last week as they stayed in the race for the Empire 8 championship.

"We're still in the position where we have to win them all," Buff State coach Jerry Boyes said. "Every single game, we continue to be contenders or turn into pretenders. We can't lose again if we want to make the NCAA playoffs."

Buff State is now 6-2 overall and in a 4-team race for the Empire 8 title. The conference champion will get an automatic bid to the NCAA Tournament.

"Every game we play is a huge game," We have Hartwick, Ithaca and Brockport left. Those games will determine our fate."

In the win over Utica, BSC's special teams played a huge role.

"They fumbled a punt deep in their territory which we recovered," Boyes said. "We scored but gave it right back."

Utica recovered a Buffalo State fumble for a TD to tie the game at 7-7. In the second quarter, Buffalo State was able to down a punt inside the 2-yard line, which led to a safety and a 9-7 lead.

"We had two big plays on special teams that led to points," Boyes said. "They were just critical plays."

Buff State led 15-7 at the half.

The defense would come up huge in the second half. Utica drove into Buffalo State territory twice in the third quarter. Both times the defense made goal-line stands and forced a FG.

"The defense really carried the day," Boyes said. "Utica had a 1st-and-goal at the 1 and we kept them out of the end zone. Both of those were great stops by the defense."

After the second Utica FG, Buffalo State led just 15-13, when the special teams unit struck again.

Dale Stewart returned the kickoff 100 yards for a TD.

Rey Jordan had 2 interceptions in the fourth quarter as the Bengals sealed the win.

"It was a big day for our defense and special teams," Boyes said. "We held them to 34 yards rushing. The only way they could move the ball was through the air."

The Bengals will now play at Hartwick (2-5) in another Empire 8 game.

"If we take them lightly for an instant we'll be on the wrong end," Boyes said. "With two losses, we are not in the position to take anyone lightly."

Senior Mitch Thomas was an All-Empire 8 player for Buffalo State. The Sweet Home grad is leading the Bengals.

If the Bengals are going to run the table and make the NCAA playoffs, they will need more big games from senior DB Mitch Thomas.

"Mitch played as a freshman," Boyes said, "and he has been a 3-year starter for us."

Boyes had known about Thomas since he was a star player at Sweet Home.

"We had him here when Sweet Home came to our team camp," Boyes said. "You could see that his skill set was special. His coach, John Faller recommended him highly. When John Faller recommends someone, you listen."

Thomas was named a first-team all-Empire 8 player in 2014. He was also named a second-team all-ECAC player.

"He has been a difference-maker for us on both defense and special teams," Boyes said. "He just makes big plays at big times."

Thomas has made 130 tackles and intercepted 6 passes in his career at Buff State.

"Last year, when we beat Cortland, he blocked a PAT early in the game," Boyes said. "We kicked a FG at the end to tie the game. If he did not block the PAT, we don't have that opportunity at the end.. Those are the kind of plays he makes all the time."

Thomas has speed, according to Boyes.

"More importantly, he has those instincts that we can't teach," Boyes said. "You either have it or not. We can enhance your skill with technique and coaching. But we can't teach the type of instincts that Mitch has."

St. John Fisher Wins Big

St. John Fisher won its third straight game, as the Cardinals cruised to a 56-0 win over visiting Alfred State College in the first-ever Friday night game at Fisher's Growney Stadium.

With the win, Fisher improved to 4-3 overall, while Pioneers fell to 0-7. It is the program's first shutout since Fisher's 61-0 win at Alfred State last year.

The Cardinals scored TDs on its first eight possessions, as they tied the Fisher record for points in a quarter with 35, and set a new record with 56 points in the first half.

Both Steven Strumolo and James Chambers rushed for three touchdowns each in the opening half.

Starting quarterback Matt Naton rushed for a three-yard score on

Fisher's first possession to put the Cardinals up for good just over 10 minutes into the game. Chambers then scored on runs from 37, 1 and 26 yards out to put the Cardinals up 28-0 with 4:08 left in the opening quarter.

SJF hits the road this week to take on host Ithaca College (4-3, 2-3) in an Empire 8 Conference matchup on Saturday.

This will be the 18th time in history that the Cardinals and Bombers have faced each other as Ithaca holds

the all-time series edge with nine wins and eight losses. Last season, the Bombers came to Growney Stadium and prevented Fisher from scoring a touchdown in the game, ultimately winning 19-8.

Lockport grad James Chambers scored 3 TDs in St. John Fisher's win last week.

It's not the critic who counts.

**Not the man who points out where
the strong man stumbled or where
the doer of deeds could have done
them better.**

**The credit belongs

marred by the
dust and the sweat
and the blood;**

**who strives valiantly;
who errs and comes
short again and
again and again...**

**...who at best knows,
in the end, the triumph
of high achievements
and who, at the worst,
if he fails at least fails
while daring greatly,**

never be with those
cold timid souls
who know neither
victory or defeat.**
