AA Stevens Solid for Devils

After opening the season with a loss to Williamsville South, Clarence rebounded to beat Niagara Falls 26-0 last week. If Clarence is going to contend for the AA title this season, they will need a big year from junior WR John Stevens.

A Mazzara Leads Spartans

Starpoint led 20-0 after one quarter and steadily pulled away to beat Kenmore West 49-14 last week. If Starpoint is going to win the Class A title this season, they will need a big year from senior Sam Mazzara.

B Post Leads Depew Line

Depew lost to Albion 28-7 last week and dropped to 0-2. If the Blue Devils are going to turn the season around and make a run at the Class B playoffs, they will need more big games from senior lineman Carter Post.

C Cleve Hill QB Settles In

Cleve Hill bounced back from a disappointing loss to Maryvale in Week 1 and beat Wilson 48-7 last week. QB Brett Kochanski completed 6 of 10 passes for 137 yards and a TD.

HIGH SCHOOL FOOTBALL
IN WESTERN NEW YORK

Nagel Honored for Newfane Win

Newfane coach Chuck Nagel was named the Buffalo Bills/ADPRO Sports Coach of the Week after his Panthers beat Lew-Port 48-18 last week.

The game was only the second night game at Newfane. The Newfane Sports Boosters rented lights and moved the kickoff from 2pm to 7 pm Saturday night.

"A lot of people have to agree for this to happen," Nagel said. "The head of officials has to agree to do this. The other school has to agree to do it. We really appreciate Lew-Port agreeing to do this."

The crowd was estimated at 1,700, the biggest crowd in Newfane history.

"There was a lot of people there," Nagel said. "We had the whole Newfane Little League there. Two years ago, we had a night game and 1,500 people were there."

The excitement of the evening has spurred talk in the town of putting in permanent lights and playing night football.

"I'm a Newfane guy, born and raised," Nagel said. "I played football for Newfane. Yeah, I would love lights here. I think it would be a big thing in Newfane."

Nagel says that Friday or Saturday night football would be a huge attraction in the small town.

"There's not much going on in Newfane," he said. "It's a safe town. There's not much crime. It's a great place to raise kids. We have a couple of great restaurants but the school is the center of the whole town. Having night football would be a great thing for our community."

Newfane's 30-point margin of victory was the biggest win in over a decade.

"We took a tough loss against a very tough Lackawanna team in Week 1," Nagel said. "We really focused on being ready for Lew-Port on Saturday. We focused on coaching the kids. We worked on our pass protection. We worked on special teams. By Saturday night, these kids were really ready to play. They believed in themselves and it showed in a big way with all those people here. They played a complete game on both sides of the ball."

The crowd roared early in the game when Chad Dunbar took the ball on a reverse and sped down the sidelines for 60 yards. He was knocked out on the Lew-Port 5-yard line.

"It was just great execution on the part of our offensive

line, our quarterback and our tailback. Lew-Port rushed inside and Chad took off outside down the field."

One play later, Dunbar scored on an 8-yard TD run on the same play.

Newfane led 13-0 after one quarter and 21-6 early in the 2nd frame.

Newfane coach Chuck Nagel was named the Buffalo Bills ADPRO Sports Coach of the Week after leading his Panthers to a 48-18 win over Lew-Port.

"We were rolling," Nagel said. "I was hoping our defense could stay tough and keep doing the job. Our offense needed to keep moving the chains."

In the loss to Lackawanna, 'moving the chains' wasn't a problem for the Panthers.

"We moved the ball against Lackawanna," Nagel said, "but we lost the ball on downs inside the 5 and we lost a fumble inside the 10. Against Lew-Port we were able to finish the drives."

Late in the first half, holding a 21-12 lead, Brandon Gross hit Drew Boudeman with a 26-yard TD. Newfane took a 28-12 lead into the locker room.

"That was a huge play," Nagel said. "Brandon is a 3-year starter. If he's in distress or getting chased, he can get out of it and make it a positive play."

The celebration in the locker room was intense.

"After 2 minutes we told the kids that the game wasn't over," Nagel said. "We needed to keep the pedal down."

Newfane scored 3 more TDs and led 48-12.

"Every single kid played, which is awesome," Nagel said. "Everybody had a big game."

Gross finished the night by completing 10 of 21 passes for 184 yards and 2 TDs. He also rushed for 130 yards and 2 TDs on 13 carries.

Julian Nixon ran 16 times for 156 yards. Dunbar ran for 68 yards and 2 TDs on 4 carries. Shayne Harrington caught a screen pass and went 45 yards for a TD.

Nagel played WR and DB at Newfane, graduating in 1994. In the fall of 1993, his senior season, Newfane finished undefeated in the regular season but lost a playoff game to Salamanca.

"I know we can win here," he said. "We used to win all the time. Now we have kids who are putting the work in and it shows."

Nagel and his wife Kristina have a daughter (Melanie, 14) and a son (CJ, 11).

Legacy Burns Bright for Flames

By Mark Adair

Williamsville East fought hard but lost to crosstown rival Williamsville North 35-18 last week.

The Flames, who were heavy underdogs entering the game, pulled within 21-18 early in the 3rd quarter.

"That's two weeks in a row we have battled hard but lost," coach Mike Torrillo said. "We have to find a way to be able to play for 4 quarters."

In a Week 1 loss to Starpoint, the Flames trailed 7-0 late in the third quarter.

"Starpoint scored on the last play of the 3rd quarter," Torrillo said, "and they scored 21 points in the 4th quarter."

Torrillo says that, despite the 0-2 start, his team has played better than the final scores have shown.

"We are doing a lot of good things," he said, "but we still have things we need to get better at."

When the 2017 schedule came out, Torrillo knew that the Flames were given a brutal gauntlet during the first half.

With games against Starpoint, Williamsville North, Williamsville South and Sweet Home, the Flames faced heavy competition.

"The kids are giving me everything they have," Torrillo said. "I can't ask for anything more than that."

The Flames have also had to contend with school construction. While their new football stadium will be envied by many other programs in WNY, it isn't quite finished yet.

"We did not practice once on our own field until this week," Torrillo said. "It's gorgeous but there is still construction everywhere. The field is ready to go but there are still fences to be put up. They did a nice job with it. It's going to be gorgeous."

The players have had to board a bus and rode over to the middle school for practice every day.

"It's been a long four weeks," Torrillo said. "We've definitely had some obstacles to overcome. We are just trying to focus on football and the other stuff will fall into place."

One final obstacle happened just before the start of the

training camp. Defensive coordinator Chris Heim was injured in a weight lifting accident at the school.

"He's still out of school," Torrillo said, "so we are down a coach. I have to give a lot of credit to my other coaches. All the assistants have worked really hard."

Photo by Mark Adair

Williamsville East senior Joey Shifflet is the grandson of legendary Sweet Home coach Joe Shifflet.

If Williamsville East is going to survive the first four weeks and contend for a Class A playoff spot, they will need a big season from senior Joey Shifflet.

"He was named a team captain last fall before I was hired," Torrillo said, "but I am very comfortable with him being our leader."

Shifflet (5-11, 185) was moved from CB to S over the winter.

"He has been key for us this year," Torrillo said. "If we make a mistake, he's there to cover for us."

The senior has become a big hitter in the defensive secondary.

"He works extremely hard in the weight room," Torrillo said. "He works hard at everything he needs to do with his game."

Torrillo said that Shifflet's is reacts quickly to plays happening in front of him.

"His knowledge of the game is incredible," Torrillo said. "You don't have to tell him anything more than

once. He knows the game. He was brought up in football. I'm sure he talked

about football at home all the time."

It's not surprising that Shifflet has an incredible knowledge of how to play the game. Football is in his DNA and his family tree.

Joey's grandfather is Joe Shifflet, the legendary Sweet Home coach who finally retired in 2009 with 200 career victories.

"I played for Coach Shifflet at Sweet Home," Torrillo said. "He has been a mentor to me for years. He has an wealth of knowledge and I've always welcomed his advice."

Torrillo says that the elder Shifflet, who actually earned his 200th career win while coaching at Williamsville East, has transitioned smoothly from the sidelines to the stands.

"He's a coach," Torrillo said. "He'll always be a coach. But he's a grandpa, too and he supports his grandkids."

Stevens Solid in Devils 'D'

After opening the season with a loss to Williamsville South, Clarence rebounded to beat Niagara Falls 26-0 last week. The Red Devils evened their record at 1-1 with the win.

"After we lost to South, we watched film the next day," Clarence coach Paul Burgio said, "and 12 kids came with me to scout Niagara Falls. The kids were committed to bouncing back."

The Devils led 6-0 at the half and took control after the break.

"We had previous experience playing the Falls," Burgio said. "We knew they were a Spread football team. We know what they typically like to run."

The Devils will travel to Jamestown this week for a key AA league contest. After winning just one game in 2016, Jamestown is 2-0.

"Jamestown is an improved team over last year," Burgio said. "Wins don't come easy and beating Jamestown won't be

easy either."

If Clarence is going to contend for the AA title this season, they will need a big year from junior WR John Stevens.

"He's sneaky fast," Burgio said. "He runs a 4.7 in the 40-yard dash and he runs great routes."

Stevens (5-9, 165) also starts at CB for Clarence.

"He's not our biggest kid," Burgio said, "but he's the strongest kid on the team."

Burgio says that Stevens is a tough defender.

"He is our number-1 kid for coverage," he said. "We put him on top receiver of the other team,"

Stevens, who maintains an academic average of 96 is on the High

Honor Roll at Clarence. He also plays on the basketball team and is an intense competitor, according to Burgio.

"If you aren't ready to practice against him, you'll have a long day," Burgio said. "No such thing as half-speed with him. He's ready every single day."

Starpoint Moves to 2-0

Starpoint led 20-0 after one quarter and steadily pulled away to beat Kenmore West 49-14 last week.

“We went into the game expecting a battle,” Starpoint coach Al Cavagnaro said. “We felt we needed to make a statement in our division. Ken West is normally an AA team and being up 20-0 after the first quarter was a shock to us.”

The Spartans are 2-0 and tied for first in the A North. They won the league title last year and lost in the Class A title game to Bennett.

“We were young last year,” Cavagnaro said. “We have kids who started and lost at the Ralph. We have some kids

who didn’t get a chance to play. They all want to go back there and win.”

Cavagnaro says that his players began working as soon as the 2016 season ended.

“We’ve been in the weight room since last November,” he said. “We had a power-lifter in twice a week to coach us

in the weight room. We did team camps and passing tournaments. The kids know it will take more to get farther than last year.”

If Starpoint is going to win the Class A title this season, they will need a big year from senior Sam Mazzara.

“Sam is the last of 3 Mazzara brothers to play here,” Cavagnaro said.

Mazzara is a 3-year starter who was named an all-league player each season.

“He is our lockdown cornerback,” Cavagnaro said. “He covers the other team’s best receiver.”

Mazzara (6-0, 185) also starts at WR and leads the team with 8 receptions for 126 yards.

“He runs great routes,” Cavagnaro said. “He’s fast, strong and has great hands.”

Mazzara has an academic average in the 90s and is on the Honor Roll.

“I know St. John Fisher and Buff State are very interested in him,” Cavagnaro said. “A lot of D-3 programs are.”

Trojans Earn Shutout Win

After opening the season with a loss to Iroquois, West Seneca East bounced back in a big way as they beat Lake Shore 41-0 last week.

"We played a very sloppy game in Week 1," coach Jim Maurino said. "We felt we gave the game away with penalties and turnovers. We played as poorly as we possibly could."

Maurino made some changes before the game at Lake Shore.

"We had to shore up the blocking and tackling," he said. "We needed to get back to basics. We had some injuries and guys stepped up."

The Trojans led 28-0 at the half and were never seriously threatened by Lake Shore.

Jacob Maurino rushed 14 times for 175 yards and 4 TD. He also caught an 82-yard TD pass and recorded 2 sacks on defense.

The defense was also solid, earning a shut out victory.

"Our defense really improved over one

week," Maurino said. "They played tough."

If the Trojans are going to contend for the A South title, they will need a big year from senior Drew Woltz.

"Drew is a very unselfish player,"

Maurino said. "He's asked to block more than carry the ball. He's good at blocking and he takes pride in it."

Woltz (5-10, 175) starts at WB and ILB on defense.

"He gets about 6 to 8 carries a game," Maurino said. "He's a good athlete so we are trying to get him more touches."

Woltz, a team captain, made a team-high 10 tackles in the win over Lake Shore.

"Drew played a very disciplined game this week," Maurino said. "He is

a high-motor kid with great energy and he's a good leader."

Maurino says that Woltz directs the defense on the field.

"He feels comfortable talking to the team," he said "He is that one guy that keeps your defense going."

East Aurora lost to Burgard 38-0 last week and fell to 0-2 on the season.

"I still feel good about the team," new coach John Swiniuch said. "The kids are still working hard. They haven't quit in any games."

The transition hasn't been easy this season.

"We are still trying to learn a new offense," Swiniuch said. "We have had mistakes that have cost us."

The Blue Devils offense moved the ball in both games.

"We lost 3 fumbles against Burgard," Swiniuch said. "Those are drive killers. If we eliminate the mistakes, we'll be OK as we get more comfortable with the offense."

East Aurora will play at defending Class B champion Dunkirk this weekend.

"B-1 is tough," Swiniuch said. "We have 7 very difficult games. Dunkirk will be another tough test. The big thing is the kids are hanging with it and still working hard."

If East Aurora is going to turn the season around, they will need big games from senior JT Anstett.

"He has a great motor," Swiniuch said. "Technically, he is a very good player and he's consistent."

Anstett (6-1, 195) starts at FB and LB.

"He's a good blocker and a powerful runner," Swiniuch said. "He explodes into the holes and is tough to bring down."

Anstett leads the Devils in rushing and is among the leading tacklers.

"He's quick and athletic," Swiniuch said. "He's tough to block on defense and gets good leverage."

track team. He maintains an academic average in the 90s and ranks 29th in his class academically.

"He is a focused young man," Swiniuch said. "He leads by example. As a captain, he speaks when he has to and he has the respect of the entire program."

Post leads Depew Lines

Depew lost to Albion 28-7 last week and dropped to 0-2. The Wildcats led 7-0 at the half.

“We’ve only played half a football game both times this season,” coach Brian Wilson said. “We have to figure out how to play 48 minutes.”

Depew lost a tough 21-19 decision to Dunkirk in Week 1.

“We played a good second half against Dunkirk,” Wilson said, “and we played a good first half against Albion. We need to make plays the whole game. That’s what we need to figure out.”

If the Blue Devils are going to turn the season around and make a run at the Class B playoffs, they will need more big games from senior lineman Carter Post.

“Carter is a good athlete,” Wilson said. “He also plays hockey and lacrosse. He’s usually in very good condition, too.”

Post, a 2-way starter, leads both lines as he starts at RT and DT.

“He’s a student of the game,” Wilson said. “He’ll ask questions on how to adjust his technique to different situations. He’s constantly trying to get better.”

Post (6-3, 245) is a team captain.

“The players chose him almost unanimously,” Wilson said. “He’s a great player on the field. He’ll work hard to figure things out and help his teammates.”

Post has played hockey for 6 years and is a defenseman for the Depew lacrosse team. The Wildcats will play their first season of varsity lacrosse this spring.

“He’s constantly in-season,” Wilson said. “He’s a kid who spends quite a bit of time in the weight room, too.”

Post maintains an academic average of 96 and is a member of the National Honor Society.

“He’s a smart kid,” Wilson said. “He wants to play college football and I think he will definitely get an opportunity. He’s a good teammate and very unselfish.”

Horton Powers Steelers

Lackawanna built a 22-8 lead at the half and went on to beat Eden 52-14 last week. The Steelers scored 4 TDs in the 3rd quarter to pull away.

"We've played pretty solid football so far," coach Adam Tardiff said.

Lackawanna is now 2-0, 1-0 in league games.

"The nucleus of our team has been starting for 3 years," Tardiff said. "Our QB, our receivers, our backs, our tight end all started for me as 10th graders. They have all been playing together all that time."

Last year, Lackawanna started the season with a pair of losses.

The Steelers finished the season 4-3 and upset Medina in the first round of the Class B playoffs.

"I think the kids matured after the two losses," Tardiff said. "They saw that it took a little bit more at practice. The kids starting working harder. We beat Depew and when on a good winning streak."

In the win over Eden, Khalil Horton rushed 13 times for 187 yards and 3 TDs. He scored on runs of 7, 36 and 42 yards and also returned an interception 22 yards for another TD.

Lackawanna senior Khalil Horton.

"He has speed," Tardiff said. "He has always had speed. But he worked hard in the offseason and he put on 25 pounds of muscle."

Horton (5-8, 205) has rushed for 415 yards through the first two games.

"He still has great vision and speed," Tardiff said, "but he's powering through people now."

Horton, a team captain, also starts at OLB for the Steelers defense and leads the team in tackles.

"A lot of the D-3 schools and the smaller D-1AA schools are looking at him," Tardiff said.

"Horton is in the top 20 of his class academically and maintains an academic average of 91.

"He's focused and quiet," Tardiff said. "He's a good captain and teammate."

Cleve Hill QB Settles In

Cleve Hill bounced back from a disappointing loss to Maryvale in Week 1 and beat Wilson 48-7 last week.

"Maryvale was a good indicator of things we needed to work on," coach Glen Graham said. "It was a great learning experience."

Despite losing to Maryvale, Graham says it helps having a rivalry game to open the season.

"It helps both programs," he said. "We really have to focus on the first game. This is an annual event for Cheektowaga and the players and fans love it. I've found we have a better week of practice and a more sustained effort for the Maryvale game."

In the win over Wilson, the Golden Eagles led 8-0 after one quarter.

"Wilson has 10 of 11 starters back but we were able to get up on them early," Graham said.

Cleve Hill scored 22 points in the 2nd

quarter and led 30-7 at the half.

Aaron Wahler rushed 15 times for 148 yards and 4 TDs to lead the ground game.

"We were able to get after them," Graham said. "The kids played well."

QB Brett

Kochanski completed 6 of 10 passes for 137 yards and a TD.

"He's not as big a running threat as we have had in the past but he can run the football," Graham said. "He also gives us a nice balance with the skill set he has."

Kochanski completed 10 of 14 passes against Maryvale.

"That was his first varsity start," Graham said, "and he was even more comfortable against Wilson."

Kochanski, who has an academic average in the 90s, has already been offered a scholarship to play baseball at St. Bonaventure after high school.

"He's a pretty focused kid," Graham said. "He's very goal-oriented in the class and in athletics."

Gowanda Relies on Senior

Gowanda suffered a heart-breaking 1-point loss to Cass Valley-Falconer last week.

"It was our first league game," coach Sean Gabel said. "We were disappointed. We had a lot of emotions. We just have to get better and keep working."

The Panthers scored with 5 minutes left in the game to take a 26-20 lead and looked like they would earn their first win of the season. But CVF returned the ensuing kickoff 85 yards to the 1-yard line. CVF scored on the next play and won 27-26.

"Losing this game will be a test of character," Gabel said. "We have to get back with each other and get better together."

Caleb Maloney carried 19 times for 183 yards and 2 TDs for Gowanda.

"We moved the ball," Gabel said. "We just had a breakdown on special teams."

The Panthers host Silver Creek in their first home game of the season this week.

If Gowanda is going to stay in the race to make the Class C playoffs, they will be relying on senior lineman Robbie Clutter.

"He started for us last year," Gabel said. "He is a great young man. He is

Gowanda senior Robbie Clutter.

relentless and he doesn't quit. He gives everything he has on every play."

Clutter (6-1, 170) starts at OT and DE.

"He's just 170 pounds but he plays a lot bigger," Gabel said. "He's tough, he's in the right position every time. He starts both ways because he's not afraid to work. He earned the starting spots."

Clutter is among the Panthers leading tacklers.

"He is relentless on defense," Gabel said. "He keeps the

edge and he consistently makes plays."

Clutter also plays basketball for Pine Valley.

"He's a great young man," Gabel said. "He's very quiet and respectful and a good student. He's just a well-rounded student-athlete and a good team player."

Senior Solid for CSP

CSP led 21-12 at the half but scored twice in the third quarter and pulled away from Cattaraugus-LV with a 41-18 win.

"The kids played well," coach Ty Harper said. "They played a complete football game."

Tanner Ramsey rushed for 119 yards and a TD to lead the ground game. Garrett Hinsdale completed 12 of 19 passes for 153 yards and 2 TDs.

CSP has started the season 2-0.

"We've never been 2-0," Harper said. "We've only been a program for 3 years. It's pretty exciting."

CSP is in their third season after merging Clymer, Sherman and Panama into one program.

"A lot of our learning was just getting a routine," Harper said. "All of our players have only played for CSP and don't know anything different. This is just what we do now."

Harper says that initially, people were hesitant to merge the programs.

"Any time you are doing something new, people will be hesitant," he said. "I think we have a full buy-in to the program now. We started to see our kids turn the corner last year when we won 5 of our last 6 games."

If the Wolfpack is going to challenge for the Class D title this season, they will need a big year from senior captain Thomas Delahoy.

"He's a 2-year starter," Harper said. "He missed his sophomore season with a knee injury but he started both ways last year."

Delahoy (6-2, 280) starts at G and DT. He was named a 1st-team all-league player in 2016.

"On top of his size, he works hard in practice," Harper

said. "His technique is pretty good, he has good feet and plays with a good pad level."

Delahoy, who also plays basketball and baseball, is on the honor roll with an academic average in the 90s.

"He's a very bright kid," Harper said. "He's a focused kid and he's intense."

O'Hara Junior Leads Hawks

O'Hara fell behind at the half and lost to St. Joe's 41-14 last week.

O'Hara is now 0-2 after playing two large private schools.

In week 1, the Hawks lost to Mt. St. Joseph's of Baltimore, a top 10 team in the state of Maryland.

"I actually feel pretty good," coach Shaquille Dudley said. "We haven't been dominated. Player for player we are just as talented as those two big schools. We just don't have as many players as they do and they wore us down. We are competing hard for 4 quarters and that's all I can ask for."

Dudley does not regret scheduling large schools.

"I wanted to give our kids an opportunity to play football at the highest level," he said. "That's why you go to a private school. We have great academics and I want our kids to be challenged mentally, spiritually and physically."

If O'Hara is going to get in the win

column against Batavia this week, they will need another big game from junior Remir Velazquez.

"He's tough as nails," Dudley said. "Wherever we ask him to play, he'll play.

Photo by Nick LoVerde

Cardinal O'Hara junior Remir Velazquez.

Two years ago he played center as a freshman."

Velazquez (6-1, 215) now starts at LB in addition to playing several positions on the OL.

"He has played TE," Dudley said. "When our starting tackle went down, Remir finished the game at left tackle."

Velazquez is a team captain, despite being just a junior.

"He's dedicated," Dudley said, "and he's been dedicated to making himself better. He works harder than

anyone."

Velazquez also plays for the O'Hara basketball team and is on the Merit Roll.

"I put him on the field as a freshman," Dudley said. "His confidence and his body grew. This past year everything just clicked for him."

A Brother's Love

Mike King is inspired this season by the memory of his brother

By Mark Adair

Iroquois improved to 2-0 on the season with 30-13 win over Hamburg last week.

"Everything is going according to plan," coach Rob Pitzonka said. "We put a lot of work in during the off-season. We preached all off-season that the stronger we were and the better condition we were in, we would have the stamina for the second half."

Pitzonka, in his first season as a head coach, says stamina is crucial for the Chiefs this fall.

"We are running an up-tempo offense," he said. "We want to average about 13 seconds in between plays. Right now, because of the work they put in, our guys are built for that."

Pitzonka says that he changed the Iroquois offense out of necessity.

"With HS football you have to gear your game-plan to the kids," he said. "We lost some big, powerful players to graduation. We are a smaller team this season. We have one kid that is 250 pounds or more."

The lack of size meant a change in tactics.

"We have guys who are strong," Pitzonka said, "but we don't have a lot of height and weight. We needed to be in shape and in condition."

The players embraced the program.

"We had 120 workout sessions over the off-season," Pitzonka said, "and a lot of kids made almost every session. They put in the effort."

The extra effort seems to be paying dividends in the early season. Iroquois trailed West Seneca East late in the 3rd quarter and rallied for a 33-26 win.

Against Hamburg, Iroquois led 21-7 at the half and

Iroquois senior Mike King is playing football this season. His older brother Anthony was killed last fall in an accidental shooting.

stretched the lead to 30-7 in the 4th quarter.

The Chiefs are also playing with emotion, especially senior WR Mike King.

"Mike is Mister Do-Everything," Pitzonka said. "He has been all over the field."

In the win over West Seneca East, King caught 7 passes for 88 yards.

He also returned a fumble 60 yards for a TD, blocked a PAT, and sealed the game with an interception with :11 left in the game.

"He has always had a knack for making big, drama-filled plays right when we need it the most," Pitzonka said.

Mike King is playing inspired football this season, despite dealing with a profound family tragedy.

On November 6th, 2016, Mike's older brother Anthony was killed in an accidental shooting.

"We had just wrapped up the season," Pitzonka

said. "A couple of weeks after our last game, I got a phone call at 1 am."

Pitzonka looked at his phone and saw the name of Jared Gasz - one of his players.

"When one of your players is calling at that time of night, it's never good," Pitzonka said.

Gasz gave Pitzonka devastating news. Anthony King had been killed a few hours earlier.

"One of his friends was handling a gun and it accidentally went off," Pitzonka said.

Anthony King, 19 at the time and a student at the University at Buffalo, died at the hospital.

Anthony's friend, Jake Klocek, who is now 20, was arrested and will be sentenced Sept. 28. He faces anywhere from probation to 15 years in prison.

"It was not a good time in our school," Pitzonka said. "It shocked the entire community."

Pitzonka says he had trouble figuring out how to handle the situation with his players.

"Kids look to teachers, coaches and grown-ups on how to handle those situations," he said. "But something like this, especially when it's one of your player's, affects us pretty deep, too."

Pitzonka says that he also had to try to help Anthony's younger brother Mike, who was still in his program.

"Mike is a phenomenal kid," Pitzonka said. "He works very hard in the classroom. I had the opportunity to coach him last year in football and last spring in lacrosse. He is just a great teammate."

King says that he went into a very dark place when his brother died.

"We were very close," Mike said. "We we're like the same person. We always had everything in common and we always had each others back. We hardly ever fought."

Mike also said that.

"The first couple of months I couldn't focus in school," he said. "It still doesn't seem like it can be true. Once we started the off-season work, it was 5 days a week and it kind of took my mind off it."

The players on the team, which was already close, really pulled tighter after tragedy.

"We are a very close team and that helped a lot," Mike said. "Everybody in the community was there for us."

Pitzonka actually got a custom-made 17-yard marker made to honor Anthony King, who wore #17.

"A lot of our kids were friends with Anthony," he said. "I wanted something that we could gather around on the field and channel our thoughts. I thought it would be a cool idea to have our kids huddle around a 17-yard marker."

However, finding one, was not easy.

"I had to make a ton of phone calls," Pitzonka said. "Most people buy a set of 10s through the 50. Nobody makes a 17-yard marker. I finally got a hold of the Champro company. They heard the idea and ran with it. They made it, shipped it out to us before the first game and they didn't even charge us."

The grounds crew also painted an Iroquois helmet on the field with the number 17 on it.

Before the game, the players gathered around the yard marker and a moment of silence was observed.

Early in the first quarter of Iroquois' win over Hamburg, the Chief's took possession on the 50 after a punt. The ball sat on the #17 that commemorates Anthony King.

On the snap, Mike suddenly found himself wide open. He caught a pass over the middle and sped 50 yards for a TD. No one came close to bringing him down.

"That was really cool," Mike said. "That made the game even more special for me. I know Anthony was with me."

Becht Leads North to 2-0

Williamsville North overcame a sluggish first half to earn a 35-18 non-league win over crosstown rival Williamsville East.

Despite being heavily favored, the Spartans led just 21-18 in the 3rd quarter.

“East came to play,” North coach Mike Mammoliti said. “In the first half, East played like it was a rivalry game and we didn’t.”

Mammoliti says he tried to warn his players that the Flames would not be intimidated by the Spartans.

“They didn’t heed my warning,” Mammoliti said. “East came to play and they played hard. At the half, we had to have a little re-focusing.”

Mammoliti says he “re-focused” his players in loud, emphatic voice.

“You could say that,” he said. “The kids woke up. I think it showed in the way they played in the second half.”

The Spartans are 2-0 and are fueling excitement about their playoff chances.

“This is a really talented group,” Mammoliti said. “There are as many good athletes in this group that we have had in a very long time.”

No less than 15 kids have joined the varsity after a year on the JV team.

“That group of kids has not lost at the modified or the JV level,” Mammoliti said. “They are now 26-0.”

The athleticism is matched with size.

“They are extremely talented athletes,” Mammoliti said. “The top 6 players on the JV basketball team are also football players. They are all over 6-feet tall. They are just big, athletic kids.”

However, Mammoliti says, despite the talent, immaturity has also shown through the first two games.”

“They are so used to being better than other teams,” he said, “the last 2 weeks

we started slow because they relied on that. Well, that doesn’t work on the varsity. Varsity football is different. You can be talented but every team comes to play and they found that out the last two weeks.”

If the Spartans are going to harness their talent and advance deep into the playoffs this year, they will need a big year from junior LB Scott Becht.

“He’s a junior,” Mammoliti said, “but he is already a 3-year starter. He has started both ways since he was a freshman.”

Becht actually won a starting job on the varsity before he was officially enrolled in high school.

“He came and practiced with us in the summertime before his freshman year,” Mammoliti said. “He was better than anybody we had at the time at LB. He was already bigger and smarter than most of the

other kids.”

After 1 game at LB, the Spartans had an injury on the offensive line.

“We put him in at tackle,” Mammoliti said. “He dominated and he never left.”

Becht (6-4, 226) is a solid student that maintains an academic average of 95, despite having a class schedule loaded with Advanced Placement classes.

“His intelligence is superior,” Mammoliti said. “He spends as much time watching film as anybody I have ever seen. He logged on last week and he watched more than 6 hours of film.”

Becht is also a team captain.

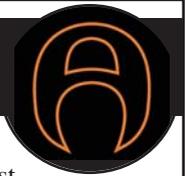

“He’s a natural-born leader,” Mammoliti said. “Other kids followed him in the off-season. A lot of times, the kids will have a Players Only Meeting. They’ll eat dinner at someone’s house and they watch even more film. He leads the show on that, too. He just has that passion about football. That’s what leaders do.”

Senior AJ Licata Leading Alfred

By Mark Adair

Alfred opened the season two weeks ago with a 20-17 win over Ithaca and enjoyed a bye week last weekend.

"I actually don't like a bye this early but we don't get to choose that," Alfred coach Bob Rankl said. "The conference has rotations as to who gets their bye each week but we want to get started and get some momentum."

In the win over Ithaca, the Saxons trailed 17-13 at the half. Alfred shut the Bombers out over the last 30 minutes.

"We definitely did not play our best football game," Rankl said. "No doubt about that. We need to improve every single week."

Rankl did say that the only stat that matters is the final score.

"I'm not dissatisfied but we definitely need to be cleaner," he said. "We have stuff to work on."

Alfred, ranked 21st in the nation, will host Utica in their first Empire 8 game this weekend.

"Every win is vital," Rankl said. "It's a dog-eat-dog conference. Blaise Faggiano has done a great job with that program and we know we'll have our hands full with them."

If Alfred is going to win a second straight Empire 8 Conference title, they will need another big year from senior captain AJ Licata.

"AJ is an outstanding student and an outstanding football player," Rankl said. "He's pretty much everything you want in the leader of your football program."

Licata starts at OLB and was Alfred's leading tackler in 2016 as the Saxons finished 12-1, setting a school record for most wins in a season. He finished the season with 153 tackles, just one off the single-season school record.

"He runs well, he's strong and he's tough," Rankl said. "He does everything well."

Alfred advanced to the NCAA Final 8. They were also given the Lambert Cup by the ECAC as the top Division III team in Northeast.

Rankl recruited AJ out of Frontier High School.

"I watched him on film and I could tell he was a very aggressive football player," he said. "Did I think he would turn out as good as he has? Probably not but he has worked his tail off to become the kind of player he is."

Licata, a Finance Major who maintains a GPA of 3.62, was also given the Jay Berwanger Award as the top Division III player in the northeast.

"It's a testament to the kind of season he had last year," Rankl said. "Those awards usually go to running backs or quarterbacks. It shows how much he is respected by the teams he has played against. He's been amazing."

This summer, Licata was named a first-team Division III All-American.

"AJ deserved it," Rankl said, "but he would tell you that he's more interested in winning football games. We are much more interested in winning football games, conference games and playoff games."

Licata was chosen as a team captain by his teammates.

"The other players see him as a guy who is a leader," Rankl said. "He will always does the right thing, in his pads, in the off-season and outside of football. He is a guy you can count on and other people respect him."

Licata is also driven to win football games, according to Rankl.

"He's a very intense competitor on the field," he said. "He doesn't like to lose and loves to compete. He doesn't lead by yelling at people."

Incredibly, Licata may even be better this year than he was in 2016.

"He has improved every year," Rankl said, "and he is playing his best football right now."
